About the Camp:

The UCCS ID Soccer Camps is for the advanced player with aspirations of playing at the next level, including freshman through seniors in high school and older (ages 15 and older). This is an commuter/overnight camp. Overnight campers will stay in on-campus dorms, eat all meals on campus, and have the advantage of playing night games. Commuter campers will eat all meals on campus and participate in all session but will provide their own housing accommodations.

Regardless of the ability, during the week each player will have opportunities to improve, sharpen and strengthen their skill level which will be showcased in camp games. Campers will have the advantage of playing alongside aspiring, incoming recruits and current players.

Goalkeepers will have the advantage of receiving specialized goalkeeping training during the day. At night, goalkeepers will be placed on teams for game play.

All sessions will be closely watched by the UCCS Men's Soccer Staff.
