Campus Course Add/Drop Policy

Drop:
The deadline to drop a course and receive a full refund can be found on the Academic Calendar Deadlines in the myUCCS Student Portal. Prior to the published deadline (census date), students may drop the course via the Student Portal. Campus-wide Extended Studies / Office of Online and Academic Outreach (CWES/OAO) provides instructions to drop a course.

After the published deadline, drops may be permitted based on extenuating circumstances. The student must complete a Course Add/Drop Request, signed by the course instructor and dean of the college, and submit the form to CWES/OAO for processing. There are no refunds on individual courses dropped after the published drop (census) date. Students receiving financial aid or veterans’ benefits should also contact the UCCS Financial Aid office and/or the appropriate certifying official.

Non-credit course drop deadlines are determined by prorating the normal term deadlines by the number of weeks the course meets. Students can see the deadlines in their student portal, after they register for the courses, by clicking on the calendar icon in their class schedule. There is a zero refund policy (no refunds) on non-credit courses dropped after the published drop (census) date.

**Note:** “There are no refunds on non-credit courses dropped after the course census date. Students can see the census deadline(s) in their student portal, after they register for the courses, by clicking on the calendar icon in their class schedule.”
