REGISTRATION — ONLINE

READ Before Registering
Please read through ALL the registration instructions before registering.

All new undergraduates – freshmen, transfer and returning students - are required to attend a new student orientation (see page 20). Registration occurs at orientation. Graduate students are not required to attend an orientation; but, may if they choose to. See page 20 for details.

New graduate, unclassified and current students will need to use their username and password to access the Student Self Service Center. New students will be assigned a campus username to access student systems prior to registering. Go to http://www.uccs.edu/helpdesk/top5/password.html to find your logon information.

Your Invitation to Register
An “Invitation to Register” will be emailed to you before your assigned online registration appointment day/time. Once you receive your “invitation,” go to the home page www.uccs.edu, click on Students, then My UCCS Student Portal, log into the Student Self-Service Center and check the following:

Check the address on your Invitation to Register: If it is incorrect, please update it through your Student Self-Service Center, or visit the Admissions and Records Office in Main Hall, Room 108, to complete an Address/Phone Change form. Update and verify emergency contact information.

Make sure you have no financial, academic, or other holds that will prevent your registration.

Check your assigned enrollment appointment. You may register at or after your assigned time, but no later than census date June 16, 2014, for summer 2014.

NOTE: Online Registration identifies a particular course section by a 5 digit “COURSE NUMBER.” Each number is unique and is found in the class schedule to the right of the section number. Be sure to have alternate selections listed in case the class is canceled or closed. Some courses require a separate Course ID number for lecture, lab, and recitation.

Understanding Waitlists
Closed courses may have waitlists. If you try to register for a closed class which has a waitlist, you will need to select the Class Details link and check the Waitlist box. The message, “Waitlist if class is full”, will display. As openings occur in a waitlisted course, you will automatically be registered in the course.

It is your responsibility to check your waitlist positions and enrollment status in the web registration system.

You will be financially responsible for the courses that change from waitlist status to registered status.

Waitlists are deleted 7 to 10 days before the term CENSUS DATE. If you are still on a waitlist when the purge occurs, you will be dropped from the waitlist.

For short classes, the last day to Waitlist is the DAY PRIOR to the class begin date. Waitlists will be purged the following working day.

NOTE: you may still add courses with instructor written permission after waitlists are purged through June 16, after which you will also need the dean’s signature.

Time Conflicts, Credit Overloads, and Requisites
The registration system will not permit you to register for time conflicts, credit overloads (over 18 hours, fall or spring and 12 hours for summer), or courses with special restrictions. Contact the Student Success Center for overloads. Add slips with appropriate signatures of approval are required for time conflicts and course restrictions/requisites.

NOTE: Registering in a course without meeting a course requisite is subject to disenrollment from that course.

After your initial registration, you may drop a course or add additional classes.

WARNING
Always print your schedule at the end of each online registration session for your record.
**ADDITIONAL REGISTRATION INFORMATION**

**Adding Courses**
The deadline to add a regular semester course using the online registration system is **June 16**. After this date courses must be added in person at the Admissions and Records Office with approval signatures from the professor and dean. If a student doesn’t register for their first full-semester class(es) until after Census Date, a $50 late registration fee is assessed.

**Concurrent Registration**
A student may enroll for not more than 2 courses or 6 semester hours in the fall and spring; whichever is greater) or 3 hours in the summer at another CU campus with the approval of the academic dean. Tuition and fees will be assessed at the student’s *home campus* rate. Students must be enrolled at the *home campus* and classified as degree students. Concurrent registrations will only be approved for courses that are required for graduation and are not available at the *home campus*.

Concurrent Registration forms are available in the Admissions and Records Office. Concurrent registration deadlines are the same as regular registration deadlines.

Students who register at more than one campus of the University must apply, be admitted and pay tuition and fees to each campus for the number of credits carried at each campus.

**Credit Changes**
To change credit for variable credit courses you are registered in, complete a Credit Change form at the Admissions and Records Office. Deadlines and rules for changing are the same as for DROP/ADD. Exceptions are noted below.

**Pass/Fail Enrollment**
Pass/Fail regulations vary according to the school or college offering the course and the student’s college. Please check with your advising office for the limits that may exist for taking courses in a given term and/or the maximum which may count toward graduation.

To enroll Pass/Fail, enroll in the course following normal enrollment procedures. Once you are enrolled, complete a Pass/Fail Registration form at Admissions and Records Office. The deadline for pass/fail registrations is **June 16**.

**NOTE: Special academic & financial deadlines apply to short courses (those fewer than 8 weeks in the summer, 16 weeks in the fall and spring). Click “Deadlines” above your schedule in the Student Self Service Center to see these deadlines.**

After June 16 and through July 3, instructor approval to drop a course will be based on the instructor’s course drop policy at the date of the drop. If the instructor judges that the situation does not meet the course drop policy, the drop will not be approved.

After July 3, no drops are allowed without special permission of the dean of the college or school offering the course.

**IMPORTANT**

If you live in on-campus housing, you must fill out a housing petition to cancel your housing agreement. This form is available online at http://www.uccs.edu/residence, or at the Monarch or Crestone Offices. If you do not do so, you will be responsible for all of your housing charges for the semester. This should be done AFTER you withdraw from the University. Please see your Student Handbook and Planner for refund details, they are different than the tuition and fees schedule.

If you have any questions call 719-255-3391.

After June 16, withdrawals must be initiated at the Admissions and Records Office.

1. Obtain the Withdrawal Form from the Admissions and Records Office.
2. If you are receiving Financial Aid or Veterans’ benefits, obtain the appropriate signatures on the Withdrawal form.

PLEASE NOTE: Financial Aid recipients may be required to repay their financial aid. Veteran’s benefits recipients will be required to repay benefits.

Financial Aid recipients who do not properly withdraw and receive “F”s, will have a return of title IV calculation processed based on the date the professor lists as the last day of attendance when the grade is posted. The withdrawal date will be calculated according to the last date the student attended class. If this falls within the first 60% of class, some or all of the financial aid may have to be repaid. Veterans using benefits who stop attending a class (or classes) at any time during the semester and receive an F grade will have to repay Veteran’s Benefits.

Only those students graduating during the summer and fall can participate in the Fall Commencement ceremony. Only those students graduating during the spring can participate in the Spring Commencement ceremony.

Declaration of Major
Policy of the Board of Regents requires that students declare a major by the time they have 60 hours towards their degree - by the start of their Junior Year.

Degree Audit Report
A degree audit report provides current information as to a student’s academic status: requirements to be completed and requirements remaining. Available from the UCCS Student Portal through DARS, or from the Student Success Center, 2nd Floor, Main Hall, 719-255-3260.

E-Mail Policy
UCCS uses e-mail as an official means for communicating with students. To ensure students have access to this critical form of communication, students will be assigned a campus e-mail account at the time of acceptance at UCCS. Students are expected to check their official e-mail address on a frequent basis, in order to stay current with university communications. It is recommended that students check their official e-mail account at least once a week because some notices may be time sensitive. E-mail communication will be used to replace printed communication. In addition, faculty may use the e-mail account for their courses. Details about campus e-mail policies can be found at www.uccs.edu/helpdesk.

Enrollment Verification/FERPA (Student Permission) Forms
Current students can view their enrollment history, print enrollment verifications, complete and submit FERPA (Student Permission) Forms, and check loan deferments sent to their lenders by logging into the MyUCCS Portal using their student logon and password. The Enrollment Verification, and FERPA Form links are available in the Academic Resources section of the Student Portal. For questions, please contact registrar@uccs.edu or 719-255-3361.

