Registration

How do I find my Registration Appointment? In the bottom right of your Student Self Service Center, there is a box entitled “Enrollment Dates.” Click on the “details” link and you will be taken to your individual registration appointment.

Course Adds: You may add full semester length courses without instructor permission until August 30, 2015. Students requesting to add a full semester length course after August 30 must obtain special permission from the instructor (Course Change Form or Permission Number must be utilized).

Course Drops: You may drop full semester length courses in your myUCCS Portal without penalty until September 10, 2015 (Census Date). Note: Shortened or condensed courses have different refund/drop deadlines. Full semester length courses dropped after the Census Date in your myUCCS Portal are non-refundable and will be assigned an automatic grade of W (Withdrawn). You may drop courses in your portal until October 30, 2015. After October 30, a Course Change Form or Complete Withdrawal Form must be obtained in the Office of the Registrar – Main Hall 108.

Census Date: After Census Date has passed (Thursday, September 10) please be aware that there is NO REFUND for dropped classes. After Census Date you will need to acquire appropriate signatures (Dean & Instructor) on a Course Change Form to add a full semester length course. Full semester length courses dropped in the myUCCS Portal after the Census Date will receive an automatic grade of W.

Withdrawals: This is when you withdraw from the semester completely. At this point you will no longer be enrolled in any classes for that semester. A 100% refund is given for a withdrawal before the Census Date. After Census Date, the refund will drop to 80%, then 60% corresponding to days in the semester. NOTE: This is the ONLY circumstance where a percentage of refund is given after Census Date. The refund is based upon the total tuition, not amount paid, excluding non-refundable fees.

Permission Numbers: If the course you wish to enroll in requires a permission number (Independent study courses, etc.), you will need to obtain one from the academic department that houses the course. When you enroll in the course, search and select the course as usual. Before you put the class in your shopping cart the system will confirm the class you’re adding. The confirmation panel is where you enter the permission number and then click “Next” to add the course to your shopping cart.

Waitlists: Closed courses may allow students to place themselves on a waitlist. Waitlists are like an electronic line and when a spot becomes available, the next person in line who meets the requisites of the course is automatically enrolled in the course. If you are on a waitlist, you should check your status regularly, especially if you are in the top five in line. Waitlists are purged for full semester length courses on August 31, 2015.
