THE PERILOUS WORLD WHERE BOYS BECOME MEN  
UNDERSTANDING THE CRITICAL YEARS BETWEEN 16 AND 26

**MICHAEL KIMMEL**

AUTHOR OF *MANHOOD IN AMERICA*

*"For anyone who has ever longed to know what's really going on in a young man's life, rejoice: Guyland is a compassionate, unflinching dispatch from deep in the heart of young masculinity. Required reading for people who raise, teach, and love guys."*

— Rachel Simmons, author of *Odd Girl Out: The Hidden Culture of Aggression*

*"Guyland takes up where Real Boys left off...a must-read for parents, teachers, coaches, young women who are so confused by the guys in their midst—and for guys themselves who yearn to break free of unwritten rules that leave them half a man, rather than a whole person."*

— William Pollack, author of *Real Boys*