Final Grades
Faculty are urged to POST grades ONLINE no later than 90 hours after the final exam.

Grades will be accessible for student viewing and printing on the web through the Student Self Service Center.

NOTE: PLEASE REFER TO THE STUDENT PORTAL TO SEE GRADES.

An official copy of grades can be obtained by ordering an official transcript.

Graduation
Requirements for Bachelor’s Degree Candidates
Students who expect to graduate at the end of the term must contact their academic advisor in the college/school from which they expect to receive the degree. In addition they must apply to graduate no later than the first week of classes. Only those students who have contacted their academic advisor and applied to graduate may be certified for graduation. Students who are graduating from Business, Engineering, LAS, Health Sciences, or Public Affairs should contact the Student Success Center the semester before their planned graduation for the Senior Audit appointment.

Requirements for Master’s & Doctoral Degree Candidates
Any candidate for a graduate degree is required to take a comprehensive examination, and/or thesis/dissertation defense, and/or capstone project according to departmental requirements after the other requirements for the degree have been substantially completed.

To be eligible for graduation, students must:

- fulfill appropriate requirements as established by their major department and the Graduate School
- complete and have approved the Application for Admission to Candidacy form and the Diploma Card
- successfully pass the comprehensive examination, thesis/ dissertation defense according to the following deadlines:

During Registration for Summer:
Complete the Application for Admission to Candidacy, any Transfer of Credit from another school if needed, the Diploma Card and the Departmental comprehensive exam, project, report, thesis/ dissertation defense forms and submit to major department.
Department submittal to Graduate School by June 13, 2014.

By Aug 5, 2014: After defense, submit report forms, showing a satisfactory pass, with at least three departmental signatures to the graduate school. Process all grade changes for any incomplete grades on courses needed for the degree. Students must submit completed thesis to the Library by the last day of finals of the semester in which they intend to graduate.

Candidate for Degree
Students who are not taking regular courses during the term in which the comprehensive exam or thesis defense occurs must enroll as “Candidate for Degree.” Tuition for “Candidate for Degree” enrollment is the equivalent of one semester hour resident graduate tuition, plus appropriate fees described in the “Tuition and Fees” section of this Schedule. A student need not be registered to submit the thesis/dissertation. Students on F-1 visas need to check with the Office of International Affairs for minimum registration requirements.
Copies of the University Thesis Manual and Dissertation are available in the departmental offices, www.uccs.edu/gradschl, the Graduate School, and the Library. Students using human, animal and biohazard subjects in research must obtain approval from the appropriate committee (IRB, IACUC, IBC) before beginning such research. Please consult the Office of Sponsored Programs website for compliance information, www.uccs.edu/~osp.

**Degrees**

Degrees are verified, awarded, and posted approximately 7 weeks after the end of the semester. Official transcripts previously requested that were being held for degree posting are mailed out within a week to ten days.

**Honor Code**

Academic honesty and integrity are vital elements of a dynamic academic institution. The responsibility for ethical conduct rests with each individual member of the academic community: students, faculty, and staff.

The University of Colorado Colorado Springs has an ongoing commitment to maintain and encourage academic integrity. Copies of the University's Academic Honor Code, a set of standards of academic honesty and procedures governing violations of these principles, are available in the University Library, the Office of Dean of Students, or the Vice Chancellor's office.

**Forms of Academic Dishonesty**

- **Plagiarism:** Use of distinctive ideas or words belonging to another person, without adequately acknowledging that person's contribution.
- **Cheating:** Intentionally possessing, communicating, using or attempting to use unauthorized (by the instructor) materials, information, notes, study aids, or other devices, in any academic exercise.
- **Fabrication and Falsification:** Intentional and unauthorized alteration or invention of any information or citation in an academic exercise.
- **Multiple Submission:** Submission of substantial portions of either written or oral academic work which has previously earned credit, when such submission is made without instructor authorization.
- **Misuse of Academic Materials:** Intentionally or knowingly destroying, stealing or making inaccessible, library or other academic resource material.
- **Complicity in Academic Dishonesty:** Intentionally or knowingly contributing to the academic dishonesty of another.

These examples of academic dishonesty are not comprehensive, and infractions will be dealt with on an individual basis. Each student is expected to assist in the enforcement of academic standards. Infractions should be first brought to the attention of the instructor, then to the dean of the college.

**Orientation for New Students**

Sessions of the Student Orientation, which includes advising and registration program will be held before the start of each semester for all new students. The program is meant to prepare new students for their initial enrollment and to help ensure success at UCCS. Attendance is required for all new undergraduate students before they will be allowed to register for classes. Because classes are filled on a first-come, first-served basis, students should attend the earliest program possible.

Academic advisors from the Student Success Center will be available to answer questions and help students plan their class schedules so they can register that same day.

**Orientation for Graduate Students**

Graduate students are NOT required to attend an orientation unless otherwise instructed to do so by the program in which they plan to enroll. The Graduate School hosts a New Graduate Student Welcome Reception at the beginning of the fall and spring semesters, and new students are encouraged to attend. Contact the Graduate School at 719-255-3072 or gradinfo@uccs.edu for more details.

**Student Outcome Assessment Agreement**

UCCS requires a series of student outcome assessments at the beginning of the freshman year and at the end of the sophomore and senior years as part of the educational experience. Assessments are kept confidential and will not affect a student's academic standing. Assessments are used along with other students' test scores to identify relative strengths and weaknesses in the educational program for the continual improvement of UCCS.

**Transcripts**

Current students can order official transcripts on the myUCCS Portal with no cost for standard processing. Transcripts will be processed 5-7 business days from the date the transcript is ordered and mailed through the United States Postal Service via first class mail.

Former students and those requesting special processing (Fed Express, PDF, or Pickup) can visit www.uccs.edu/admrec/transcripts.html for detailed ordering information, special handling charges and easy online payment.

Transcripts will be withheld for students with current financial obligations to the university, or disciplinary actions that are in progress from any CU campus. Please visit www.uccs.edu/admrec/transcripts.html or call 719-255-3376 if you have further questions.

UNIVERSITY POLICIES

Affirmative Action
The University of Colorado Colorado Springs follows a policy of equal opportunity in education and employment. In pursuance of this policy, no campus department, unit, discipline, or employee shall discriminate against an individual or group on the basis of race, color, religion, sex, age, national origin, sexual orientation, individual handicap, or veteran status. Under Colorado state law, sexual orientation includes a person’s orientation toward heterosexuality, homosexuality, bisexuality, or transgender status. This policy applies to all areas of the University affecting present and prospective students or employees.

The institution’s educational programs, activities, and services offered to students and/or employees are non-discriminatory and consistent with State Affirmative Action guidelines, as well as with Federal laws and orders.

For information about these provisions on equity, discrimination, or fairness, as well as internal and external complaint procedures, contact the Director of Student Enrichment Services, Room 318, Main Hall or call 719-255-3359.

