REGISTRATION — ONLINE

READ Before Registering
Please read through ALL the registration instructions before registering.

All new undergraduates—freshmen, transfer and returning students are required to attend a new student orientation (see page 21). Registration occurs at orientation. Graduate students are not required to attend an orientation; but, may if they choose to. See page 21 for details.

New graduate, unclassified and current students will need to use their username and password to access the Student Self Service Center. New students will be assigned a campus username to access student systems prior to registering.

Your Invitation to Register
An “Invitation to Register” will be emailed to you before your assigned online registration appointment day/time. Once you receive your “invitation,” go to the home page www.uccs.edu, click on Students, then myUCCS Portal, log into the Student Self-Service Center and check the following:

Check the address on your Invitation to Register: If it is incorrect, please update it through your Student Self-Service Center, or visit the Admissions and Records Office in Main Hall, Room 108, to complete an Address/Phone Change form. Update and verify emergency contact information.

Make sure you have no financial, academic, or other holds that will prevent your registration.

Check your assigned enrollment appointment. You may register at or after your assigned time, but no later than June 16, 2016, for full semester length classes.

⇒ NOTE: Online Registration identifies a particular course section by a 5 digit “Class NUMBER.” Each number is unique and is found in the class schedule to the left of the section number. Be sure to have alternate selections listed in case the class is canceled or closed. Some courses require a separate Class Number for lecture, lab, and recitation.

Register Online

Select Courses => Put Courses in Shopping Cart => Move Courses from Shopping Cart into Schedule

2. Click on STUDENTS.
3. Click “MyUCCS Portal” and Log-on.**
4. Click on the “Student” tab, “Records and Registration” tab; and then, choose “Access Student Self Services.”
7. On the Add Classes to Shopping Cart page, enter the Class Number of the class you wish to add in the Enter Class Nbr field, or search for courses based on specific criteria.

⇒ You must complete the pre-registration tasks of confirming or updating all addresses; emergency contact; and agree to your financial responsibility, before you will be able to register.

Courses will remain in the Enrollment Shopping Cart until you complete the enrollment process. Placing courses in the shopping cart does not hold a spot for you.

⇒ NOTE: You are NOT fully enrolled in courses until courses are moved from your Shopping Cart and posted to your class schedule.

8. To place courses into your schedule, check the select box next to the classes you want from your shopping cart and click the “Step 2 of 4 Button”. If space is available and there are no requisites, or conflicts, click the “Finish Enrolling” button at the bottom of the screen, to register.

⇒ NOTE: You may search for and select classes before your registration time and place them in your Shopping Cart. Then at your assigned time select “Enroll” from your Shopping Cart and click “Finish Enrolling.”

9. At the end of your registration session, be sure to print a copy of your course schedule.

Understanding Waitlists
Closed courses may have waitlists. If you try to register for a closed class which has a waitlist, you will need to select the Class Details link and check the Waitlist box. The message, “Waitlist if class is full,” will display. As openings occur in a waitlisted course, you will automatically be registered in the course.

It is your responsibility to check your waitlist positions and enrollment status in the web registration system.

You will be financially responsible for the courses that change from waitlist status to registered status.

Waitlists are deleted after the last day to add online has passed. If you are still on a waitlist when the purge occurs, you will be dropped from the waitlist. For full semester length classes, waitlists will be deleted on June 17.

⇒ NOTE: After waitlists are purged you may still add courses with instructor written permission through June 20, after which you will also need the dean’s signature.

Time Conflicts, Credit Overloads, and Requisites
The registration system will not permit you to register for time conflicts, credit overloads (over 18 hours, fall or spring and 12 hours for summer), or courses with special restrictions. Contact the Academic Advising office for overloads. Add slips with appropriate signatures of approval are required for time conflicts and course restrictions/requisites.

⇒ NOTE: Registering in a course without meeting a course requisite is subject to disenrollment from that course.

After your initial registration, you may drop a course or add additional classes.

⇒ WARNING⇒
Always print your schedule at the end of each online registration session for your record.
**ADDITIONAL REGISTRATION INFORMATION**

**Adding Courses**
The deadline to add full semester length courses through MyUCCS Portal without permission is **June 16**. Courses may be added with instructor permission (permission number or add form) through census day, June 20. After this date courses must be added in person at the Admissions and Records Office with approval signatures from the instructor and dean. All courses added after the respective course census date will be subject to standard billing processes and associated adjustments. If a student does not register for their first full-semester class(es) until after Census Date, a $50 late registration fee is assessed.

**Enrollment Status**
The definitions for full-time/part-time enrollment are as follows:

1. A full-time undergraduate degree student is one who is enrolled for at least 12 credit hours each semester. Undergraduate degree students are considered part time when they are enrolled for fewer than 12 hours. These criteria also apply for unclassified students without a degree.

2. A full-time graduate student is one who is enrolled for 5 semester hours of graduate level course work, or at least 8 semester hours in a combination of graduate and undergraduate course work acceptable for graduate credit, or any number of thesis/dissertation hours.

3. Unclassified students with a degree-seeking student loan deferment must be enrolled for 12 semester hours to be considered full-time.

**Concurrent Registration**
A student may enroll at another CU campus for no more than 2 courses or 6 semester hours in the fall and spring (whichever is greater) or 3 hours in the summer with the approval of the academic dean. Tuition and fees will be assessed at the student’s home campus rate. Students must be enrolled at the home campus and classified as degree students. Concurrent registrations will only be approved for courses that are required for graduation and are not available at the home campus.

Concurrent Registration forms are available in the Admissions and Records Office. Concurrent registration deadlines are the same as regular registration deadlines.

Students who register at more than one campus of the University must apply, be admitted and pay tuition and fees to each campus for the number of credits carried at each campus.

**Credit Changes**
To change credit for variable credit courses you are registered in, complete a Credit Change form at the Admissions and Records Office. Deadlines and rules for changing are the same as for DROP/ADD. Students may also use the course ‘Edit’ feature in their myUCCS Portal to edit (increase or decrease) the amount of credits they wish to take for a variable credit course. This functionality is not available after June 20. Applies to full semester length courses. Exceptions are noted below.

**PLEASE NOTE:** After **June 20**, courses in the College of Letters, Arts, and Sciences, the School of Public Affairs and the College of Business require dean's approval for credit change. If you are receiving Veterans' benefits, you must obtain applicable approval signature.

**Dropping a Course**
The deadline to drop a full semester course without instructor and dean signature is July 13. After this date, signatures from the instructor and dean are required. **PLEASE NOTE:** Financial Aid or Veteran benefit recipients are strongly encouraged to verify the impact of the requested course change(s) on their eligibility and funding.

**NOTE:** To find specific course deadlines, log into your MyUCCSPortal, locate your classes under “academics” and click on the “deadlines” icon to the left of the class. Another window will open with the deadline information. It can also be found when you click on “My Class Schedule” for each course. SHORT COURSES (those that do not meet for the entire term such as “Pre-Term” and “intensive” courses) have special academic and financial deadlines. Click “Deadlines” by your classes in the Student Self Service Center to see these deadlines.

**IMPORTANT**
**NO REFUND** for full semester courses dropped after June 20, if you have at least one course remaining in your schedule. If you are dropping ALL of your courses, the University considers you to be WITHDRAWING. See WITHDRAWING in this section for more information.

**No-Credit Enrollment**
Students wishing to enroll for no credit must pay regular tuition. To register for no credit, the student should complete a Credit Change form at Admissions and Records. Deadlines and rules for changing are the same as for DROP/ADD. Exceptions follow.

**PLEASE NOTE:** Courses in the College of Business, School of Public Affairs (graduate level courses) and Beth-el College of Nursing & Health Sciences cannot be taken for no credit. The College of Letters, Arts, & Sciences requires the dean's approval after June 20.

**Pass/Fail Enrollment**
Pass/Fail regulations vary according to the school or college offering the course and the student’s college. Please check with the Academic Advising office for the limits that may exist for taking courses in a given term and/or the maximum which may count toward graduation.

To enroll Pass/Fail, enroll in the course following normal enrollment procedures. Once you are enrolled, complete a Pass/Fail Registration form at the Admissions and Records Office. The deadline for pass/fail registrations is June 20.

**NOTE These Exceptions:**
With the exception of BUAD 3010, 3020, and 3030, business students need permission of the advising office to take a non-business elective pass/fail.

Graduate level courses in the School of Public Affairs and Nursing and Health Sciences courses cannot be taken on a pass/fail basis.

**Graduate Students**
Please refer to the Graduate School policies and procedures. In reference to pass/fail grading: [http://www.uccs.edu/~gradschl/](http://www.uccs.edu/~gradschl/)

**Class Schedule Changes**
Changes to the class schedule will be listed on the web weekly:

1. Additions
2. Cancellations
3. Day and Time Changes
4. Room Changes
Withdrawal & Refund Policies

NOTE: The most recently updated course changes can be found online throughout the registration period at http://www.uccs.edu/~cic/.

Withdrawal from School

Important note: The University defines WITHDRAWING as the termination of your enrollment for the term. You are no longer registered for ANY courses. You have completed NO courses.

Withdrawal refunds are based on appeals submitted by the published deadlines outlined below. Rebates/Adjustments are made less any non-refundable fees such as the matriculation and campus I.D. fee.

