

UNIVERSITY OF COLORADO

UCCS Financial Aid and Student Employment
Student Authorization to
Pay Prior and Other Charges

Federal regulations require that Title IV financial aid funds (Federal Pell Grant, ACG and SMART Grant, Federal Perkins Loan, Federal Supplemental Educational Opportunity Grant, and Federal Stafford Loan) be used to pay for tuition, fees and room and board that are contracted by the University incurred during the term for which the aid is disbursed. Any amount remaining after these charges are paid should be refunded to the student, even if they owe for another term or for other charges.

If you want your Title IV funds to pay for other types of charges (e.g. short term loans), for prior term charges that are still outstanding, or for future term charges that may already have been billed, you may give us permission to do so. This authorization does not include outstanding charges from prior aid years.

If you wish to authorize us to pay other charges, please sign below and return to our office. You may revoke this authorization at any time by submitting a request to the Financial Aid office in writing.

I authorize use of Federal financial aid funds to pay prior term charges (not including prior aid year) and charges other than tuition, fees, and contracted room and board.
