The Aging Center specializes in addressing daily living challenges, social problems, and mental health needs that are unique to individuals in the second half of life. Assessment, treatment, and consultation services are provided.

The non-profit clinic operates as part of the Lane Center HealthCircle at the University of Colorado Colorado Springs (UCCS) and serves as a training facility for UCCS graduate students. The students are closely supervised by faculty who are licensed psychologists and experts in geropsychology.

WHOM WE SERVE

The clinic assists adults 55 years of age and older, their families, and other service agencies within the Colorado Springs community.