Parking permits MUST BE RETURNED to the Parking Services Office IMMEDIATELY after withdrawing from UCCS by the dates and times stated below in order to obtain a refund. Parking Services is located on the first floor of the Public Safety building, just east of the parking garage.

If you live in on-campus housing, you must fill out a housing petition to cancel your housing agreement. This form is available online at http://www.uccs.edu/residence, or at the Monarch or Crestone Offices. If you do not do so, you will be responsible for all of your housing charges for the semester. This should be done AFTER you withdraw from the University. Please see your Student Handbook and Planner for refund details; they are different than the tuition and fees schedule.

Withdrawal Procedures

Until 11:59 pm, June 20, MyUCCS Portal must be used to withdraw from school and receive a 100% refund for regular semester classes (less any non-refundable fees):

To withdraw from school after July 13:

1. Obtain the Withdrawal Form from the Admissions and Records Office.
2. Financial Aid recipients may be required to repay their financial aid. Veteran’s benefits recipients will be required to repay benefits.
3. Take the Withdrawal form to the Bursar/Cashier Window (Main Hall, second floor) for approval.
4. Submit the Withdrawal form to the Admissions and Records Office for final approval and recording. WITHDRAWALS are recorded and become effective when the completed Withdrawal form is received at the Admissions and Records Office.
5. Unless you follow these procedures, you have not withdrawn, “F” grades will be recorded on your record, and you will be liable for full payment of all tuition and fees.
6. If students withdraw during a published refund period, the refund processing will begin approximately 2 weeks after a withdrawal is complete.
7. RETURN your parking permit to the Public Safety Office, Pkg Garage/ Pub Safety Building 104.

Financial Aid recipients who do not properly withdraw and receive “F’s” will have enrollment verification forms sent to their instructors. The withdrawal date will be calculated according to the last date the student attended class. If this falls within the first 60% of class, some or all of the financial aid may have to be repaid. Veterans using benefits who stop attending a class (or classes) at any time during the semester and receive an “F” grade will have to repay Veteran’s Benefits.

TUITION & FEES

Safety and Transportation Fee
All students are automatically charged a Transportation & Safety fee. This is not a parking fee and is not used for parking facilities. The fee is used to provide enhanced police and shuttle services from far parking lots to the campus. The fee for the summer 2016 semester is $42.35.

Non-restricted Parking Areas
Students who do not wish to purchase a summer permit to park on the main campus may park free of charge at 500 series lots and near the Ent Center for the Arts (formerly known as the Four Diamonds Sports complex), 5225 N. Nevada Ave. Free bus service between Ent Center for the Arts and the main campus (Centennial Hall) is offered during the semester from 6:40 a.m. to 10:35 p.m. Monday through Friday. Shuttles do NOT operate between semesters. Shuttles during summer semester usually depart about once every 25 minutes. For detailed transportation schedules, including bus service to and from University Hall, visit the Parking & Transportation website at www.uccs.edu/pts and click on Transportation.

**ACADEMIC PROCEDURES**

**Academic Advising**
See Student Resources

**Commencement**
Commencement is held twice a year at the end of the fall and spring semesters. All undergraduate and graduate students graduating during the summer semester can participate in the December Commencement ceremony. The December 2016 ceremony is Friday, December 16 at 2:00 p.m.

**Declaration of Major**
Policy of the Board of Regents requires that students declare a major by the time they have 60 hours towards their degree - by the start of their Junior Year.

**Degree Audit**
A degree audit provides current information as to a student’s academic status: requirements to be completed and requirements remaining. Available via the UCCS Student Portal by accessing Records and Registration and clicking on Access Degree Audit, or from Academic Advising, 2nd Floor, Main Hall, 719-255-3260.

**E-Mail Policy**
UCCS uses e-mail as an official means for communicating with students. To ensure students have access to this critical form of communication, students will be assigned a campus e-mail account at the time of acceptance at UCCS. Students are expected to check their official e-mail address on a frequent basis, in order to stay current with university communications. It is recommended that students check their official e-mail account at least once a week because some notices may be time sensitive. E-mail communication will be used to replace printed communication. In addition, faculty may use the e-mail account for their courses. Details about campus e-mail policies can be found at www.uccs.edu/helpdesk.

**Enrollment Verification/FERPA (Student Permission) Forms**
Current students can view their enrollment history, print enrollment verifications, complete and submit FERPA (Student Permission) Forms, and check loan deferments sent to their lenders by logging into the MyUCCS Portal using their student logon and password. The Enrollment Verification and FERPA Form links are available in the Academic Resources section of the Student Portal. For questions, please contact registrar@uccs.edu or 719-255-3361.

**Final Grades**
Faculty are urged to POST grades ONLINE no later than 90 hours after the final exam.

Grades will be accessible for student viewing and printing on the web through the Student Self Service Center.

⇒**NOTE:** PLEASE REFER TO THE STUDENT PORTAL TO SEE GRADES.

An official copy of grades can be obtained by ordering an official transcript.

**Graduation**

**Requirements for Bachelor’s Degree Candidates**
Students who expect to graduate at the end of the term must contact their academic advisor in the college/school from which they expect to receive the degree. In addition they must apply to graduate no later than the first week of classes. Only those students who have contacted their academic advisor and applied to graduate may be certified for graduation. Students who are graduating from Business, Engineering, LAS, Health Sciences, or Public Affairs should contact Academic Advising the semester before their planned graduation for the Senior Audit appointment.

**Requirements for Master’s & Doctoral Degree Candidates**
Any candidate for a graduate degree is required to take a comprehensive examination, and/or thesis/dissertation defense, and/or capstone project according to departmental requirements after the other requirements for the degree have been substantially completed.

To be eligible for graduation, students must:
- fulfill appropriate requirements as established by their major department and the Graduate School
- complete and have approved the Application for Admission to Candidacy form and the online Diploma Card
- successfully pass the comprehensive examination, thesis/dissertation defense according to the following deadlines:

**Early in the Summer Semester:**
Complete the Application for Admission to Candidacy, any Transfer of Credit from another school if needed, the online Diploma Card and the Departmental comprehensive exam, project, report, thesis/dissertation defense forms and submit to major department, by June 17, 2016. Department submittal to Graduate School by June 24, 2016.

No later than August 5, 2016: Submit thesis/dissertation to library.

By August 16, 2016: Program must process all grade changes for any incomplete grade in courses needed for the degree, submit graduation paperwork, and the final graduation memo to the graduate school.

**Candidate for Degree**
Students who are not taking regular courses during the term in which the comprehensive exam or thesis defense occurs must enroll as “Candidate for Degree.” Tuition for “Candidate for Degree” enrollment is the equivalent of one semester hour resident graduate tuition, plus appropriate fees described in the “Tuition and Fees” section of this Schedule. A student need not be registered to submit the thesis/dissertation. Students on F-1 visas need to check with their international student advisors for minimum registration requirements. Copies of the University Thesis Manual and Dissertation are available in the departmental offices, www.uccs.edu/gradschl, the Graduate School, and the Library. Students using human, animal and biohazard subjects in research must obtain approval from the appropriate committee (IRB, IACUC, IBC) before beginning such research. Please consult the Office of Sponsored Programs website for compliance information, www.uccs.edu/~osp.

**Degrees**
Degrees are verified, awarded, and posted approximately 7 weeks after the end of the semester.
Honor Code
Academic honesty and integrity are vital elements of a dynamic academic institution. The responsibility for ethical conduct rests with each individual member of the academic community: students, faculty, and staff.

The University of Colorado Colorado Springs has an ongoing commitment to maintain and encourage academic integrity. Copies of the University's Academic Honor Code, a set of standards of academic honesty and procedures governing violations of these principles, are available in the University Library, the Office of Dean of Students, or the Vice Chancellor’s office.

Forms of Academic Dishonesty
- **Plagiarism:** Use of distinctive ideas or words belonging to another person, without adequately acknowledging that person’s contribution.
- **Cheating:** Intentionally possessing, communicating, using or attempting to use unauthorized (by the instructor) materials, information, notes, study aids, or other devices, in any academic exercise.
- **Fabrication and Falsification:** Intentional and unauthorized alteration or invention of any information or citation in an academic exercise.
- **Multiple Submission:** Submission of substantial portions of either written or oral academic work which has previously earned credit, when such submission is made without instructor authorization.
- **Misuse of Academic Materials:** Intentionally or knowingly destroying, stealing or making inaccessible, library or other academic resource material.
- **Complicity in Academic Dishonesty:** Intentionally or knowingly contributing to the academic dishonesty of another.

These examples of academic dishonesty are not comprehensive, and infractions will be dealt with on an individual basis. Each student is expected to assist in the enforcement of academic standards. Infractions should be first brought to the attention of the instructor, then to the dean of the college.

Orientation for New Students
Sessions of the New Student Orientation, which include academic advising and class enrollment, will be held before the start of each semester for all new students. The sessions will prepare new students for their initial class enrollment and help ensure their success at UCCS. Attendance is required for all new undergraduate students before they will be allowed to register for classes. Because classes are filled on a first-come, first-served basis, students should attend the earliest program possible.

Academic advisors will be available to answer questions and help students plan their class schedules so they can register that same day.

