UNIVERSITY OF COLORADO  
AT COLORADO SPRINGS

Beth-El College of Nursing and Health Sciences at the University of Colorado at Colorado Springs is pleased to announce a committed and passionate effort to establish the ***Dr. Carole Schoffstall Endowed Chair***.

*“Every once in awhile we meet someone who is synonymous with a place, institution, agency or idea. In Carole Schoffstall we see that with Beth-El College of Nursing and Health Sciences.”*

— Marilyn Miller  
Chair,  
Beth-El Legacy  
Committee

**An Endowed Chair** honors the individual for whom it is named and the individual who holds the position. It enables the college to make a financial commitment to faculty and his or her area of passion creating an environment where excellent work and creative discovery occur. An endowed chair attracts the best faculty and practitioners in their fields and adds long-term stability to the college.

### **Dr. Carole Schoffstall Endowed Chair**

Dean Carole Schoffstall has touched many lives in Colorado directly and indirectly through her efforts to educate nurses and other health care professionals with high standards. Dr. Schoffstall attracts highly qualified and enthusiastic faculty who work with her creative vision and leadership to develop new programs, community partnerships and new care delivery models in an ever-changing health care environment that serve the community, state and the nation.
