

READ, BEFORE REGISTERING...

Please read through ALL the registration instructions before registering. All new freshmen and transfer students are required to attend an orientation before they will be allowed to register. Unclassified students are not required to attend an orientation, but may if they choose to.

NOTE: Students must register over the internet by going to the campus home page, www.uccs.edu and clicking on the Student Online Center.

YOUR INVITATION TO REGISTER...

An “Invitation to Register” will be mailed to you before your assigned registration time. Once you receive your “invitation,” check the following:

- ▶ Make sure you have no financial, academic, or other stops that will prevent your registration.
- ▶ Check the address that was used to mail your “Invitation to Register.” If it is incorrect, please call the Records Office at 262-3361.
- ▶ Check your student ID number and enter the number on the “Registration Worksheet” (p 10) line 2.
- ▶ Check your Personal Identification Number (PIN) and enter the number on the “Registration Worksheet” line 2.

IMPORTANT
You cannot register
without your PIN
See your Invitation to Register.
Please memorize and guard your PIN!

- ▶ Check your assigned registration time and date. **You may register at or after your assigned time, but no later than census date** (6th day of classes for the summer term or the 12th day of classes for fall or spring semesters).

DETERMINE COURSE SELECTIONS...

NOTE: Web Registration identifies a particular course section by a **CALL NUMBER**. Each Call Number is unique and is found in the class schedule to the left of the section number. If a CALL NUMBER is not listed, you must obtain the CALL NUMBER from the individual department.

If you are a new freshman or transfer student, you must attend orientation before you can register (see page 23).

ON THE “REGISTRATION WORKSHEET,” WRITE THE CALL NUMBER FOR EACH COURSE SELECTION. Be sure to have alternate selections listed in case the class is canceled or closed. Some courses require a separate call number for lecture, lab, and recitation.

Closed courses may have WAITLISTS. If you try to register for a closed class which has a WAITLIST, the computer will ask if you want to be put on the WAITLIST. Please note: You cannot be wait-listed for 2 sections of the same course or registered in 1 section while on the WAITLIST for another.

As openings occur in a waitlisted course, you will automatically be registered in the course. **It is your responsibility to check your enrollment status and print or list your schedule.**

WAITLISTS are deleted 7 to 10 days before CENSUS DATE. If you are still on a waitlist when it is purged, you will be dropped from the waitlist and notified.

Note: Should an opening occur, you may still register for the course through Feb 4 with instructor approval. Check frequently using the Web Registration system.

You will be billed for the courses that change from waitlist status to registered status.

TIME CONFLICTS AND PREREQUISITES

The registration system will not permit you to register for time conflicts, credit overloads (over 18 hours, Fall or Spring and 12 hours for Summer), or courses with special restrictions. Contact the Student Success Center for overloads or conflicts.

Note: Registering in a course without meeting a course prerequisite is subject to disenrollment from that course.
