Meetings held April 13, 2015 and April 27, 2015

April 13, 2015
In attendance: Ceil Malek, Laura Marshall, Norah Mazel, James Parmenter, Sheri Trumpfheller, Dana Wortman

• Update on Submission of Recommendations to P&B Committee
  o Norah confirmed that the recipients of the memo had acknowledged its receipt
  o The P&B committee will not meet until 4/15, so there has been no formal response yet

• Initial Analysis of NTTF Survey Data
  o Committee members discussed responses and drew initial implications from the data

April 27, 2015
In attendance: Suzanne Cook, Laura Marshall, Norah Mazel, Christine Robinson, Sheri Trumpfheller

• Continued Analysis of and Discussion about Survey Data
  o Norah sorted the data and charted key numbers
  o Committee members interpreted the data and identified major areas of concern indicated by the NTTF surveyed
  o Committee sketched out the basic elements for a report of recommendations based on the data; Norah will begin drafting this document for the committee’s review

• Update on Future Compression Adjustments
  o Discussion about current compression adjustments and plan for future adjustments
  o Committee members shared knowledge about current discussions by the P&B committee about the next round of compression adjustments

• Proposal for Increased Intercommittee Communication
  o Due to shared concerns, NTTF committee members agreed to increase communication between the NTTF committee and FMAC, FAWC, and PRIDE, and perhaps collaborate on future projects
