

An epic journey from Source to Sea down the Colorado River

# RUNNING DRY

Colorado River Delta

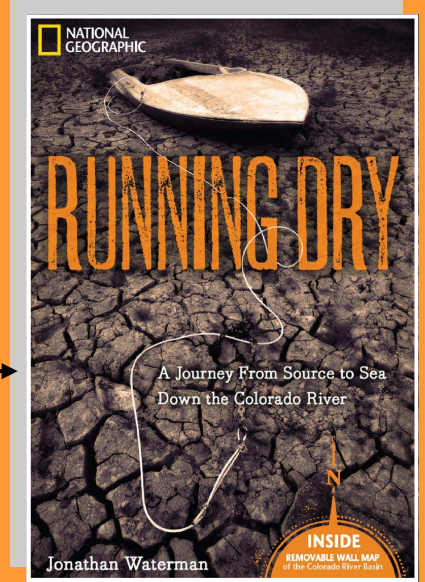

Presenting National Geographic Society author **Jonathan Waterman's** lecture about his unprecedented, 1450-mile paddle down the Colorado River. His adventure on a damaged river, shown through stunning images, is also a story of hope. *Followed by book signing.*

**Mon, April 4, 5<sup>30</sup> pm: Kraemer Family Library**  
**UCCS, 1420 Austin Bluffs Pkwy, CO Springs**  
**(719) 255-3068 / [www.uccs.edu/~library/spotlight.html](http://www.uccs.edu/~library/spotlight.html)**  
**Free & Open to the Public/Refreshments**
