

2017-18 ACCOUNTING MODEL DEGREE PROGRAM

The following four-year plan lists all the specific course requirements for the Bachelor of Science in Business degree with an emphasis in Accounting. The order in which these courses are taken may vary with course availability. However, normal degree progress in the College of Business requires that students complete the degree in a freshman, sophomore, junior, senior sequence.

Students are responsible for completing all course prerequisites; prerequisites are strictly enforced.

All skills, core, emphasis, and capstone courses must be completed with a C- or better.

All classes are presumed to be 3 credits unless otherwise noted.