For the dates and times and to register for orientation sessions, please go to [http://www.uccs.edu/orientation](http://www.uccs.edu/orientation). Specific questions regarding new student orientation should be addressed to 719-255-3098, or check the campus web site at [http://www.uccs.edu/orientation](http://www.uccs.edu/orientation).

Orientation for Graduate Students
Graduate students are NOT required to attend an orientation unless otherwise instructed to do so by the program in which they plan to enroll. Students on F-1 visas need to check with their international advisors for orientation requirements. The Graduate School hosts a New Graduate Student Welcome Reception at the beginning of the fall and spring semesters, and new students are encouraged to attend. Contact the Graduate School at 719-255-3072 or [gradinfo@uccs.edu](mailto:gradinfo@uccs.edu) for more details. Please visit their website for information [www.uccs.edu/~graduateschool/](http://www.uccs.edu/~graduateschool/).

Student Outcome Assessment Agreement
UCCS requires a series of student outcome assessments at the beginning of the freshman year and at the end of the sophomore and senior years as part of the educational experience. Assessments are kept confidential and will not affect a student’s academic standing. Assessments are used along with other students’ test scores to identify relative strengths and weaknesses in the educational program for the continual improvement of UCCS.

Transcripts
Official transcripts with posted grades are available approximately three weeks after the end of the term. A transcript on which a degree will be recorded is available approximately eight weeks after the end of the term. Current students are advised to view their unofficial transcripts to make sure grades and/or degrees are posted before ordering official transcripts.

Official transcripts can only be ordered through the transcript ordering portal at [www.uccs.edu/registrar/transcripts.html](http://www.uccs.edu/registrar/transcripts.html). Expedited processing includes Electronic/PDF, Federal Express, and Pickup with easy online payment. Paper transcripts are available and will be processed within 3-5 business days and sent through U.S. Postal Service.

Transcript orders can be requested online [www.uccs.edu/registrar/transcripts.html](http://www.uccs.edu/registrar/transcripts.html) through U.S. Postal Service, or in person. The University of Colorado Colorado Springs does not accept transcript orders via fax, email, or phone.

Note: Official transcripts cannot be printed for students with any outstanding financial obligations to the University, or if any restrictive holds have been placed on the student’s record (see pg. 7).

Currently enrolled Colorado Springs students can view/print their unofficial transcript by accessing their myUCCS Portal. Unofficial transcripts are not available to former students or alumni. If you are a former student or alumnus, you will need to request an official transcript through the transcript ordering portal ([www.uccs.edu/registrar/transcripts.html](http://www.uccs.edu/registrar/transcripts.html)).

For additional information, please visit [www.uccs.edu/registrar/transcripts.html](http://www.uccs.edu/registrar/transcripts.html). If you still have questions, please email [registrar@uccs.edu](mailto:registrar@uccs.edu) or call 719-255-3376.

On-campus (hourly/non work-study) employment is available to full-time or part-time degree status students and full-time unclassified students. Additionally, during the summer, degree-seeking students may work on campus without being enrolled, if they were enrolled as half-time students during the previous spring semester and will return in the fall semester. Jobs are generally part-time and are listed throughout the year depending on employer needs. However, the majority of openings are at the beginning of each term.

UNIVERSITY POLICIES

A complete listing of all University policies can be found on the website of the Vice Chancellor of Administration and Finance: www.uccs.edu/vcaf/policies.html. This website includes policies of the entire CU system as well as UCCS-specific policies. Below are some of these policies.

Affirmative Action
The University of Colorado Colorado Springs follows a policy of equal opportunity in education and employment. The University does not discriminate on the basis of race, color, national origin, sex, age, disability, creed, religion, sexual orientation, gender identity, gender expression, veteran status, political affiliation, or political philosophy in admission and access to, and treatment and employment in, its educational programs and activities. The University takes action to increase ethnic, cultural, and gender diversity, to employ qualified disabled individuals, and to provide equal opportunity to all students and employees. Under Colorado state law, sexual orientation includes a person’s orientation toward heterosexuality, homosexuality, bisexuality, or transgender status. This policy applies to all areas of the University affecting present and prospective students or employees.

The institution’s educational programs, activities, and services offered to students and/or employees are non-discriminatory and consistent with State Affirmative Action guidelines, as well as with Federal laws and orders.

For information about these provisions on equity, discrimination, or fairness, as well as internal and external complaint procedures, contact the Office of Institutional Equity, Academic Office Building, Room 528/530 719-255-4324.

UCCS Affirmative Action/Equal Opportunity Policy Statement
The University of Colorado Colorado Springs is committed to creating and maintaining a work and study environment for faculty, staff, and students that does not discriminate on the basis of race, color, religion, sex, age, political affiliation, national origin, individual handicap, sexual orientation, or veteran status. All employees, faculty and students must be allowed to work, study and teach in an environment that is free of unwanted sexual overtures which undermine the integrity of employment, teaching, and faculty-student relationships. The University of Colorado Colorado Springs is as a matter of principle and legally committed to the cause and spirit of affirmative action and equal opportunity. As Chancellor, I wish to emphasize my professional and personal commitment in assuring that the implementation of affirmative action programs thus yield positive, tangible results at UCCS.

Effective implementation requires the involvement, participation, and support of all segments of the University. Positive, good faith efforts will be required of everyone, but particularly of those individuals who are responsible for recruiting, hiring, evaluating, and promoting others. Performance in this area will be an important element in the evaluation of all campus administrators and supervisors. The Office of Institutional Equity is available to assist all employees, faculty, and students in this important area.

Colorado Rioting Act
No person who is convicted of a riot offense shall be enrolled in a state-supported institution of higher education for a period of twelve months following the date of conviction. A student who is enrolled in a state-supported institution of higher education and who is convicted of a riot offense shall be immediately suspended from the institution upon the institution’s notification of such conviction for a period of twelve months following the date of conviction; except that if a student has been suspended prior to the date of conviction by the state-supported institution of higher education for the same riot activity, the twelve month suspension shall run from the start of the suspension imposed by the institution. Nothing in this section shall be construed to prohibit a state-supported institution of higher education from implementing its own policies and procedures or disciplinary actions, in addition to the suspension regarding students involved in riots stipulated above. (Colorado Revised Statutes, 23-5-124).

Drugs and Alcohol
In compliance with the Drug Free Schools and Communities Act, the University of Colorado Colorado Springs prohibits the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance, or of illicit drugs and alcohol, on university property or as part of any university activity. This prohibition applies to all students and to all employees. Any employee (including student employees) who act in violation of the above policy also results in a conviction under a criminal drug statute must report the conviction in writing to the employee’s departmental supervisor within five days. The University, in turn, may be obliged by law to report certain convictions to the federal government.

The University, through regulated law, established governance committees, procedures, and state laws and policies, will impose sanctions for violation of this policy, which may include but is not limited to mandatory participation in a rehabilitation program, or disciplinary action such as reprimand, suspension, salary reduction, demotion, or termination of employment for employees, and for students a warning, probation, suspension, or arrest. The University of Colorado Colorado Springs prohibits the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance, or of illicit drugs and alcohol, on university property or as part of any university activity.

In addition to the imposition of legal and financial consequences associated with the abuse of drugs and alcohol, the physical and psychological effects of such abuse can have a devastating effect upon the ability to perform physical and intellectual skills required of a student or employee. It can also impair the ability to develop and maintain the interpersonal skills and the working relationships essential to an effective environment.

The University of Colorado Colorado Springs provides education, counseling, and referral for rehabilitative treatment relating to drug and alcohol abuse. Students should contact the Counseling Center for additional information.

Privacy Act - FERPA
The University of Colorado Colorado Springs informs students of the Family Educational Rights and Privacy Act (FERPA) of 1974. The University intends to comply fully with the Act, which was designated to protect the privacy of education records, to establish and maintain the rights of students to inspect the privacy of education records, to establish the right of students to review their educational records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings.
Students also have the right to file complaints with the Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act. Parents and eligible students who need assistance or who wish to file a complaint under FERPA or PPRA should do so in writing to the Family Policy Compliance Office, sending pertinent information through the mail, concerning any allegations to the following address:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202  
1-800-USA-LEARN (1-800-872-5327)

The complete policy can be found in the University library and the Office of the Registrar web site. Information is also published in the Catalog.

The University of Colorado Colorado Springs (UCCS) has designated the following as directory information: student name; student address (mailing and permanent); telephone number; campus e-mail address; dates of attendance; previous educational institutions attended; School/College or division of enrollment; majors/minors and field of study; class level; degree(s), honors and awards applied for or conferred (including certificates, thesis and dissertation titles) and dates conferred with location; enrollment status; expected date of completion or graduation in enrolled course of study; student employment; College Opportunity Fund application and authorization status for Colorado residents; past and present participation in officially recognized activities and sports (including height and weight of athletes); and photo of student (Student ID).

