Objectives:

- ◆ Students of history gain an awareness of the variety of past human achievement and a perspective on how the world operates. History is as much about the future as about the past; when we understand historical forces which have shaped our lives, we may move ahead to forge a new future.
- ◆ In addition to the traditional courses in Western, American, Latin American and Asian civilizations, students may choose from a wide array of courses as diverse as the Twelfth-century Renaissance, Women in the American West, the Vietnam Wars, and Understanding the Modern Middle East.
- ◆ History students' versatility enables them to pursue careers in education, law, foreign services, import/export trade, public administration, banking, marketing and government.
- ◆ Get more involved on campus! Contact the ROAR office at roar@uccs.edu or 262-3470 for information.