UCCS Affirmative Action/Equal Opportunity Policy Statement
The University of Colorado Colorado Springs is committed to creating and maintaining a work and study environment for faculty, staff, and students that does not discriminate on the basis of race, color, religion, sex, age, political affiliation, national origin, individual handicap, sexual orientation, or veteran status. All employees, faculty and students must be allowed to work, study and teach in an environment that is free of unwanted sexual overtures which undermine the integrity of employment, teaching, and faculty-student relationships. The University of Colorado Colorado Springs is as a matter of principle and legally committed to the cause and spirit of affirmative action and equal opportunity. As Chancellor, I wish to emphasize my professional and personal commitment in assuring that the implementation of affirmative action programs thus yield positive, tangible results at CU Colorado Springs.

Effective implementation requires the involvement, participation, and support of all segments of the University. Positive, good faith efforts will be required of everyone, but particularly of those individuals who are responsible for recruiting, hiring, evaluating, and promoting others. Performance in this area will be an important element in the evaluation of all campus administrators and supervisors. The Director of Student Enrichment Services is available to assist all employees, faculty, and students in this important area.

Colorado Rionting Act
No person who is convicted of a riot offense shall be enrolled in a state-supported institution of higher education for a period of twelve months following the date of conviction.

A student who is enrolled in a state-supported institution of higher education and who is convicted of a riot offense shall be immediately suspended from the institution upon the institution’s notification of such conviction for a period of twelve months following the date of conviction; except that if a student has been suspended prior to the date of conviction by the state-supported institution of higher education for the same riot activity, the twelve month suspension shall run from the start of the suspension imposed by the institution. Nothing in this section shall be construed to prohibit a state-supported institution of higher education from implementing its own policies and procedures or disciplinary actions, in addition to the suspension regarding students involved in riots stipulated above. (Colorado Revised Statutes, 23-5-124).

Drugs and Alcohol
In compliance with the Drug Free Schools and Communities Act, the University of Colorado Colorado Springs prohibits the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance, or of illicit drugs and alcohol, on university property or as part of any university activity. This prohibition applies to all students and to all employees. Any employee (including student employees) who act in violation of the above policy also results in a conviction under a criminal drug statute must report the conviction in writing to the employee’s departmental supervisor within five days. The University, in turn, may be obliged by law to report certain convictions to the federal government.

The University, through regulated law, established governance committees, procedures, and state laws and policies, will impose sanctions for violation of this policy, which may include but is not limited to mandatory participation in a rehabilitation program, or disciplinary action such as reprimand, suspension, salary reduction, demotion, or termination of employment for employees, and for students a warning, probation, suspension, ineligibility for financial assistance, expulsion from university housing, or dismissal or expulsion from the University itself.

Many of the Acts which violate this policy also violate criminal law and must be referred for prosecution. In such cases law enforcement agencies may administer a separate penalty such as a fine or imprisonment. For more information, go to: http://www.uccs.edu/aod/

In addition to the imposition of legal and financial consequences associated with the abuse of drugs and alcohol, the physical and psychological effects of such abuse can have a devastating effect upon the ability to perform physical and intellectual skills required of a student or employee. It can also impair the ability to develop and maintain the interpersonal skills and the working relationships essential to an effective environment.

The University of Colorado Colorado Springs provides education, counseling, and referral for rehabilitative treatment relating to drug and alcohol abuse. Students should contact the Counseling Center for additional information.

Privacy Act - FERPA
The University of Colorado Colorado Springs informs students of the Family Educational Rights and Privacy Act (FERPA) of 1974. The University intends to comply fully with the Act, which was designed to protect the privacy of education records, to establish the right of students to inspect the privacy of education records, to establish the right of students to inspect and review their educational records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with the Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures by the institution to comply with the Act.
Parents and eligible students who need assistance or who wish to file a complaint under FERPA or PPRA should do so in writing to the Family Policy Compliance Office, sending pertinent information through the mail, concerning any allegations to the following address:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202
1-800-USA-LEARN (1-800-872-5327)

The complete policy can be found in the University library and the Office of the Registrar web site. Information is also published in the Catalog. A directory of records, which lists all education records maintained on students by this institution, may be found in the Office of the Chancellor.

The University of Colorado Colorado Springs (UCCS) has designated the following as directory information: student name; student address (mailing and permanent); telephone number; campus e-mail address; dates of attendance; previous educational institutions attended; School/College or division of enrollment; majors/minors and field of study; class level; degree(s), honors and awards applied for or conferred (including certificates, thesis and dissertation titles) and dates conferred with location; enrollment status; expected date of completion or graduation in enrolled course of study; student employment; College Opportunity Fund application and authorization status for Colorado residents; past and present participation in officially recognized activities and sports (including height and weight of athletes); and photo of student (Student ID). Although these items are designated by the institution as directory information, only a limited amount of this information is routinely disclosed by UCCS officials and the University retains the discretion to refuse to disclose directory information if it believes such disclosure would be an infringement of your privacy rights.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. Examples of a school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position including law enforcement unit personnel and health staff; a person or company with whom the university has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; reporting to CO Dept of Education, Student Clearinghouse or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her duties.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the university discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

Currently enrolled students may withhold disclosure of directory information under the Family Educational Rights and Privacy Act of 1974. To withheld disclosure, written notification must be received in the Office of the Registrar. Forms requesting the withholding of “directory information” are available at the Admissions and Registrar’s Offices. The University of Colorado assumes that failure on the part of any student to request specifically the withholding of “directory information” indicates individual approval for disclosure. Questions concerning the Family Educational Rights and Privacy Act may be referred to the Office of the Registrar.

Residency Classification For Tuition Purposes
A student is classified initially as an in-state or out-of-state registrant for tuition purposes at the time an application and all supporting credentials have been received in the Office of Admissions and Records. The classification is based upon information furnished by the student and from other relevant sources. The requirements for establishing residency for tuition purposes are defined by law of the State of Colorado (Chapter 23, Article 7, Colorado Revised Statute 1973, as amended).

NOTE: Due to the complexity of the statute, detailed information should be obtained directly from the Office of Admissions and Records, 719-255-3381.

After the student’s status is determined, it remains unchanged in the absence of satisfactory evidence to the contrary. Classification standards conform to state statutes and judicial decisions and are applicable to all of Colorado’s state-supported colleges and universities.

The student who, due to subsequent events, becomes eligible for a change in classification, whether from out-of-state or the reverse, has the responsibility of informing the tuition classification office, Office of Admissions and Records, after such a change occurs. If an adult student or an emancipated minor establishes domicile outside of Colorado, he/she is to send written notification within five days to the tuition classification officer.

Petitioning for Classification Change
Any student who is 23 years of age or older, or is an emancipated minor as defined by law, is qualified to change his domicile and his or her tuition classification status. Detailed instructions as to the procedure to follow and the necessary petition forms are available from the tuition classification officer, University of Colorado Colorado Springs, Office of Admissions and Records.

Classification Notes
1. Petitions will not be acted upon until an application for admission to the University and complete supporting credentials have been received.
2. Changes in classification are made effective at the time of the student’s NEXT registration term.
3. A student who willfully gives wrong information to evade payment of the out-of-state tuition is subject to legal and disciplinary action.
4. Petitions must be submitted by June 9, 2014 for the summer term.
5. Late petitions will not be considered until the next term.