Although these items are designated by the institution as directory information, only a limited amount of this information is routinely disclosed by UCCS officials and the University retains the discretion to refuse to disclose directory information if it believes such disclosure would be an infringement of your privacy rights.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. Examples of a school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position including law enforcement unit personnel and health staff; a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; reporting to CO Dept of Education, Student Clearinghouse or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her duties.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the university discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

Currently enrolled students may withhold disclosure of directory information under the Family Educational Rights and Privacy Act of 1974. To withhold disclosure, written notification must be received in the Office of the Registrar. Forms requesting the withholding of “directory information” are available at the Admissions and Registrar’s Offices. The University of Colorado assumes that failure on the part of any student to request specifically the withholding of “directory information” indicates individual approval for disclosure. Questions concerning the Family Educational Rights and Privacy Act may be referred to the Office of the Registrar.

**Residency Classification For Tuition Purposes**

A student is classified initially as an in-state or out-of-state registrant for tuition purposes at the time an application and all supporting credentials have been received in the Office of Admissions and Records. The classification is based upon information furnished by the student and from other relevant sources. The requirements for establishing residency for tuition purposes are defined by law of the State of Colorado (Chapter 23, Article 7, Colorado Revised Statute 1973, as amended).

**NOTE: Due to the complexity of the statute, detailed information should be obtained directly from the Office of Admissions and Records, 719-255-3361.**

After the student’s status is determined, it remains unchanged in the absence of satisfactory evidence to the contrary. Classification standards conform to state statutes and judicial decisions and are applicable to all of Colorado’s state-supported colleges and universities.

The student who, due to subsequent events, becomes eligible for a change in classification, whether from out-of-state or the reverse, has the responsibility of informing the tuition classification officer, Office of Admissions and Records, after such a change occurs. If an adult student or an emancipated minor establishes domicile outside of Colorado, he/she is to send written notification within five days to the tuition classification officer.

**Petitioning for Classification Change**

Any student who is 23 years of age or older, or is an emancipated minor as defined by law, is qualified to change his domicile and his or her tuition classification status. Detailed instructions as to the procedure to follow and the necessary petition forms are available from the tuition classification officer, University of Colorado Colorado Springs, Office of Admissions and Records.

**Classification Notes**

1. Petitions will not be acted upon until an application for admission to the University and complete supporting credentials have been received.
2. Changes in classification are made effective at the time of the student’s NEXT registration term.
3. A student who willfully gives wrong information to evade payment of the out-of-state tuition is subject to legal and disciplinary action.
4. Petitions must be submitted by June 13, 2016, for the summer 2016 term.
5. Late petitions will not be considered until the next term.

**Residency-Active Duty Military**

Special rules apply to active duty members of the U.S. and Canadian armed forces who are permanently stationed in Colorado, and their dependents. Military Certification Forms are available at base/post education offices, that once certified, give in-state tuition rates. These students, if undergraduate, also qualify to receive the Colorado College Opportunity Fund (COF) to be applied toward their tuition.
Student Conduct

The University of Colorado Colorado Springs has established a code of conduct. Standards of Conduct to maintain the general welfare of the University community. The University strives to make the campus community a place of study, work and residence where people are treated with civility, respect and courtesy. Admission to the University carries with it the expectation that students will be responsible members of the campus community. This includes respecting the personal safety and individual rights of all in the University community, acting in accordance with accepted standards of social behavior and abiding by the regulations of the University and the laws of the city, state and nation. The Standards of Conduct clearly state the University’s expectations for student behavior. Students are expected to become familiar with these standards and fully understand their responsibility as University community members.

The Standards of Conduct apply to all students at UC, regardless of designation, program, or residence. These regulations apply primarily to misconduct on University premises; however, off campus violations that may impact the University’s mission fall under the jurisdiction of the Office of the Dean of Students and may lead to disciplinary action.

The Standards of Conduct help to promote a safe and civilized campus environment. All students enrolled at UC are required to abide by these standards or they will be subject to discipline. An attempt to commit an act prohibited by these standards or attempts to aid, abet or incite others to commit acts are subject to discipline to the same extent as a completed act. Similar standards of conduct apply to other members of the University community, faculty, staff and visitors. Allegations of any violations should be directed to the office of the Office of the Dean of Students for resolution.

UNIVERSITY POLICIES
The Colorado Department of Health and Environment requires any student who is enrolled for one or more classes, born January 1, 1957, or later, be immunized against Measles, Mumps and Rubella (German Measles) (MMR), or provide documented proof of immunity. **Individuals born before January 1, 1957 are presumed immune and are exempt from the immunization requirement.**

In order to meet this State Health Dept requirement, four options are available to you:

1) Provide proof of immunity consisting of an official Certificate of Immunization, signed by a physician, nurse, or school health authority, which documents **two doses of rubeola measles, mumps, and rubella measles vaccine.** A completed immunization certificate must:

   A) Include month, day and year of vaccination.

   B) Indicate, when applicable, that the first dose of MMR was administered on or after the first birthday and at least one month apart.

   C) Include a signature or stamp of a doctor, nurse, or school health authority, official letterhead, or have as an attachment, other signed documents evidencing immunity.

   **Note: Documentation can be obtained from several sources: medical records, former college or high school records, military records, or personal/family (certified) shot records.**

2) Blood test results, called “titers” proving immunity to all three diseases (rubeola measles, mumps and rubella measles) are acceptable.

   **Note: The lab tests MUST be shown for all three diseases in order to meet the requirements.**

3) Sign a personal, religious, or medical exemption. This option is available for people who are unwilling or unable to provide proof of immunizations.

   **Note: By accepting this option, it is stressed that in the event of an outbreak, the Colorado Department of Health and Environment may dismiss all students with an exemption from campus for the duration of the outbreak.**

4) The MMR immunizations are available for all students at the Wellness Center by appointment, or you may contact your personal health care provider or local Health Department to schedule an appointment to obtain the vaccine.

   **Note: For the students who are unable to acquire any proof of immunization, the immunizations are a series of two shots, thirty days apart.**

This Certificate of Immunizations form should be completed or a COPY of your two CERTIFIED MMR's should be mailed or faxed to the Wellness Center prior to, or upon your arrival on campus.

A student’s business program/catalog year is the one in effect at the time of a student’s most recent admission to UCCS College of Business or to LAS University Studies Business Intent. Transfer students from Colorado Community Colleges may follow the graduation requirements in effect during the academic year the student began their study at the community college if they complete the AA Business Option (restrictions apply, please see UCCS Academic Advising). All others are evaluated on a case by case basis. The student bears primary responsibility for the fulfillment of degree requirements.

Administrative Drops
Business faculty or the dean MAY drop students for lacking proper course prerequisites and/or class standing. Business faculty also may drop students who do not attend the first class without prior permission from the instructor. This policy allows the adding of waitlisted students who attend the first class.

Course Fees
All students taking courses in the College of Business will pay a technology fee based upon the course subject heading. For Information Systems (INFS) and Quantitative Studies (QUAN) courses, the fee will be $15 per semester hour. For all other College of Business courses, the fee will be $5 per semester hour. Online business courses require a $100 fee. The maximum fee charged to a student for all College of Business courses taken in a semester is $120 except for PGMT and online courses.

Graduating Students
All students graduating from either the undergraduate or graduate program must contact the appropriate College of Business advising office for a complete academic evaluation (senior audit/graduate application for candidacy) DURING THE SEMESTER PRIOR TO THEIR FINAL SEMESTER.

Incomplete Grades
Incomplete Grades (I’s) are appropriate for students who have completed a substantial portion of the semester but who then become ill or encounter other documentable extenuating circumstances beyond their control that prevent them from completing their coursework.

Instructors have sole discretion to award a grade of I. The purpose of an I is to allow students to make up missing work or exams; therefore, a student must meet with his/her instructor to develop a plan for completion. Students may not attend any part of the course a second time, unless they register and pay for the course. To resolve an I, the student must complete the specified work by the specified deadline. In all cases where an I is not remedied, the I grade automatically converts to an F on the student’s permanent record one calendar year after award of the I. The student is responsible to ensure that incomplete grades are remedied at least four weeks prior to his/her scheduled graduation date.

Pass/Fail Course Registration
With the exception of BUAD 3010, 3020, 3030, internships numbered 4960 and 6960, and certain experimental courses, CoB students may not use courses taken on a pass/fail basis to satisfy required courses. Only open electives may be taken on a pass/fail basis and applied toward the undergraduate degree. No pass/fail courses may be taken and applied toward the Graduate degree program. Pass/Fail determination must be made within university deadlines and is irreversible.

Undergraduate Standards of Performance
Students are held to basic standards of performance established for their classes with respect to attendance, active participation in course work, promptness in completion of assignments, correct English usage both in writing and in speaking, accuracy in calculations, and general quality of scholastic workmanship. In general, examinations and scholarly papers are required in all courses and for all students.

To be in good standing, (i.e.: not on probation) a minimum scholastic cumulative grade point average (GPA) of 2.0 is required for all coursework attempted, a 2.0 GPA for all business courses, and a 2.0 GPA for each semester attempted. These GPA requirements apply to work attempted at all University of Colorado (CU GPA) campuses. Remedial course work is not included in the overall average.
Students are responsible for being aware of their academic standing at all times; late posting of grades and/or late notification by the College does not waive this responsibility.

