The University of Colorado Colorado Springs, along with the College of Business, was established in 1965. The College, which is accredited by The Association to Advance Collegiate Schools of Business (AACSB International), awards the Bachelor of Science in Business degree.

**GENERAL REQUIREMENTS**

All students enrolled in the College of Business are subject to academic policies and procedures as outlined in the University of Colorado Colorado Springs Academic Catalog. *Please read the 2014 – 2015 Catalog carefully.*

The undergraduate degree requires 120 semester (credit) hours with courses covering general education, general business, and specific areas of interest (emphases/minors).

**Upper-division Hours:** A minimum of 45 credits must be upper-division (3000 or 4000-level) course work.

**Residency:** Candidates for the BS in Business must complete a minimum of 30 credits of course work (to include the 18 credits in the area of emphasis and BUAD 4000 & 4500) as a College of Business student.

**Transfer Restriction:** A maximum of 60 semester hours of appropriate academic credit taken at a junior or community college may be applied toward the undergraduate degree in business.

The College reserves the right to disallow any credit that is not appropriate academic degree credit.

The College does not allow students to pursue a 2nd bachelor’s degree in business.

All students in AACSB Accredited programs must complete a minimum of 45 credits in business.

**The College of Business divides the curriculum into two components: Skills Courses and the Professional Program.**

Skills courses are completed in the freshman and sophomore years and provide students with a foundational knowledge of business skills and competencies. Skills courses must be completed with a C- or better and are the following courses: ACCT 201, ACCT 202, BUAD 3000, ECON 1010, ECON 2020, ENGL 1310, MATH 1040, MATH 1120, QUAN 2010, and QUAN 2020.

Upon the successful completion of the freshman and sophomore years, business students move on to the Professional Program. The Professional Program gives students the opportunity to gain knowledge of core business concepts but also allows students a focused area of study in their chosen emphasis. The Professional Program consists of the Junior Core classes (FNCE 3050, MGMT 3300, MKTG 3000, INFS 3000 and OPTM 3000), an emphasis (18 hours - courses depend on student’s choice) and two Senior Capstone courses (BUAD 4000 and 4500). All Professional Program courses must be completed with a C- or better.

Emphasis students must maintain the following criteria:

- 2.0 cumulative CU GPA
- 2.5 College of Business GPA
- 2.5 Area of Emphasis GPA
- Completion of all skills, junior core, capstone and emphasis courses with no grade below C-.

Students not meeting the above criteria will not graduate with a Professional Program Area of Emphasis, but may qualify for a General Business degree if their cumulative CU and Business GPAs are at least a 2.0.

**THE PRE-BUSINESS PROGRAM**

Students not admissible to the College of Business may take their first three semesters of the model degree program as a pre-business student in the College of Letters, Arts and Sciences. To continue taking business courses after the first semester sophomore year, a student must be admitted to the College of Business. For a pre-business student to be admitted to the College of Business, they must have completed at least 15 credit hours at UCCS, to include ENGL 1310 and MATH 1040 (or higher), and have a 2.7 CU GPA.
2014-15 MODEL DEGREE PROGRAM

The following four-year plan lists all the specific course requirements for the Bachelor of Science in Business degree. The order in which these courses are taken may vary with course availability. However, normal degree progress in the College of Business requires that students complete the degree in a freshman, sophomore, junior, senior sequence. Students are responsible for completing all course requisites; requisites are strictly enforced through the registration system.

Please consult the Schedule of Courses for specific course requisites.

All skills, junior core, emphasis, and capstone courses must be completed with a C- or better.

All classes are presumed to be 3 credits unless otherwise noted.

Overview of the Compass Curriculum
The Campus-Wide Education Program at UCCS

The Compass Curriculum is the campus-wide undergraduate education program at UCCS. At some campuses they have General Education, but this is so much more. It’s all directly tied to your personal and professional success after you graduate. Some components of the Compass Curriculum include:

**Gateway Program Seminar (GPS)** Introduces students to UCCS, the Compass goals, academic skill preparation, and oral communication, a key skill employers value.

**Explore Courses** Expose students to a breadth of disciplinary perspectives that shape decision-making. Students take one course focused on the Physical and Natural World, one on the Arts and Humanities, and one on Cultures, Society, Social and Economic Institutions, Health and Human Behavior. Students are encouraged to take courses from all colleges, including professional schools, which will count toward their overall GE program. Courses integrate High Impact Practices such as Writing Intensive, Inclusiveness, and common learning experiences (such as general chemistry for science majors).

**Advanced Core Courses** Taken in the third year, focus on the concept of “Knowledge in Action”; students learn and apply knowledge from a range of disciplines. These interdisciplinary courses are often team-taught, with a goal of informing students on how real world endeavors are informed by academic knowledge. Courses may include service learning, internships, and common learning experiences.

**Inclusiveness (Global/Diversity) Courses** Focus on preparing students for a society with diverse experiences, perspectives and realities, both in the US and, ideally, globally. May also focus on the dynamics and consequences of inclusion and exclusion. This course could be integrated into an Explore course or other courses that fulfill requirements in the students’ major.

**Sustainability Courses** Enable students to cultivate self-awareness and understanding of their impact on economic, social, or environmental sustainability at the local, national, and international levels. Aim to promote an understanding of sustainability as a set of conditions that enable humans to live compatibly with the environment to allow social and economic needs of present and future generations to be met. This course could be integrated into an Explore course or other courses that fulfill requirements in the student’s major.

**Writing Intensive Courses** One lower division and one upper division course focused around using writing for critical thinking and the concept of writing as a process. Students write, on average, twelve pages throughout the semester with peer review, revisions, and feedback on their writing. Ideally this course is in the major, however, this course could be integrated into an Explore course.

**Capstone Experience** Course or experience taken in the senior year in the major and designed to apply and integrate knowledge in the major. Encourages communication skill development employers would like our graduates to have.

**Model Degree Plan Notes:**

Notes:
1. Compass Curriculum Gateway Experience.
2. An open elective is any college-level course.
3. ACT and SAT scores will be used for placement in English courses. ENGL 1310 and 2080 are required for the Compass Curriculum Core Writing courses.
4. ECON 1010 fulfills the Compass Curriculum Explore 4C Society, Social & Economic Institutions requirement.
5. Students needing to take MATH 1040 or higher must take the university’s math placement exam. MATH 1120 fulfills the Compass Curriculum Quantitative Reasoning course requirement.
6. Choose an Explore 4B Arts, Humanities, and Cultures course.
7. Choose an Explore 4A Physical and Natural World course.
8. BUAD 3000 fulfills one of the two required Compass Curriculum Writing Intensive courses.
9. MGMT 3300 fulfills the Compass Curriculum Inclusiveness component.
10. Choose a Writing Intensive Course if not fulfilled in your Explore Arts, Humanities, and Culture course.
11. A business course is any course offered by the College of Business. These courses can also be minor courses.
12. All students must complete the University Composition Competency requirement prior to graduation. After completing both ENGL 1310 & ENGL 2080, students must enroll in PORT 30000 to submit their Writing Portfolio or enroll in an additional upper division writing course.
13. BUAD 4000 fulfills the Compass Curriculum Advanced Core Course.
14. BUAD 4000 fulfills the Compass Curriculum Sustainability component.
15. BUAD 4500 fulfills the Compass Curriculum Capstone requirement.
