	<p>CHAPTER: Academic</p>	
	<p>SUBJECT: Principal Investigator Eligibility on Sponsored Programs</p>	
	<p>EFFECTIVE DATE: April 6, 2006</p>	
	<p>SUPERSESION: May 15, 2005</p>	
<p>OPR: VCAA</p> <p>VC: Academic Affairs</p>	<p>Approved by Pamela Shockley-Zalabak, Chancellor, on April 6, 2006</p>	

I. POLICY

Individuals holding tenured and tenure-track faculty positions or having the title of Research Associate, Senior Research Associate, Assistant Research Professor, Associate Research Professor, or Research Professor at the University of Colorado at Colorado Springs are eligible to serve as Principal Investigator. Furthermore, the individual is to have the necessary experience and independence to apply for and conduct his/her own program. Other individuals may be approved by the Vice Chancellor for Academic Affairs to serve as the Principal Investigator.

II. AUTHORITY FOR CAMPUS POLICIES

University of Colorado System Administrative Policy Statements (APS), "Sponsored Research Policies," May 14, 2001.

III. PURPOSE

The purpose of this policy is to specify who may serve as a Principal Investigator on externally sponsored programs at the University of Colorado at Colorado Springs (UCCS).

IV. DEFINITIONS

For the purposes of this policy, the term "Principal Investigator" includes Principal Investigator, Project Director and Program Director. This is the person who has been identified by UCCS and the sponsoring organization as the individual having primary responsibility for the intellectual and technical conduct and fiscal management of the sponsored program.

V. PROCEDURES

To initiate a request, a recommendation is required from the appropriate academic unit dean, or Center or Institute director. This recommendation is to include an acknowledgement that the academic unit, Center, or Institute takes full responsibility for the conduct of the project, both technically and fiscally. This recommendation is then forwarded to the Vice Chancellor for Academic Affairs, or designee, for approval. This approval is to be obtained prior to contacting the Office of Sponsored Programs for assistance in proposal preparation and/or submission.

VI. RESPONSIBILITY

A Principal Investigator's qualifications are confirmed by his/her academic unit dean or Center or Institute director, where appropriate, by the academic unit dean or Center or Institute director's approval to submit a given proposal.
