UCCS COLLEGE OF EDUCATION ADVISORY BOARD (CAB)

Advisory Board’s Mission and Function

Function

The Advisory Board assists the College of Education in setting and achieving strategic objectives by providing insight, advice, and support relative to programs, curriculum, and accreditation initiatives while providing links to the various stakeholder communities.

Role of board members

- Provide advice and insight relative to the College’s vision and strategic direction.
- Provide information on the needs and views of our stakeholders.
- Provide feedback and advice on programs and curriculum.
- Communicate, endorse and advocate the College of Education’s interests to external constituencies such as school districts, community, business, and organizations/agencies.
- Provide a link to school districts, the community, businesses, and organizations/agencies.