Residency-Active Duty Military
Special rules apply to active duty members of the U.S. and Canadian armed forces who are permanently stationed in Colorado, and their dependents. Honorably Separated/Retired Military
Per House Bill 09-1039, honorably separated or retired military from active duty are eligible to qualify for in-state tuition rates. If this is your first semester, please turn in your DD-214, Member 4, with

Student Appeals
The University has established procedures for students who believe that inappropriate decisions have been made that affect them. Academic issues (for example, graduation requirements or course grades) should be addressed to the office of the dean of the appropriate school/college. Appeals of administrative actions (for example, financial aid awards, or parking tickets) should be directed to the Office of the Dean of Students in Main Hall, Third Floor, Room 322, 719-255-3901. See our web page at http://www.uccs.edu/dos/student-conduct.html for more information.

Student Conduct
The University of Colorado Colorado Springs has established a code of conduct Standards of Conduct to maintain the general welfare of the University community. The University strives to make the campus community a place of study, work and residence where people are treated with civility, respect and courtesy. Admission to the University carries with it the expectation that students will be responsible members of the campus community. This includes respecting the personal safety and individual rights of all in the University community, acting in accordance with accepted standards of social behavior and abiding by the regulations of the University and the laws of the city, state and nation. The Standards of Conduct clearly state the University's expectations for student behavior. Students are expected to become familiar with these standards and fully understand their responsibility as University community members.

The Standards of Conduct apply to all students at UCCS, regardless of designation, program, or residence. These regulations apply primarily to misconduct on University premises; however, off campus violations that may impact the University's mission fall under the jurisdiction of the Office of the Dean of Students and may lead to disciplinary action.

The Standards of Conduct help to promote a safe and civilized campus environment. All students enrolled at UCCS are required to abide by these standards or they will be subject to discipline. An attempt to commit an act prohibited by these standards or attempts to aid, abet or incite others to commit acts are subject to discipline to the same extent as a completed act. Similar standards of conduct apply to other members of the University community, faculty, staff and visitors. Allegations of any violations should be directed to the office of the Dean of Students for resolution.

The Standards of Conduct document details the rights and responsibilities of students accused of misconduct as well as victims of alleged student misconduct. Questions regarding behavioral issues should be directed to the Office of the Dean of Students in Main Hall, Third Floor, Room 322, 719-255-3901. See our web page at http://www.uccs.edu/ir/Data/Students.html for more information.

The Colorado Department of Health and Environment requires any student who is enrolled for one or more classes, born January 1, 1957, or later, be immunized against Measles, Mumps and Rubella (German Measles) (MMR), or provide documented proof of immunity. Individuals born before January 1, 1957 are presumed immune and are exempt from the immunization requirement.

In order to meet this State Health Dept requirement, four options are available to you:

1) Provide proof of immunity consisting of an official Certificate of Immunization, signed by a physician, nurse, or school health authority, which documents two doses of rubeola measles, mumps, and rubella measles vaccine. A completed immunization certificate must:

   A) Include month, day and year of vaccination.

   B) Indicate, when applicable, that the first dose of MMR was administered on or after the first birthday and at least one month apart.

   C) Include a **signature** or **stamp** of a doctor, nurse, or school health authority, official letterhead, or have as an attachment, other signed documents evidencing immunity.

   *Note: Documentation can be obtained from several sources: medical records, former college or high school records, military records, or personal/family (certified) shot records.*

2) Blood test results, called “titers” proving immunity to all three diseases (rubeola measles, mumps and rubella measles) are acceptable.

   *Note: The lab tests MUST be shown for all three diseases in order to meet the requirements.*

3) Sign a personal, religious, or medical exemption. This option is available for people who are unwilling or unable to provide proof of immunizations.

   *Note: By accepting this option, it is stressed that in the event of an outbreak, the Colorado Department of Health and Environment may dismiss all students with an exemption from campus for the duration of the outbreak.*

4) The MMR immunizations are available for all students at the Student Health Center by appointment, or you may contact your personal health care provider or local Health Department to schedule an appointment to obtain the vaccine.

   *Note: For the students who are unable to acquire any proof of immunization, the immunizations are a series of two shots, thirty days apart.*

This Certificate of Immunizations form should be completed or a COPY of your two CERTIFIED MMR’s should be mailed or faxed to the Student Health Center prior to, or upon your arrival on campus.

A student’s business program/catalog year is the one in effect at the time of a student’s most recent admission to UCCS College of Business or to LAS Pre-Business. Transfer students from Colorado Community Colleges may follow the graduation requirements in effect during the academic year the student began their study at the community college if they complete the AA Business Option (restrictions apply, please see UCCS Student Success Center). All others are evaluated on a case by case basis. The student bears primary responsibility for the fulfillment of degree requirements.

Administrative Drops
Business faculty or the dean MAY drop students for lacking proper course prerequisites and/or class standing. Business faculty also may drop students who do not attend the first class without prior permission from the instructor. This policy allows the adding of waitlisted students who attend the first class.

Course Fees
All students taking courses in the College of Business will pay a technology fee based upon the course subject heading. For Information Systems (INFS) and Quantitative Studies (QUAN) courses, the fee will be $15 per semester hour. For all other College of Business courses, the fee will be $5 per semester hour. Online business courses require a $100 fee. The maximum fee charged to a student for all College of Business courses taken in a semester is $120 except for PGMT and distance online courses.

Graduating Students
All students graduating from either the undergraduate or MBA program must contact the appropriate College of Business advising office for a complete academic evaluation (senior/MBA graduation audit) DURING THE SEMESTER PRIOR TO THEIR FINAL SEMESTER.

Incomplete Grades
Incomplete Grades (I’s) are appropriate for students who have completed a substantial portion of the semester but who then become ill or encounter other documentable extenuating circumstances beyond their control that prevent them from completing their coursework.

Instructors have sole discretion to award a grade of I. The purpose of an I is to allow students to make up missing work or exams; therefore, a student must meet with his/her instructor to develop a plan for completion. Students may not attend any part of the course a second time, unless they register and pay for the course. To resolve an I, the student must complete the specified work by the specified deadline. In all cases where an I is not remedied, the I grade automatically converts to an F on the student’s permanent record one calendar year after award of the I. The student is responsible to ensure that incomplete grades are remedied at least four weeks prior to his/her scheduled graduation date.

Pass/Fail Course Registration
With the exception of BUAD 3010, 3020, 3030, internships numbered 4960 and 6960, and certain experimental courses, CoB students may not use courses taken on a pass/fail basis to satisfy required courses. Only open electives may be taken on a pass/fail basis and applied toward the undergraduate degree. No pass/fail courses may be taken and applied toward the Graduate degree program. Pass/Fail determination must be made within university deadlines and is irreversible.

Undergraduate
Undergraduate Standards of Performance
Students are held to basic standards of performance established for their classes with respect to attendance, active participation in course work, promptness in completion of assignments, correct English usage both in writing and in speaking, accuracy in calculations, and general quality of scholastic workmanship. In general, examinations and scholarly papers are required in all courses and for all students.

To be in good standing, (i.e.: not on probation) a minimum scholastic cumulative grade point average (GPA) of 2.0 is required for all coursework attempted, a 2.0 GPA for all business courses, and a 2.0 GPA for each semester. These GPA requirements apply to
work attempted at all University of Colorado (CU GPA) campuses. Remedial course work is not included in the overall average. Students are responsible for being aware of their academic standing at all times; late posting of grades and/or late notification by the College does not waive this responsibility.

