**About our Camps:**

The UCCS Women’s Basketball Camps are intended for girls that have varying interests in basketball. We hope that our camps will excite, encourage and challenge each athlete to reach the next level of the game that she is aspiring to reach.

**Day Camp:**

This half day camp is intended for players of all ability levels ages 6-10. It is designed to introduce the game of basketball to the camper by teaching her the basic skills and fundamentals at an early age. In addition, our hope is to excite these young athletes about the game of basketball by playing games and interacting with our collegiate student-athletes. In addition to this camp, the camper has the option of adding the **RECREATION CAMP** in the afternoon. Here the camper will enjoy swimming, wall-climbing and other sports!

**Individual Skills Camp:**

Is intended for players of all ability levels ages 11-18. It is designed to prepare the camper for whatever level at which she aspires to compete at. Whether it is YMCA, middle school, high school or preparation for the collegiate levels, we will give the camper the necessary tools to improve her overall game. Each camper will receive not only an assessment, but information and drills to help improve her game! The camper has the option to choose to stay overnight in our incredible dorms or head home for a good night’s rest.

**OVERNIGHT CAMPER:**

(June 15-18th) By staying overnight in our Summit Housing Village the camper will be able to experience dorm life and have a chance to interact with our collegiate athletes who will be staying on campus. As an overnight camper, the athlete will have an EXTRA evening basketball session and “Late Nights with the Lady Mountain Lions” including a movie night, game night and skit night! In addition, each overnight camper will get to experience our wonderful Student Recreation Center complete with water slide and pool!

**Camp Testimonials:**

“This camp is truly designed to challenge players of all skill levels. The coaching staff is top notch in their instruction offering a progressive program in a friendly and encouraging environment. This is the only camp my daughter has attended for the past three years consistently and looks forward to continuing with it for years to come.”

*–Karla Cerjan, mother of a Doherty High School athlete*

“The UCCS basketball camp held by the staff at UCCS is fantastic. The staff and players give our daughter individual attention that you normally do not receive at other camps. They pay attention to each skill level and adjust their approach accordingly. Our daughter not only advances her knowledge but learns new techniques, drills and skills every year. Most of all, the friendships she makes not only with her peers but with the friendly staff and players is invaluable.”

*-Lisa and Rocky Granzella (Salida Head Basketball Coach)*