**Course Eligibility** - Prerequisites, as listed for individual courses in the Course Description section of the current Academic Catalog or Schedule of Courses, are enforced for all students, including non-business students. In addition, it is expected for CoB students that all Skills Courses must be completed (with a grade of C- or better) prior to enrolling in the Junior Core and Emphasis classes. Priority for registration in business classes is given to business degree students. If you are uncertain about your eligibility for enrollment in a business course, contact the Student Success Center at 719-255-3260.

**Intra-university Transfer** - Students who wish to transfer to the College of Business from another degree program at UCCS must submit an application in the Student Success Center upon completion of at least 15 semester hours of graded work on campus with a 2.7 cumulative CU GPA and with at least C- or better grades in Engl 1310 and Math 1040/1120; those with a GPA between 2.50 and 2.69 will be reviewed by the Business Admissions Committee. A minimum of 30 hours of business course work must be completed after admission to the College of Business including 18 hours in the area of emphasis and BGS0 4000 & STRT 4500. Coursework taken prior to admission to the College will not be accepted toward area of emphasis requirements, nor are University Studies Business Intent students in the College of Letters, Arts & Sciences (LAS) permitted to enroll in any business courses 2020 or higher (except for MKTG 3000 and MGMT 3300). *Furthermore, declaration as a University Studies Business Intent major does not guarantee transfer into the College of Business or application of any business credits earned while a LAS student.

Non-degree students may enroll in upper division courses only with the permission of the College of Business via a formal petition process.

**Repeating Courses**
Repetition of College of Business coursework is permitted only with prior permission from the College. The repetition of coursework at other institutions will be permitted subject to receiving prior CoB approval and University transfer approval requirements. Area of emphasis, skills, junior core, and senior capstone courses must be completed with a grade of C- or higher; all repeated work grades do not replace prior grades but will be averaged into the student GPA.

**Transfer Students**
CoB transfer students must meet all requirements for admission to UCCS. For a detailed explanation of transfer student admission, requirements, and policies, please see the current Academic Catalog.

**Independent Study**
Students who wish to pursue a topic of interest in greater depth than that offered in the classroom may register for independent study courses with the approval of the College of Business and course instructor. Prior to registering for an independent study, the student must meet with the appropriate faculty member to design the independent study project and complete the independent study form. The form should then be returned to the program director. (Undergraduate Office for undergraduate students or the MBA Office for graduate students) for final approval and course processing.

The **Professional Program**
The Professional Program begins in the junior year and allows students to begin focused study in their chosen discipline. CoB students declare an Area of Emphasis (concentration) for their academic degree requirement and must follow the sequence of courses listed in the Model Degree Plan for their catalog year of acceptance. It is expected for CoB students that all Skills Courses must be completed (with a grade of C- or better) prior to enrolling in the Junior Core and Emphasis classes. Priority for registration in business classes is given to business degree students. If you are uncertain about your eligibility for enrollment in a business course, contact the Student Success Center at 719-255-3260.

In order to graduate with a Professional Program Area of Emphasis, students must maintain the following criteria:
- 2.0 cumulative GPA
- 2.5 College of Business GPA
- 2.5 Area of Emphasis GPA

Students not meeting these requirements will not be permitted to graduate with a Professional Program Area of Emphasis, but will receive a Bachelor of Science in Business degree provided that their CU GPA and Business GPA are at least a 2.0.

**Graduate Course Eligibility** - Students must be officially admitted to the MBA or MSA program or to another UCCS graduate program to register for 5000 or 6000 level courses. Those students who already have a Masters or a Ph.D. degree should consult with the College of Business Graduate office to determine their eligibility for graduate level course work.

**MBA Foundation Requirements**
The College of Business provides the following series of business courses as required foundation courses for graduate study in business. These courses may be waived on a course-by-course basis by prior academic course work at the discretion of the Graduate office.

- **ACCT 5500** 3.0 Introduction to Accounting
- **BUAD 5600** 3.0 Business, Government and Society
- **BUAD 5600** 3.0 Business, Government and Society
- **QUAN 5500** 3.0 Fundamentals of Business Statistics

The determination of which (if any) of these foundation courses are required is made when the student meets with an advisor at the time of his/her admission to the MBA program.

**MSA Requirements**
Our 30-credit hour Master of Science in Accounting program consists of 18 credit hours of accounting coursework and 12 credit hours of business electives. It is designed for students with an undergraduate degree in accounting. Successful applicants will generally have a cumulative GPA of 3.0 or higher. Please contact the Graduate Office for more MSA program information, a list of required prerequisite courses, and accepted GRE/GMAT scores.

**Repeating Courses**
Any grade below C (2.0) is not a passing grade for graduate students. A student may repeat a course once for which he or she has received a grade below C. Both the original grade and the grade for the repeated course count in the computation of the grade point average which is used to satisfy graduation requirements. All work attempted will appear on permanent records.
Statement of Academic Standards
To be in good standing, graduate students must have an overall grade point average of not less than 3.0 for degree program and degree program foundation course work attempted. Any individual grade below C (2.0) is not a passing grade for graduate students. See the Academic Catalog for more detailed information.

Both programs are accredited by the Council for Accreditation of Counseling & Related Educational Programs (CACREP). Both programs consist of 60 credit hours and may be completed in two or three years. The Department of Counseling and Human Services also offers an Advanced Certificate (post-master's certificate) in Counseling and Human Services. This certificate program consists of 24 credits. The MA in Educational Leadership is designed to meet the professional and personal needs of those aspiring to hold leadership roles in schools or higher education. The program consists of 30 credit hours. The PhD program in Leadership, Research, and Policy is designed to meet the personal and professional needs of educational leaders in school districts, higher education, and non-governmental organizations through rigorous coursework and collaborative faculty-student research labs. The program consists of 75 credit hours. The program for working professionals prepares graduates to engage in scholarly inquiry and culturally responsive practice, synthesize diverse research perspectives in facilitating educational excellence, lead others in continuous improvement through implementation and evaluation, and communicate successfully through oral and written professional discourse.

Principal and Administrator Licensure Program
This licensure program fulfills requirements of the State of Colorado's Licensure Law. Students who enroll in the Principal Licensure Program are required to have a master's degree. The licensure program consists of 33 credit hours. Students completing a Master's Degree in Educational Leadership will have completed some course requirements for licensure. Students who enroll in the Administrator Licensure Program are required to have a master's degree and a Principal Licensure or equivalent. The administrator license program consists of 9 credit hours.

Graduate Program Admissions Procedures
Prospective students interested in a graduate degree program should obtain program descriptions from the office of the College of Education (COE) Student Resource Office in Columbine Hall, Room 3010, or from the COE website. After reviewing the material, an appointment should be scheduled with an advisor by calling 719-255-4996.

Applications should be submitted online. Go to www.uccs.edu and click “Apply Now” to complete the appropriate application. Counseling and Human Services applicants are admitted once a year with an application deadline of February 28. Counseling and Human Services applicants are required to complete a series of admissions activities. Consult with the program assistant from the Department of Counseling and Human Services to obtain more information about the activities and other admissions requirements. Application forms should be submitted to the College of Education, University of Colorado Colorado Springs, 1420 Austin Bluffs Parkway, Colorado Springs, Colorado 80918-3733.

Applicants to the School Counseling, Special Education, Teacher Education, UCCS Teach Program, and Alternative Licensure Programs require successful completion of specific PRAXIS II or PLACE (Programs for Licensing Assessments for Colorado Educators) tests. Contact Teacher Education at 719-255-4526 for appropriate PRAXIS or PLACE test for TELP and ALP. Applicants for graduate studies who do not already have a master's degree, except C & I and Sp. Ed. must take either the Graduate Record Examination (GRE) or Miller Analogies Test (MAT) as a part of the requirements for admission. PhD applicants in Educational Leadership must take the (GRE). The results should be sent directly to the College of Education, University of Colorado Colorado Springs, 1420 Austin Bluffs Parkway, Colorado Springs, CO 80918-3733. No application will be considered complete until the test scores are received.

Graduate Work Done as an Unclassified Student
If you are in education and would like to update your competencies or complete a specified amount of graduate study for license renewal, advancement in salary, or a change of assignment but are not interested in earning a graduate degree, you should apply to the Office of Admissions for admission as an unclassified student. Upon admission you may enroll, and after the end of the term (please allow four weeks for transcript processing) receive an official record of work completed. You may confer with the College of Education faculty about courses in which to enroll. If you decide to apply for graduate student status, you should be aware that only nine hours taken as an unclassified student may apply toward a degree.
Graduation Procedures
Please visit the College of Education the semester prior to the intended semester of graduation to pick up necessary paperwork. Application for graduation must be completed no later than January 30th for spring graduation, June 1st for summer graduation and September 1st for fall graduation. Depending on your degree program, paperwork may include the comprehensive exam registration form, the “application for diploma” card, and the “Application for Admission to Candidacy for an Advanced Degree.”

Unclassified Students
Students who are at least 20 years old as of Sept. 15 for Summer Term and Fall Term or Feb. 15 for Spring Term and who are unable to meet application deadlines are encouraged to apply as Unclassified Students in order to begin work on an LAS program while completing application procedures. In general, a maximum of 12 semester hours taken as an unclassified student may be applied toward a degree. Unclassified students are encouraged to come to the Office of Student Recruitment and Admissions Counseling, in Cragmor Hall, Room 008, or call 719-255-3084.
LAS Juniors who wish to graduate with departmental honors should contact their major departments for requirements.