**Course Eligibility** - Prerequisites, as listed for individual courses in the Course Description section of the current Academic Catalog or Schedule of Courses, are enforced for all students, including non-business students. In addition, it is expected for CoB students that all Skills Courses must be completed (with a grade of C- or better) prior to enrolling in the Junior Core and Emphasis classes. Priority for registration in business classes is given to business degree students. If you are uncertain about your eligibility for enrollment in a business course, contact the Student Success Center at 719-255-3260.

**Intra-university Transfer** - Students who wish to transfer to the College of Business from another degree program at UCCS must submit an application in the Student Success Center upon completion of at least 15 semester hours of graded work on campus with a 2.7 cumulative CU GPA and with at least C- or better grades in Engl 1310 and Math 1040/1120; those with a GPA between 2.50 and 2.69 will be reviewed by the Business Admissions Committee. A minimum of 30 hours of business course work must be completed at the College of Business including 18 hours in the area of emphasis and BUAD 4000 & 4500. Coursework taken prior to admission to the College will not be accepted toward area of emphasis requirements, nor are pre-Business (PRBU) students in the College of Letters, Arts & Sciences (LAS) permitted to enroll in any business courses 2020 or higher (except for MKTG 3000 and MGMT 3300). * Furthermore, declaration as a PRBU major does not guarantee transfer into the College of Business or application of any business credits earned while a LAS student.

Non-degree students may enroll in upper division courses only with the permission of the Program Director, Undergraduate Programs for the College of Business.

**Repeating Courses**
Repetition of College of Business coursework is permitted only with prior permission from the College. The repetition of coursework at other institutions will be permitted subject to receiving prior CoB approval and University transfer approval requirements. Area of emphasis, skills, junior core, and senior capstone courses must be completed with a grade of C- or higher; all repeated work grades do not replace prior grades but will be averaged into the student GPA.

**Transfer Students**
CoB transfer students must meet all requirements for admission to UCCS. For a detailed explanation of transfer student admission, requirements, and policies, please see the current Academic Catalog.

**Independent Study**
Students who wish to pursue a topic of interest in greater depth than that offered in the classroom may register for independent study courses with the approval of the program director and course instructor. Prior to registering for an independent study, the student must meet with the appropriate faculty member to design the independent study project and complete the independent study form. The form should then be returned to the program director (Undergraduate Office for undergraduate students or the MBA Office for graduate students) for final approval and course processing.

**The Professional Program**
The Professional Program begins in the junior year and allows students to begin focused study in their chosen discipline. CoB students declare an Area of Emphasis (concentration) for their academic degree requirement and must follow the sequence of courses listed in the Model Degree Plan for their catalog year of acceptance. It is expected for CoB students that all Skills Courses must be completed (with a grade of C- or better) prior to enrolling in the Junior Core and Emphasis classes. Priority for registration in business classes is given to business degree students. If you are uncertain about your eligibility for enrollment in a business course, contact the Student Success Center at 719-255-3260.

In order to graduate with a Professional Program Area of Emphasis, students must maintain the following criteria:
- 2.0 cumulative GPA
- 2.5 College of Business GPA
- 2.5 Area of Emphasis GPA

Students not meeting these requirements will not be permitted to graduate with a Professional Program Area of Emphasis, but will receive a Bachelor of Science in Business degree provided that their CU GPA and Business GPA are at least a 2.0.

**Graduate Course Eligibility** - Students must be officially admitted to the MBA program or to another UCCS graduate program to register for 5000 or 6000 level courses. Those students who already have a Masters or a Ph.D. degree should consult with the College of Business MBA advising office to determine their eligibility for graduate level coursework.

**MBA Foundation Requirements**
The College of Business provides the following series of business courses as required foundation courses for graduate study in business. These courses may be waived on a course-by-course basis by prior academic coursework at the discretion of the MBA advising office.

- **ACCT 5500 3.0 Introduction to Accounting**
- **BUAD 5500 3.0 Fundamentals of Business Statistics**
- **BUAD 5600 3.0 Business, Government and Society**
- **QUAN 5500 3.0 Fundamentals of Business Statistics**

The determination of which (if any) of these foundation courses are required is made when the student meets with an MBA advisor at the time of his/her admission to the MBA program.

**Repeating Courses**
Any grade below C (2.0) is not a passing grade for graduate students. A student may repeat a course once for which he or she has received a grade below C. Both the original grade and the grade for the repeated course count in the computation of the grade point average which is used to satisfy graduation requirements. All work attempted will appear on permanent records.

**Statement of Academic Standards**
To be in good standing, MBA students must have an overall grade point average of not less than 3.0 for degree program and degree program foundation course work attempted. Any individual grade below C (2.0) is not a passing grade for graduate students. See the Academic Catalog for more detailed information.

**Preparation Programs for Teachers**

The University of Colorado Colorado Springs offers three pre-service programs. The Teacher Education and Licensure Program (TELP) leads to teacher licensure for elementary (K-6) and secondary (7-12) education at both the undergraduate and post-baccalaureate levels. The UCCS Teach Program offers licensure for undergraduate and post-baccalaureate secondary (7-12) teacher candidates in the content areas of mathematics and science candidates. The Alternative Licensure Program (ALP) leads to teacher licensure for secondary (7-12) teaching only. Secondary programs are limited to the fields of English, mathematics, science, social studies, and Spanish. Application deadlines are in October and February. The Special Education program leads to recommendations for teacher licensure or endorsements as a generalist for ages 5-21. Students in the Special Education Program acquire either a baccalaureate degree in Letters, Arts, and Sciences or a Master of Arts degree as part of their teacher preparation program.

**The Alternative Licensure Program (ALP)**

The Alternative Licensure Program (ALP) seeks self-motivated, committed, resourceful individuals who can readily assume teaching roles in a classroom. Paraprofessional, career change individuals, and retired military all may have potential for participating in this rigorous, fast-paced program. The courses are graduate level and ALP may result in a master’s degree upon completion of an additional 6 semester hours. Applications are due by **February 1**, of each year. Please call at 719-255-4526 for information.

**Educational Technology Requirements**

All students admitted to College of Education programs after January 1, 1983, must demonstrate proficiency in educational technology use, applications, and issues prior to graduation.

Counseling and Human Services applicants are admitted once a year with an application deadline of February 28. Counseling and Human Services applicants are required to complete a series of admissions activities. Consult with the program assistant from the Department of Counseling and Human Services to obtain more information about the activities and other admissions requirements. Application forms should be submitted to the College of Education, University of Colorado Colorado Springs, 1420 Austin Bluffs Parkway, Colorado Springs, Colorado 80918-3733.

Applicants to the School Counseling, Special Education, Teacher Education, UCCS Teach Program, and Alternative Licensure Programs require successful completion of specific PRAXIS II or PLACE (Programs for Licensing Assessments for Colorado Educators) tests. Contact Teacher Education at 719-255-4526 for appropriate PRAXIS or PLACE test for TELP and ALP. Applicants for graduate studies who do not already have a master’s degree, except and Sp. Ed. must take either the Graduate Record Examination (GRE) or Miller Analogies Test (MAT) as a part of the requirements for admission. Educational...
leadership students must take the (GRE). The results should be sent directly to the College of Education, University of Colorado Colorado Springs, 1420 Austin Bluffs Parkway, Colorado Springs, CO 80918-3733. No application will be considered complete until the test scores are received.

