TEACHING WITH TECHNOLOGY COMMITTEE
Meeting – 1:40 Tuesday, October 20, 2015
EPC 304C

Minutes

Present: Me, Regina, Scott, Norah, Martin, Sherry

NEW BUSINESS

1. Content ownership
2. Update on University of Colorado Connect
   a. Course development funds ready for distribution
   b. Proportional to size of campus
   c. $740K over three years; hold-back for performance; could be near $1M
   d. Insist we not break contracts with LMSs, but work toward single LMS as they expire
   e. Working on marketing campaign
   f. Enrollments up 22% in HS concurrent
   g. connect.cu.edu still dysfunctional
3. COMM concerns
   a. Verifying minimum technology (hardware/software) requirements
   b. 24/7 support for students (esp. non-Blackboard)
4. Invite members from colleges/departments to hear about concerns, hopes?
   a. Dave contact Deans
   b. Use the GE model: go to department/college meetings
5. How to grow programs with no new faculty lines and minimizing overloads?
   a. Limiting overloads is a huge (and nonsensical!) issue

OLD BUSINESS

1. Suggestions/ideas from committee members
   a. Timeline for gen ed (esp. English) courses
   b. Issues with out of state students: State Authorization Reciprocal Agreement (SARA)
   c. Accessibility issues
      i. FRC will be providing info, tutorials, etc. on its web site
      ii. Accessing Higher Ground Conference, Nov 16-20, 2015; co-sponsored by the CU system

Next Meeting – 1:40 Tuesday, November 17, 2015