LAS Seniors who expect to graduate during the current semester must contact Academic Advising to schedule a final graduation appointment. Note: Prior to making this appointment it is preferred that you have completed the composition requirements and the reasoning skills requirement. All requirements must be completed by the last day of classes.

Miscellaneous Information
The Catalog: Please refer to the Catalog for course descriptions, prerequisites, and a more complete description of admission requirements, programs, graduation requirements, etc. The Catalog is online at http://catalog.uccs.edu

Prerequisites: Prerequisites are the courses which must have been completed prior to registering for another given course. If there are any doubts, see the course description in the Catalog, or ask a department representative.

Non-LAS Courses: Students in the College of LAS may register for courses in other colleges such as Business, Education, Engineering, or the School of Public Affairs; however, only 30 hours in such courses may be credited toward the Bachelor's degree.

Pass/Fail: A maximum of 15 hours of P/F work may count toward a degree in the College of Letters, Arts and Sciences. Only electives may be taken pass/fail. Courses which satisfy requirements, including the major and minor, must be taken for letter grades. Transfer students may take one hour pass/fail for every 8 semester hours attempted at this University. A maximum of 6 hours may be taken pass/fail during the fall and spring terms and no more than 3 hours during the summer.

No Credit: Changes to No Credit (NC) will not be approved after the final day of the Drop/Add period without both the approval of the Instructor and the Dean of the College of LAS.

Repeating Courses: If a course is repeated, credit for only one course will be counted toward a degree; however, if both courses were taken in the CU system, both grades will appear on the student's record and will be applied to the CU grade point average.

Incomplete Grades: Grades of incomplete (I) will be given only when there are clearly extenuating circumstances preventing a student from completing a course before the last day of the semester. The incomplete must be completed within one calendar year or it will be regarded as an F. Incomplete grades are NOT appropriate for students who have never attended or stopped going to class, are failing or are otherwise too busy to complete the work on time, or do not appear for the final examination.

Independent Study: Students who wish to pursue a topic of interest in greater depth than that offered in the classroom may register for independent study courses with the approval of the appropriate

Correspondence Study: The College of LAS offers opportunities for correspondence study through Statewide Extended Studies. A maximum of 30 hours of such work may count toward the degree. This work carries resident credit if taken from CU.

Summary Checklist of LAS Graduation Requirements
1. Area Requirements = 27
   a. Humanities
      General = 6
      Core = 3
   b. Social Sciences = 9
   c. Natural Sciences = 9
2. Composition = 6
3. Reasoning Skills = 3-6
4. Oral Communication (no additional hours)
5. Cultural Diversity (no additional hours)
6. Global Awareness (no additional hours)
7. Major (minimum) = 30
8. Electives (variable)
Total = 120 (45 must be upper division)

Explanations of the above requirements follow.

The Area Requirements
A liberal arts degree provides students with a breadth of experiences, and the Area Requirements are designed to help fulfill that goal.

Consequently, each student must complete a minimum of 9 semester hours in each of the following areas:
   - The Humanities
   - The Natural Sciences
   - The Social Sciences

These 27 hours are referred to as the "Area Requirements."

**PLEASE READ - IMPORTANT INFORMATION**
In this section you will find three lists of courses from various departments that have been approved to satisfy the Area Requirements.

How to use these lists:
1. Select only courses from the lists to fill Area Requirements.
2. Don't use courses in your major; they apply elsewhere.
3. Don't take these courses on a pass/fail basis.
4. Don't take more than 2 courses from one department to satisfy a combination of humanities, social science, natural science.
5. Consult the Catalog course descriptions for additional information, including cross-lists, pre-requisites and co-requisites; even 1000-level courses may have them.
6. Prospective teachers have further restrictions; see an advisor before selecting courses.
7. Any cross-list for the courses listed below will also satisfy the relevant requirement.
I. HUMANITIES REQUIREMENT - 9 hours
The humanities requirement is divided into two categories - General Humanities and Core Humanities.

Bachelor of Science in Nursing Program
The graduate is prepared to practice professional nursing while providing care for individuals, families, groups and communities. Entering students are advised to consult the University Catalog to determine program requirements.

Freshmen
Students who meet admission criteria are admitted into the Nursing program as Pre-Professional Nursing majors. Students who are admitted to the Program with a 3.0 GPA must maintain a 3.0 GPA. Once the first level course work is completed with a 3.0 GPA, they may apply for admission to the nursing program as a Nursing major. This application would include the following: GPA of 3.0 or greater, Completion of a background check, and Completion of an Admission Assessment Exam.

The Admission Assessment Exam tests the course material the student has completed during the first level coursework. The admission committee will review all applicants at that time to determine who will be accepted as a nursing major. For students who are accepted as a nursing major, they will start their second year course work and continue to progress through the curriculum. Students who are not selected for admission, may change their major to another field of study, apply to another school or choose to apply the following year. Students are only allowed to apply twice and will be considered along with all of the other students applying with no preferential consideration because they are seeking admission again. Students entering as freshmen are able to complete the program in four years if a full academic load with successful completion of course work is maintained.

Transfer Students
Students who have attended a collegiate institution other than CU may apply as transfer students if they have completed 30 credit hours of transferable college level work. Applicants for the nursing program must have a cumulative GPA of 3.0 or better. Transfer students must be in good standing and eligible to return to all institutions previously attended. While transferability of credit is determined by the Admissions Office, final application to the degree program is determined by the College of Nursing and Health Sciences. Students who meet admission criteria are admitted into the Nursing program under Pre-Professional Nursing. Students who are admitted to the Program with a 3.0 GPA must maintain a 3.0 GPA. Once the first level course work is completed with a 3.0 GPA, they may apply for admission to the nursing program as a Nursing major. This application would include the following: GPA of 3.0 or greater, completion of a background check, and completion of an Admission Assessment Exam. The Admission Assessment Exam tests the course material the student has completed during the first level coursework. The admission committee will review all applicants at that time to determine who will be accepted as a nursing major. For students who are accepted as a nursing major, they will start their second year course work and continue to progress through the curriculum. Students who are not selected for admission, may change their major to another field of study, apply to another school or choose to apply the following year. Students are only allowed to apply twice and will be considered along with all of the other students applying with no preferential consideration because they are seeking admission again.

Continuing Students
Once students have accepted an invitation for a clinical spot their status will be changed from Pre-Professional Nursing to Nursing. The nursing curriculum is a very structured program and must be adhered to in order. Second year courses must be successfully completed prior to progression of third year courses. Third year courses must be successfully completed prior to progression of fourth year courses. If an interruption of the sequencing of courses is necessary, students accept their Leave of Absence knowing that a possible delay in program completion may occur.
RN to BSN and Dual Enrollment Options
Helen and Arthur E. Johnson Beth-El College of Nursing and Health Sciences participates in the Colorado articulation plan which facilitates mobility from one educational program to another. Each student will have variations in the plan due to completion of course work prior to entering Helen and Arthur E. Johnson Beth-El College of Nursing and Health Sciences or due to scheduling variation (full-time or part-time).

RN to BSN Option
An unrestricted registered nurse with an associate degree or diploma and a cumulative 2.5 GPA can choose the RN to BSN curriculum option. RN students are advised to apply to the nursing program prior to completion of general education requirements. Include a copy of RN License with application and a letter from the clinical manager stating that the applicant has completed 1,000 clinical hours in the last 3 years. If the applicant is within 3 years of graduation a letter is not necessary. This option is offered online. Pre-requisites are not necessarily offered online.

Dual Enrollment Option
The Dual Enrollment is for students who are currently in a Colorado Community Associate Degree nursing program. After completing first semester courses, the individual may apply to start course work towards a bachelor's degree in nursing while completing their associate degree in nursing. Dual Enrollment requires a cumulative 2.5 GPA. This option is offered online. Pre-requisites are not necessarily offered online.

Accelerated BSN Program
Students who have completed a bachelor’s degree in a non-nursing field may be eligible to apply for the accelerated BSN program. The cumulative GPA must be at least 2.5 or higher and a passing score on the Admission Assessment Exam in order to be considered for this program. All required general education, pre-requisite courses and degrees must be completed by the end of the fall semester of the application year. Contact accbsn@uccs.edu for specific information.

Master of Science in Nursing
The graduate nursing program at Beth-El College of Nursing and Health Sciences builds upon and expands on the knowledge, values, and skills of the baccalaureate prepared nurse. Graduate nursing courses prepare the student for advanced nursing practice in primary care practice settings. The student gains experience with research, health care policy, nursing theory and holistic practice. Nurse Practitioner specialty areas include Adult/Gero or Family.

A major goal of the graduate program is to prepare the graduate nurse to be an active participant in this country’s health care reform and to function as an advanced practice nurse or nurse educator in the evolving health care delivery system. The graduate of this program will be prepared to function in a variety of primary care settings with collaboration skills which promote interaction with all members of the health care team.

Doctorate of Nursing Practice
The Post Master's Doctorate of Nursing Practice (DNP) provides the course work and practice experience necessary for the highest level of clinical nursing practice. The DNP develops and builds upon the advanced practice roles of the nurse practitioner or clinical nurse specialist, expanding the leadership, policy, clinical nursing scholarship and practice expertise. The BSN to DNP option provides the MSN coursework and clinical experience required to become a nationally-board certified nurse practitioner (FNP or A/GNP).