Graduate Work Done as an Unclassified Student
If you are in education and would like to update your competencies or complete a specified amount of graduate study for license renewal, advancement in salary, or a change of assignment but are not interested in earning a graduate degree, you should apply to the Office of Admissions for admission as an unclassified student. Upon admission you may enroll, and after the end of the term (please allow four weeks for transcript processing) receive an official record of work completed. You may confer with the College of Education faculty about courses in which to enroll. If you decide to apply for graduate student status, you should be aware that only nine hours taken as an unclassified student may apply toward a degree.

Graduation Procedures
Please visit the College of Education the semester prior to the intended semester of graduation to pick up necessary paperwork. Application for graduation must be completed no later than January 30th for spring graduation, June 1st for summer graduation and September 1st for fall graduation. Depending on your degree program, paperwork may include the comprehensive exam registration form, the “application for diploma” card, and the “Application for Admission to Candidacy for an Advanced Degree.”

Students are responsible and liable for damage to equipment caused by neglect, improper use or failure to follow operating instructions.

**Pre-Engineering Program**  
Students who do not meet certain criteria are admitted into the College of Letters, Arts, and Sciences as Pre-Engineering students. Pre-Engineering is not a major and as soon as students meet the criteria for admission to the College of Engineering, they should make an appointment with their academic advisor to transfer into Engineering.

**Undergraduate Students**

**Academic Advising**  
All students must be advised prior to registering for courses in the fall or spring semesters.

**Transfer Credit Evaluation**  
Once a student has been admitted, an initial transfer evaluation will be completed. He/she will need to attend an orientation session. The student’s credits will be applied to their degree program once they have attended orientation.

**Graduation Check**  
Graduating seniors need to schedule an appointment with the Engineering Advisor, 719-255-3260, during the semester prior to the intended date of graduation to conduct a Senior Audit.

- Pre-Dentistry
- Pre-Medicine (choose major)

Pre-Education: elementary (K-6) or special education (K-12) choose major from biology, English, geography & environmental studies, history or Spanish. For secondary education (7-12) choose major from biology, chemistry, English, history, mathematics, physics or Spanish.

Pre-Child Health Associate/Physician Assistant

Pre-Veterinary Medicine

For information see the "pre-professional curricula" section of the Catalog. Students are reminded that only the pre-professional portion of these programs may be completed on this campus and that they must apply for acceptance to the final stage of the program at the professional school offering the degree.

Statement of Academic Standards-Undergraduate
Students are held to basic standards of performance established for their classes with respect to attendance, active participation in course work, promptness in completion of assignments, correct English usage both in writing and in speaking, accuracy in calculation, and general quality of scholastic workmanship. In general, examinations are required in all courses and for all students including seniors. To be in good standing, students must have a cumulative CU grade-point average of not less than 2.0 (C=2.0) for all course work attempted. This applies to work taken at all University of Colorado campuses.

Academic Suspension
The normal suspension period in the College of Letters, Arts and Sciences is one academic year. However, students may request their suspension be held in abeyance for the term by making an appointment with the Associate Dean of the College or the Coordinator of Probation/Suspension in the Student Success Center. Otherwise, students suspended for the first time will be reinstated after the normal suspension period has been served upon reapplying for admission to the University.

Further information on academic probation and suspension can be found in the UCCS Catalog and at the Student Success Center, Main Hall, Second Floor.

Admission and Academic Advising

Admission
Students should obtain an application form from the Office of Admission and Records and submit their application in accordance with the relevant deadlines.

Academic Advising for New Students
All entering students must attend an orientation prior to registering for courses. At these sessions, academic advisors will explain graduation requirements for a degree from the College of Letters, Arts and Sciences and will be available for academic advising. Call 719-255-3260 for dates and times of the orientation, or go to the web-site http://www.uccs.edu/~orientation.

Unclassified Students
Students who are at least 20 years old as of Sept. 15 for Summer Term and Fall Term or Feb. 15 for Spring Term and who are unable to meet application deadlines are encouraged to apply as Unclassified Students in order to begin work on an LAS program while completing application procedures. In general, a maximum of 12 semester hours taken as an unclassified student may be applied toward a degree. Unclassified students are encouraged to come to the Office of Student Recruitment and Admissions Counseling, in Cragmor Hall, Room 008, or 719-255-3084.
**LAS Juniors** who wish to graduate with departmental honors should contact their major departments for requirements.

**LAS Seniors** who expect to graduate during the current semester must contact the Student Success Center to schedule a final graduation appointment. **Note:** Prior to making this appointment it is preferred that you have completed the composition requirements and the reasoning skills requirement. All requirements must be completed by the last day of classes.

**Prospective Students**
The Office of Student Recruitment and Admissions Counseling is happy to answer your questions about becoming a student at UCCS. We work with all high school and college transfer students. Our office is located in Cragmor Hall, Room 001. Monday – Friday, 8am – 5pm. If you have questions call 719-255-3084 or 1-800-990-8227, extension 3084. **Miscellaneous Information**
**The Catalog:** Please refer to the Catalog for course descriptions, prerequisites, and a more complete description of admission requirements, programs, graduation requirements, etc. The Catalog is online at [http://catalog.uccs.edu](http://catalog.uccs.edu)

**Prerequisites:** Prerequisites are the courses which must have been completed prior to registering for another given course. If there are any doubts, see the course description in the Catalog, or ask a department representative.

**Non-LAS Courses:** Students in the College of LAS may register for courses in other colleges such as Business, Education, Engineering, or the School of Public Affairs; however, only 30 hours in such courses may be credited toward the Bachelor's degree.

**Pass/Fail:** A maximum of 15 hours of P/F work may count toward a degree in the College of Letters, Arts and Sciences. **Only electives may be taken pass/fail.** Courses which satisfy requirements, including the major, must be taken for letter grades. Transfer students may take one hour pass/fail for every 8 semester hours attempted at this University. A maximum of 6 hours may be taken pass/fail during the fall and spring terms and no more than 3 hours during the summer.

**No Credit:** Changes to No Credit (NC) will not be approved after the final day of the Drop/Add period without both the approval of the Instructor and the Dean of the College of LAS.

**Repeating Courses:** If a course is repeated, credit for only one course will be counted toward a degree; however, if both courses were taken in the CU system, both grades will appear on the student's record and will be applied to the CU grade point average.

**Incomplete Grades:** Grades of incomplete (I) will be given only when there are clearly extenuating circumstances preventing a student from completing a course before the last day of the semester. The incomplete must be completed within one calendar year or it will be regarded as an F.

Incomplete grades are NOT appropriate for students who have never attended or stopped going to class, are failing or are otherwise too busy to complete the work on time, or do not appear for the final examination.

**Independent Study:** Students who wish to pursue a topic of interest in greater depth than that offered in the classroom may register for independent study courses with the approval of the appropriate department. Not more than 8 hours of independent study may be credited toward the major, and not more than 16 hours toward the Bachelor's degree. No student may register for more than 8 hours of independent study in any one term. Prior to registering for independent study, the student must meet with the appropriate instructor to design the independent study project and complete the independent study form. This form should be returned to the Student Success Center.

**Correspondence Study:** The College of LAS offers opportunities for correspondence study through Colorado Consortium. A maximum of 30 hours of such work may count toward the degree. This work carries resident credit if taken from CU.

