

**CU-Colorado Springs**  
**College of Letters, Arts and Sciences**

**English/ Special Education Option**

Dr. Susan Taylor, English Department Chair  
Columbine Hall 1049, (719) 262-4036      sbtaylor@uccs.edu

- This program includes both LAS requirements for graduation plus Colorado requirements for Special Education teachers.
- Along with courses listed below Special Education teachers should complete SPED 3001 & 3002, by the end of their freshman year.
- Students apply to the College of Education as sophomores if accepted, they continue with the courses below plus education courses. If not accepted, students may continue the bachelor's degree in the major without the education option.

MATH 302 Math for Elementary Teachers II	3
<b><u>Elementary Teaching or Special Education</u></b> (See Education Advisor for specific courses)	39-40
<b>TOTAL CREDITS</b>	<b>120</b>

(OVER)

## Special Education at UCCS

**“Pre-Education” is a direction, not a major.  
If you intend to teach elementary school (K-6) or special education (K-12),  
this important information applies to you.**

---

1. Begin by taking general education classes your freshman and sophomore years. A cumulative GPA of 2.5 or above is required in all general education, major, and elective courses with the following exceptions: A grade of “C” or better is required for MATH 301 and 302. A grade of “B-“ or above is required in all education courses and in ENGL 131.
2. Meanwhile, select your major from:
  - Biology
  - English
  - Geography & Environmental Studies
  - History
  - Spanish
3. Declare your major with either an elementary or special education emphasis in the Student Success Center, Main Hall, 2<sup>nd</sup> Floor. If you would like to discuss major options or decide to change to secondary education (7-12), please see an advisor at the same location.
4. Attend a group advising session, presented by the College of Education, to discuss admission criteria and deadlines for the various teaching programs. Call (719) 262-4996 for dates and times.
5. When you graduate, you will have a bachelor's degree with one of the majors listed above, plus provisional licensure.

**Special Education:** Students interested in becoming special education teachers should complete SPED 3001, Introduction to Special Education, and SPED 3002, after completing at least 12 credit hours. You may apply to the **Special Education Licensure Program** after you have completed 30 hours of coursework. If you are accepted, you will take courses from your major and the general education requirements alongside of your teaching courses.

---

If you select (or already have substantial work toward) a major not listed above, you may finish your bachelor's degree and then apply to the post-baccalaureate track of the teaching licensure program. However, this will require a year of study beyond the bachelor's degree. In addition, you may be required to take extra undergraduate courses to meet Colorado's content standards.
