BECOMING A TEACHER AT UCCS!

Programs offered by the UCCS College of Education

Get Started Early

• Educational Psychology Class
  Take this class on campus with UCCS students while you are still in high school. Receive UCCS credit for this required course for both the Teacher Education and Special Education Programs. Part of the class grade comes from your Teacher Cadet work. The class meets Thursdays 4:30-7:05. Register through Extended Studies.

UCCS Credit and Field Experience Opportunities

• Receive credit for your Teacher Cadet work
  Waive courses required for the Teacher Education Program, equally 2 UCCS credit hours, or have up to 15 of your Teacher Cadet field experience hours count towards the field hours in the required Introduction to Special Education course.

• Get 1 UCCS elective undergraduate credit hour
  You can receive one UCCS credit hour by enrolling in this Extended Studies course and successfully completing your Teacher Cadet class.

Support for Your Success as a UCCS Student

• Freshman Seminar - Head of the Class
  Take this class focused on education, designed to help you adjust to UCCS and college life and learn about teaching. Participate in an elementary or middle school class.

• Association of Future Teachers Club at UCCS
  Join this club to meet other students interested in teaching, hear guest speakers, get involved in service and fun activities around campus and our community.