**Summary Checklist of LAS Graduation Requirements**

1. Area Requirements = 36
2. Composition = 6
3. Reasoning Skills = 3-6
4. Oral Communication (no additional hours)
5. Cultural Diversity (no additional hours)
6. Global Awareness (no additional hours)
7. Major (minimum) = 30
8. Electives (variable)

**Total** = 120

(45 must be upper division)

Explanations of the above requirements follow.

**The Area Requirements**
A liberal arts degree provides students with a breadth of experiences, and the Area Requirements are designed to help fulfill that goal.

Consequently, each student must complete a minimum of 12 semester hours in each of the following areas:
- The Humanities
- The Natural Sciences
- The Social Sciences

These 36 hours are referred to as the “Area Requirements.”

**-- PLEASE READ - IMPORTANT INFORMATION --**

In this section you will find three lists of courses from various departments that have been approved to satisfy the Area Requirements.

**How to use these lists:**
1. Select only courses from the lists to fill Area Requirements.
2. Don’t use courses in your major; they apply elsewhere.
3. Don’t take these courses on a pass/fail basis.
4. Don’t take more than 2 courses from one department to satisfy a combination of humanities, social science, natural science. (i.e. 2 anthropology courses for natural sciences are fine, but you couldn’t use a 3rd course for social sciences.)

**Prerequisites: Prerequisites are the courses which must have been completed prior to registering for another given course. If there are any doubts, see the course description in the Catalog, or ask a department representative.**

5. Consult the Catalog course descriptions for additional information, including cross-lists, pre-requisites and co-requisites; even 1000-level courses may have them.
6. Prospective teachers have further restrictions; see an advisor before selecting courses.
7. Any cross-list for the courses listed below will also satisfy the relevant requirement.

**I. HUMANITIES REQUIREMENT - 12 hours**
The humanities requirement is divided into two categories - General Humanities and Core Humanities.

To qualify for a bachelor’s degree from the University of Colorado Colorado Springs, a student must complete C01 and C02 core writing requirements and demonstrate writing competency by passing the junior-level writing portfolio assessment. Students who do not complete the writing portfolio assessment should enroll in ENGL 3010, ENGL 3080, or another course as approved by the Director of the Writing Portfolio.

**ESL or ELL students enrolled in ENGL 1300 + 1305 or ENGL 1310:**
The First-Year Rhetoric and Writing Program advises ESL students to enroll in ENGL 1310 sections with faculty who are qualified for ESL writing instruction for non-native speakers. Please contact the Rhetoric and Writing Program, Columbine 1041 for ESL placement and enrollment consultations and advising.

Students may meet core C01 and C02 writing requirements in the following ways:

1. **Successfully complete ENGL 1300 + ENGL 1305 Stretch (C01 ENGL 1310 equivalent) and ENGL 1410 at UCCS and then pass the junior-level portfolio assessment.**
   A. Any student admitted to the university is eligible to register for ENGL 1300.
   B. To be admitted to ENGL 1305 Stretch, students must meet the following requirement:
      1) Complete ENGL 1300 Stretch with a C- or better.
      2) For individual placement questions, contact the Director of First-Year Rhetoric and Writing.

2. **Successfully complete ENGL 1310 and ENGL 1410 at UCCS and then pass the junior-level portfolio assessment.**
   A. To be admitted to ENGL 1310, students must meet one of the following requirements:
      1) Score 19-28 on the English ACT.
      2) Score 450 to 640 on the verbal SAT.
      3) Students with high school diplomas or GEDs may submit a writing sample to the Director of First-Year Rhetoric and Writing Program, Columbine 1041, for placement.
      4) Early college or high school concurrent students without high school diplomas or GEDs must present an ENGL ACT score of 19-28 (UCCS on site ACT testing is available) or a SAT score of 450-640.
   B. To be admitted to ENGL 1410, students must meet one of the following requirements:
      1) Complete ENGL 1300 + 1305 Stretch with a C- or better, or ENGL 1310 at UCCS.
      2) Score 29+ on the English ACT.
      3) Score 650+ on the ENGL SAT.
      4) Score 4 on the CEEB Advanced Placement English Language and Composition Exam.
      5) Score a 5 on the IB English Examination.
      6) Successfully complete a first semester writing course (an approved equivalent to ENGL 1310) at an accredited college or university with a C- or better.
      7) Score 50 and receive a ‘pass’ on the essay portion of the CLEP College Composition Modular Exam with essays. Not an option for Engineering majors.
   C. To demonstrate writing competency after C01 and C02 core writing, students must pass the writing portfolio competency assessment.

   The “final” C02 rhetoric and writing course for each undergraduate program is listed below:
   i. For LAS, SPA, and Nursing students: ENGL 1410
   ii. For BUS students: ENGL 2080 or INOV 2100
   iii. For EAS students: ENGL 2090 or INOV 2100

Students may transfer C01 and C02 writing courses if approved as equivalents by successfully completing one or two semesters of writing at an accredited college or university with a C- or better. Transfer students must also demonstrate writing competency by passing the junior-level writing portfolio assessment at UCCS or by taking ENGL 3010 or ENGL 3080.

**All UCCS undergraduate students must demonstrate competency by passing the Writing Portfolio Assessment at least 2 semesters prior to graduation. Portfolios should be submitted online by registering for PORT 3000 and following the email prompts.** Students may choose not to submit a writing portfolio and instead meet the competency requirement successfully completing, with a C- or better, ENGL 3010 or ENGL 3080.

3. **Qualify for a waiver of writing coursework through the CEEB Advanced Placement Examination.**
   A. Score 4 to receive credit for ENGL 1310, successfully complete ENGL 1410, then either pass the portfolio assessment or take ENGL 3010 or ENGL 3080 and earn a C- or better.
   B. Score 6 or 7 to receive credit for both ENGL 1310 and 1410, and then pass the portfolio assessment.

4. **Qualify for a waiver of composition coursework through the International Baccalaureate higher-level English exam.**
   A. Score 5 to receive credit for ENGL 1310, successfully complete ENGL 1410, then pass the portfolio assessment.
   B. Score 6 or 7 to receive credit for ENGL 1310 and 1410, and then pass the portfolio assessment.

**CLEP College Composition Modular Exam with Essays**

General Information

The academic policies, rules and regulations of the College and University are in the UCCS Catalog. All students are responsible for knowing and following the provisions set forth in the Catalog and in this schedule of courses. Students in the College of Nursing and Health Sciences are responsible for the information set forth in the Student Handbook and the Graduate Student Handbook which are accessible on our website at http://www.uccs.edu/bethel. These rules and regulations are subject to change. The Catalog that governs a student’s graduation requirements is the one in effect at the time of a student's most recent admission into the College of the student’s degree program. Any questions concerning these provisions are to be directed to the Program for graduate students or the Student Success Center for undergraduate students. The College cannot assume responsibility for problems resulting from the failure of a student to follow the policies stated in the Catalog or Handbook or from inaccurate information given by someone other than an appropriate staff member of the College. Similarly, students are responsible for all deadlines, rules and regulations in this schedule.

Bachelor of Science in Nursing Program

The graduate is prepared to practice professional nursing while providing care for individuals, families, groups and communities. Entering students are advised to consult the University Catalog to determine program requirements.
Continuing Students
Once students have accepted an invitation for a clinical spot their status will be changed from Pre-Professional Nursing to Nursing. The nursing curriculum is a very structured program and must be adhered to in order. Second year courses must be successfully completed prior to progression of third year courses. Third year courses must be successfully completed prior to progression of fourth year courses. If an interruption of the sequencing of courses is necessary, students accept their Leave of Absence knowing that a possible delay in program completion may occur.

