

The Elizabeth Cushman Student Internship in Public Policy

established Fall 2004
University of Colorado – Colorado Springs

through the generosity of UCCS Economics graduate Elizabeth Cushman to
further the education of students in public policy research

The student awarded this internship will receive a \$500 credit toward their spring tuition and approximately \$135 per week during the spring semester. The student intern will assist with research on a mutually agreed upon topic of public policy study. This requires a regular commitment of 10-12 hours per week during the spring semester.

Preference will be given to Economics majors and minors with demonstrated ability to conduct library and web based research and to work with spreadsheets and basic level statistics.

Please submit to me in hard copy by December 10

1. a one page vita describing your academic and work history
2. spring course schedule and any other work hour constraints
3. a brief description of your reasons for being interested in the award
4. a university transcript
5. two letters of recommendation

Notification of the award will be by December 20.
