

The Elizabeth Cushman Student Internship in Public Policy

established Fall 2004
University of Colorado – Colorado Springs

through the generosity of UCCS Economics graduate Elizabeth Cushman to further the education of students in public policy research

The student awarded this internship will receive a \$500 credit toward their spring tuition. The student intern will assist with research on a mutually agreed upon application of economics to a public policy issue. This commitment of 8-10 hours per week during the spring semester will be compensated at \$11.50-13 per hour, based on student qualifications.

Preference will be given to Economics majors and minors with demonstrated ability to conduct library and web based research and to work with spreadsheets and basic statistics.

Please submit a complete hard copy packet by November 25

1. a one page vita describing your academic and work history and including your telephone and e-mail contact information
2. proposed spring course schedule and any other work hour constraints
3. a brief description of your reasons for being interested in the award
4. an unofficial university transcript
5. two letters of recommendation – one UCCS, one external work

Notification of the award will be in mid-December after I have had an opportunity to meet individually with the top candidates.