Students also expand their advanced practice role to include additional expertise in leadership, policy, clinical nursing scholarship and practice expertise.

NOTICE: Graduate students are responsible for the content and policies of the Graduate Department Student Handbook from the Beth-El website: http://www.uccs.edu/bethel/current/studenthandbooks.html

The program includes a foundation in general education as well as a broad understanding of health care delivery systems. It is possible to choose options within the program to develop advanced specialization in a specific or chosen discipline such as health and wellness promotion, or nutrition. An upper division bachelor degree completion option is available for students in allied health disciplines with associates degrees or certificates in Paramedicine, Radiation Technology, Dental Hygiene, Respiratory Therapy, etc.

SCHOOL OF PUBLIC AFFAIRS

Academic Advisors for the BA degree in Criminal Justice are located in Academic Advising, Main Hall, 2nd Floor, 719-255-3260. Academic Advisors for graduate programs are located in the Academic Office Building, 3rd Floor.

Undergraduate Admission
Candidates for regular admission to the Bachelor of Arts in Criminal Justice program are expected to meet the general requirements for undergraduate admission to the University, as described in the Admission Information section of this Handbook. The Catalog that governs a student’s graduation requirements is the one in effect at the time of a student’s most recent admission into the school/college of the student’s degree program.

Bachelor of Arts in Criminal Justice (BACJ)
The BACJ program utilizes an interdisciplinary approach to capture both the academic liberal arts emphasis and professional and policy knowledge required to educate criminal justice professionals.

Requirements for the BACJ Degree
General Requirements
Students completing a BACJ at UCCS will complete a minimum of 120 credit hours, including the 39 credit hours of Criminal Justice courses (with a 4-credit hour Internship), 25 credit hours of auxiliary courses, 29 credit hours of general education courses and 27 hours of general electives. Students may utilize their major elective courses for a concentration in one of the following areas: 1) Corrections; 2) Family Violence; 3) Forensic Studies; 4) Law; 5) Law Enforcement; and 6) Public Policy. Students can meet with a Criminal Justice academic advisor in Academic Advising for more information. BACJ major and option area requirements are detailed on the following web page: http://www.uccs.edu/spa/programs/undergraduate.html

Minor in Criminal Justice
A minor in Criminal Justice requires 18 hours in Criminal Justice, plus two additional elective courses in Criminal Justice, one of which must be upper division. Coursework requirements are detailed on the following web page: http://www.uccs.edu/spa/programs/undergraduate.html

Undergraduate Academic Advising
Students are expected to assume responsibility for planning their academic programs in accordance with school rules, policies and major requirements. Academic Advising can answer questions about school policies and graduation requirements and will assist students in course selection and degree planning. All Criminal Justice majors should plan to meet with an academic advisor at least once a year. Students expecting to graduate within one or two semesters should schedule a senior audit appointment by calling 719-255-3260 or by visiting Academic Advising, 2nd floor of Main Hall. Although the advisors provide summary sheets of major requirements, it is the faculty who are responsible for major advising. It is the student’s responsibility to arrange such faculty consultation for questions involving major requirements and graduate school applications. Students should schedule appointments to discuss their questions well in advance of registration.

Course Load
The minimum full-time course load is 12 hours. The normal maximum is 18 hours. If a student wishes to take more than 18 hours per semester, special permission must be obtained from the BACJ Director in the Academic Office Building. These totals include all courses taken for credit at any of the university’s three campuses but do not include correspondence courses, noncredit courses, or courses taken at other institutions. To receive credit, the student must be officially registered for each course. Students who hold or expect to hold full or part-time employment while enrolled in the school must register for course loads they can expect to complete without unusual difficulty.

Grading Policies
Students should familiarize themselves with the General Information section of the UCCS Catalog, as well as with the introductory pages of each semester’s official Registration Handbook, for information about the university grading system and the current procedures for registering on a pass/fail basis, for dropping and adding classes, and for withdrawing from the university.

Academic Probation
Students who have attempted at least 12 hours at the University of Colorado with a cumulative grade point average below 2.0 will be placed on academic probation. While on probation, students will be required to achieve a minimum acceptable grade point average of 2.25 each term or be subject to academic suspension. Students placed on probation will be informed in writing concerning their academic status and the conditions of continued attendance. Students who are in doubt about their standing with regard to scholastic deficiency and the process for academic probation are strongly urged to consult with their academic advisor.

Academic Suspension
Students who fail to meet standards of academic probation will be suspended from the School of Public Affairs (SPA). The suspension period for SPA students is one academic year, excluding the summer semester. Suspended students will be reinstated after the normal suspension period at the discretion of the SPA Dean, upon reapplying for admission to the university. Requests for reinstatement must be made in writing. Students who are in doubt about their standing with regard to scholastic deficiency and the process for reinstatement are strongly urged to consult with their academic advisor.

Independent Study
Students who have completed a considerable portion of their undergraduate studies with distinction may register for independent study with the approval of the BACJ Director. The amount of credit to be given for an independent study project shall be arranged with the instructor. Not more than eight hours of independent study may be credited toward the major, and not more than 16 hours toward the bachelor’s degree. No student may register for more than eight hours of independent study in any one term (summer, fall, or spring).

Accelerated BA/MCJ
The School of Public Affairs offers a unique opportunity for highly qualified undergraduate criminal justice students. The accelerated Bachelor of Arts/Master of Criminal Justice (BA/MCJ) program is designed to allow students to work concurrently toward the BA in Criminal Justice (BACJ) and the Master of Criminal Justice (MCJ). The program allows qualified undergraduate students to start on their MCJ degree while simultaneously completing their BACJ degree. Graduate credit hours earned while enrolled in the BA/MCJ program can be counted toward both the BA and the MCJ degrees. Coursework requirements are detailed on the following web page: http://www.uccs.edu/ spa/programs.html

Master’s Programs
The School of Public Affairs offers the following graduate programs: Master of Public Administration (MPA) degree Master of Criminal Justice (MCJ) degree Master of Public Administration/Master of Criminal Justice (MPA/MCJ) dual degree.

In addition to the full master’s programs, the School of Public Affairs offers eight graduate certificate programs, each requiring twelve semester hours of coursework. MPA/MCJ Dual Degree Program Requirements (54 hours)
The School of Public Affairs also offers a dual degree in Public Administration and Criminal Justice. This degree provides an opportunity for students to complete both programs in a shorter period of time. Students pursuing the dual degree program must apply separately and be admitted to each of the programs. It is possible for students currently admitted to one program to apply after admission to the other. The MPA and MCJ Directors serve as advisors for this program. Interested applicants should contact the Graduate Recruitment and Retention Specialist prior to making an application. Coursework requirements are detailed on the following web page: http://www.uccs.edu/spa/programs/graduate.html

Capstone Seminar or Thesis: All graduate students are required to complete the Capstone Seminar or write a thesis. In the Capstone Seminar, students work with a client in a public, nonprofit or criminal justice agency to identify a problem. Then, using the knowledge and skills they have gained in the program, they carry out a project and write a paper to address the problem. The principle of the course is that it provides students with an opportunity to integrate what they have learned and apply their knowledge and skills to a real-world problem. The Capstone Seminar is taken during the last semester of the student’s degree program. All core courses must be completed before taking the Capstone Seminar. The Capstone Seminar is not offered in the summer.

The thesis option is available in lieu of the Capstone Seminar for students who have an interest in pursuing a topic in-depth or who are planning to pursue a career in research or academia. The thesis requires six semester hours of credit that normally spans two semesters. Thesis students typically conduct a comprehensive review of the theoretical and research literature in the subject area of their thesis and collect original data or analyze existing data in new ways. Minimum eligibility requirements apply; check the UCCS Catalog for more information.

Non-Degree Seeking Student Status
A prospective graduate student who is preparing his/her application to SPA or awaiting an admission decision may take up to 12 semester hours of SPA coursework as a non-degree seeking student. Unless prior written approval is obtained from the SPA Dean and the Graduate School Dean, coursework in excess of 12 semester hours as a non-degree seeking student will not be applied toward the MPA or MCJ degree.

Standards of Performance
To be in good standing, students must have an overall grade point average of 3.0 or better in all course work. A grade of B- or better is required in all core and Capstone classes. The academic performance of each student will be reviewed at the end of each semester. A student who has a grade point average less than 3.0 will, at the Dean’s discretion, be placed on probation or suspension. Non-degree students who do not maintain a 3.0 grade point average may not be allowed to enroll in SPA courses. See the UCCS Catalog for more detailed information.

Transfer of Credit
Up to nine semester hours of appropriate graduate work from an accredited college or university may be credited toward the master’s degree. Only courses taken within six years prior to the semester of graduation may be applied to the degree. All transfer work must be approved in writing by the program director. Courses equivalent to PAD 5001, 5002, 5004, 5005, and 5006 will only be accepted from a NASPAA accredited MPA program.

Internship
Students without significant public or nonprofit sector professional work experience (or, for the MPA program, criminal justice experience) must enroll for a 3 credit hour internship as part of the graduation requirement. These credits are in addition to the 36 semester hour requirement in the MPA program and are part of the 36 hours in the MCJ program. Interns will not be placed until at least 9 hours of course credit have been completed. Students arranging their own internships must see the Internship Coordinator before committing to the placement.

Graduating Students
All students graduating from a master’s program must notify the Graduate Recruitment and Retention Specialist prior to the semester in which they intend to graduate. All students must complete a diploma card and an application for admission to candidacy before the start of the semester.

Online Classes and Fees
SPA students are welcome to enroll in online courses. Online courses are web-based versions of the same courses offered on campus. Online courses are not self-paced; they usually follow the regular semester schedule, but there is usually no set time that students need to be online. There is a $100 instruction fee for each online course. No portion of the $100 online instruction fee will be refunded after census date, regardless of reason or date initiated.

Registration information will be sent to your UCCS email account. For information on how to access your account, call the IT helpdesk at 719-255-3336 or access http://www.uccs.edu/~helpdesk/.
Current students, search for School of Public Affairs classes in your MyUCCS Portal:
http://www.uccs.edu/students.html/
Spring classes can also be found on the UCCS Guest Search website:
http://course.uccs.edu/
Short Course Refund Deadlines:
Courses that meet less than 16 weeks during the fall and spring terms or 8 weeks during the summer have special refund deadlines. The deadlines for dropping short courses (or withdrawing for the term when only enrolled in a short course) without financial penalty are based upon the length of the course. See pages 8 and 9 for details regarding drops and withdrawals. If you have questions, please contact the Records Office at 719-255-3361 or email registrar@uccs.edu.

To find specific course deadlines, log into your myUCCS Portal, locate your classes under “academics” and click on the “deadlines” icon to the left of the class. Another window will open with the deadline information. It can also be found when you click on “My Class Schedule” for each course.

Full-time/Part-time Definition

1. A full-time undergraduate degree student is one who is enrolled for at least 12 credit hours. Undergraduate degree students are considered part-time when they are enrolled for fewer than the hours described above. Undergraduates enrolled 6-11 hours are considered half-time. These criteria also apply to all unclassified (non-degree) students.

2. A full-time graduate student is one who is enrolled for 5 semester hours of graduate level course work, or at least 8 semester hours in a combination of undergraduate/graduate course work acceptable for graduate credit, or any number of thesis hours.

3. Unclassified (non-degree) students with a degree seeking student loan deferment must be enrolled for 12 semester hours to be considered full-time or 6-11 hours to be considered half-time.
It is the policy of the University of Colorado Colorado Springs to adhere to the final examination schedule as published in the Registration Handbook each semester. While it may be appropriate not to give a final in some cases such as laboratory courses, seminars, and colloquia, final examinations should be given in all other undergraduate courses.

Exceptions to this policy should be agreed upon by the faculty member and the chair of the department no later than the beginning of the semester in which an exception is requested. The resulting decision should be announced in writing to students in the class during the first week of classes.

In addition to the principles stated above, the following guidelines should be followed by all faculty members and administrators in order to assure fairness and the best possible education experience for students:

1. The scheduled final examination period should be considered an important part of the course and used as a final examination period or additional instruction.

2. The final examination in a course should be given as scheduled and not at other times even if the faculty member and all students in a course agree to such a change.

3. The week of classes preceding the scheduled final examination period should be used primarily for continued instruction and may include the introduction of new material. No hourly examinations are to be given during the week preceding final examinations.

4. Individual students may be granted a variance from these policies provided the instructor is satisfied that (a) the exception is based on good and sufficient reasons (such as religious observances) and (b) such an exception for an early or late examination will not prejudice the interests of other students in the course.

5. When students have three or more examinations on the same day, they will be entitled to arrange an alternative examination time for the 1st exam or exams scheduled on that day. Such arrangements must be made no later than the end of the 10th week of the semester (i.e. at the end of the drop period). Students will be expected to provide evidence that they have three or more examinations in order to qualify for exceptions.

6. This policy applies to all undergraduate students, including seniors. Graduating seniors should not be exempt from final examinations. Such exemptions are inappropriate on both procedural and academic grounds.

You need this information if you are an **undergraduate student** classified for tuition purposes as a Colorado resident.

Please take the time to figure out how COF applies to you, and how to work with the College Opportunity Fund (COF)!

1. **You MUST Apply** once in your lifetime to College Assist to create a COF Account. Apply online at: [http://cof.college-assist.org/](http://cof.college-assist.org/). Click on Schools then College Opportunity Fund.

2. **Authorize the use of COF when you Register for classes.** If you authorize, all COF eligible hours will receive a COF per credit reduction on your tuition and fee bill. If you don’t authorize, you’ll have to pay the full tuition for all courses, without the COF voucher credit.

3. **Important Information Concerning COF and Registration.** Courses added after the close of registration drop/add period (census date) are not eligible for COF funding and will not count against the COF lifetime hours. Students will be required to pay full tuition, including the COF portion, for these courses. Courses dropped or withdrawals from school occurring after census date will result in the loss of COF eligible hours. These changes are based upon Colorado Commission on Higher Education (CCHE) policy.

4. **Understand How Eligible COF Hours Will be Determined.** Everyone at the undergraduate level begins this program with 145 COF lifetime hours. **Students who were enrolled in fall 2004 or spring 2005** at any COF participating institution in Colorado have a class level set by data submitted to the CCHE. This class level results in a “remaining hours balance available” as follows:

   - Freshman: 145 COF hours remaining
   - Sophomore: 115 COF hours remaining
   - Junior: 85 COF hours remaining
   - Senior: 55 COF hours remaining

COF lifetime hours, hours used, and hours available are updated each night from the College Assist database. CU turns in your CU hours to College Assist twice a term – once at the end of the drop/add period, and again at the end of the term.

**COF lifetime hours** available or used can be found on the College Assist website. You should check your balance at least twice each term – after drop/add ends; and at the end of the term. You can go either to the Student Self-Service Center’s registration web page; or to the College Assist account that you created when you applied for COF.
5. Know what the tuition rate will be for the upcoming academic year, and what the COF voucher per credit hour will be. This information will generally be available in early June and will be published to the campus home page at www.uccs.edu. Both of these rates, along with the hours that you decide to take, will determine your tuition and fees.

Each time you drop and add a course before the end of the drop/add deadline, your bill will be adjusted, because COF is calculated on a per credit hour basis. So, if you begin registering for 15 COF eligible hours, drop 3, and add 2, your COF voucher will adjust each time, but will finally reflect 14 total COF eligible hours.

6. Know how decisions about courses and your degree program are impacted by COF.

- You have a lifetime limit of 145 COF eligible hours to complete an undergraduate degree. Any hours above the 145 COF credit hour limit will be charged at the full tuition rate, without a COF voucher credit.
- If you change majors or decide on a dual degree program later in your academic career, you could run out of COF hours.
- If you decide to take a course through Continuing Education or Extended Studies, those courses will not be covered by COF because those courses are not currently subsidized by the State of Colorado.
- COF hours are used whether or not you successfully complete a course during a term – so hours failed, or retaken, are counted against your COF lifetime balance. Courses dropped or withdrawals which occur after census date count against your COF lifetime total hours. Courses added after the term census date are not eligible for COF. You will have to pay the full tuition, including the COF portion, but the hours will not count against COF lifetime hours.

Course Numbering System
The course number is comprised of a subject abbreviation, a course number, and a section number. The subject is an abbreviation for the department offering the course. The course number consists of 4 digits. The first digit indicates in a general way the class level of the course: “1000” courses are primarily for freshmen; “2000” for sophomores; “3000” courses for juniors; “4000” for seniors; and “5000” and “6000” for graduate students.

Level of courses numbered 9000-9980:
- 9000-9290, Lower Division, Undergraduate
- 9300-9490, Upper Division, Undergraduate
- 9500-9590, Graduate, Level 1
- 9600-9790, Graduate, Level 2
- 9800-9980, Other

What is the College Opportunity Fund?
In fall 2005, the state of Colorado began providing direct funding to undergraduate resident students through the College Opportunity Fund or “COF.” This program is also known as “vouchers” or “stipends.” COF vouchers will be applied to an eligible student’s university bill, provided that the student has applied for COF and then authorized the use of the voucher each term of registration.

Where can I get additional information?
http://www.cu.edu/ums/cot/faq.html

How can I make sure that the COF process works smoothly for me?
Apply to College Assist to create your COF account. This needs to be done only once in your lifetime. New students should apply by June 13, 2016, to best help us provide better service during the registration and billing process for summer 2016.

Where can I Authorize COF?
Login to your MyUCCS Portal, click on Records and Registration, then Access Student Self Services. Under the “My Academics” section, click the blue link that says “COF Authorization/Review.” Authorize for lifetime or by term.

The voucher will appear on your tuition and fee bill, reducing your tuition, IF you have applied for it and authorized its allocation for that term. (The tuition reduction will vary each term depending on the number of COF eligible credits registered for.)

Your college’s total in-state tuition
= The College Opportunity Fund state stipend
= The share you pay for in-state tuition

*Apply NOW! for your stipend at:
https://cof.college-assist.org

The COF Stipend is $75.00 per credit hour for summer 2016