RN to Bachelor of Science in Nursing Program
A registered nurse with an associate degree or diploma can choose the RN to BSN curriculum option. Beth-El participates in the Colorado articulation plan which facilitates mobility from one educational program to another. Each student will have variations in the plan due to completion of course work prior to entering Beth-El or due to scheduling variation (full-time or part-time). RN students are advised to apply to the nursing program prior to completion of general education requirements. Include a copy of RN License with application and a letter from the clinical manager stating that the applicant has completed 1,000 clinical hours in the last 3 years. If the applicant is within 3 years of graduation, a letter is not necessary. This program is offered online. Pre-requisites are not necessarily offered online.

Accelerated BSN Program
Students who have completed a bachelor’s degree in a non-nursing field may be eligible to apply for the accelerated BSN program. The cumulative GPA must be at least 2.5 or higher and a passing score on the pre-admission assessment test in order to be considered for this program. All required general education, pre-requisite courses and degrees must be completed by the end of the fall semester of the application year. Contact the Accelerated Option Coordinator (719-255-4465) or the Nursing Advisor (719-255-3473) for specific information.

Master of Science in Nursing
The graduate nursing program at Beth-El College of Nursing and Health Sciences builds upon and expands on the knowledge, values, and skills of the baccalaureate prepared nurse. Beth-El College of Nursing and Health Sciences offers a program of advanced study to become a Nurse Educator, or primary care nurse practitioner. Graduate nursing courses prepare the student for advanced nursing practice in primary care practice settings. The student gains experience with research, health care policy, nursing theory and holistic practice. Nurse Practitioner specialty areas include Adult/ Gero or Family. Master of Science in Nursing Education is also available.

A major goal of the graduate program is to prepare the graduate nurse to be an active participant in this country’s health care reform and to function as an advanced practice nurse in the evolving health care delivery system. The graduate of this program will be prepared to function in a variety of primary care settings with collaboration skills which promote interaction with all members of the health care team.

Doctorate of Nursing Practice
The Doctorate of Nursing Practice (DNP) provides the course work and practice experience necessary for the highest level of clinical nursing practice. The DNP develops and builds upon the advanced practice roles of the nurse practitioner and clinical nurse specialist, expanding the leadership, policy, clinical nursing scholarship and practice expertise.

Graduate Program Advising
All graduate students must obtain their initial degree plan of study from the Director of the Graduate Nursing program. Any alterations in degree plan must be approved by the student’s academic advisor or director. Alterations may change date of graduation.

NOTICE: Graduate students are responsible for the content and policies of the Graduate Department Student Handbook from the Beth-El website: http://www.UCCS.edu/bethel/current/studenthandbooks.html

Graduate Nursing Academic Progression
First grade less than B (less than 84%): A minimum grade of 84% or greater is required in all graduate coursework, including required courses, electives and transfer courses. A student who receives a grade below a B (less than 84%) may repeat that course with permission of the graduate director. The grade received in the repeated course will substitute for the original grade and only the latter grade will be used in calculating the graduate program grade point averages. However, all grades received appear on the student’s transcript and will be used in calculating the student’s university grade point average.

Two or more grades less than a B (less than 84%): If a student receives a second grade below a B (less than 84%), including the first which may have been repeated for a higher grade, dismissal from the graduate program will occur.

Bachelor of Science in Health Sciences
The Bachelor of Science in Health Care Science prepares the graduate for professional practice in health related settings. The program includes a foundation in general education as well as a broad understanding of health care delivery systems. It is possible to choose options within the program to develop advanced specialization in a specific or chosen discipline such as sport health and wellness promotion, or nutrition. An upper division bachelor degree completion option is available for students in allied health disciplines with associate degrees or certificates in Paramedicine, Radiation Technology, Dental Hygiene, Respiratory Therapy, etc.

Graduates are prepared to take leadership roles in designing, implementing, and evaluating health promotion programs in various public and private/worksite agencies at local, state, and national levels. The Health Promotion professionals trained in this program will possess the skills and knowledge to affect lifestyle choices and improve a person’s, community’s or organization’s health and wellness.

Certificate Programs
Beth-El offers courses that lead to certificates in specialty areas for graduate and undergraduate students. Contact the Extended Studies office (Sharon Clark) at 719-255-4486 or check the web site at http://www.uccs.edu/bethel/.

Statement of Academic Standards
Students are held to basic standards of performance established for their classes with respect to attendance, active participation in course work, promptness in completion of assignments, correct English usage both in writing and in speaking, accuracy in calculations, and general quality of scholastic workmanship. In general, examinations are required in all courses and for all students including seniors.

Undergraduate
To be in good standing, undergraduate students must have an overall grade point average of not less than 2.0 (C=2.0) for all course work attempted with no grade below a C- counting toward the degree. In addition, undergraduate nursing students must receive a 74% (C) in all required nursing and health science courses. Undergraduate health care science students must receive no less than 70% (C-) in all required health science and option courses. Two failures of any required nursing and/or health sciences core and specialty courses of two credits or greater will result in dismissal from the College. Students may petition in writing to the department chair for readmission to the College within 30 calendar days. Dismissal from the Nursing or Health Care Science program does not imply dismissal from the University of Colorado. Exceptions to this policy are only given by the Chairs of the Undergraduate Departments.

Incomplete Grades
Grades of incomplete (I) will be given only when there are clearly extenuating circumstances preventing a student from completing a course before the last day of the semester. Incomplete grades must be completed within one calendar year. Incomplete grades are not appropriate for students who have never attended or stopped going to class, are failing or are otherwise too busy to complete the work on time, or do not appear for the final exam.

Undergraduate Admission
Candidates for regular admission to the Bachelor of Arts in Criminal Justice program are expected to meet the general requirements for undergraduate admission to the University, as described in the General Information section herein. The Catalog that governs a student's graduation requirements is the one in effect at the time of a student's most recent admission into the school/college of the student's degree program.

No student may register for more than eight hours of independent study in any one term (summer, fall, or spring).

Master's Programs
The School of Public Affairs offers the following graduate programs:
- Master of Public Administration (MPA) degree
- Master of Criminal Justice (MCJ) degree
- Master of Public Administration/Master of Criminal Justice (MPA/MCJ) dual degree

In addition to the full master’s programs, the School of Public Affairs offers six graduate certificate programs, each requiring twelve semester hours of coursework. The graduate certificate programs offered through the School of Public Affairs include the Graduate Certificate in Public Management, Graduate Certificate in Nonprofit Management, Graduate Certificate in Nonprofit Fund Development, Graduate Certificate in Criminal Justice, Graduate Certificate in Homeland Defense, and the Graduate Certificate in Security Intelligence.

MPA/MCJ Dual Degree Program Requirements (54 hours)
The School of Public Affairs also offers a dual degree in Public Administration and Criminal Justice. This degree provides an opportunity for students to complete both programs in a shorter period of time. Students pursuing the dual degree program must apply separately and be admitted to each of the programs. It is possible for students currently admitted to one program to apply after admission to the other. The MPA and MCJ Directors serve as advisors for this program. Interested applicants should contact one of the directors prior to making an application.

Core Courses (24 hours):
- PAD 5001 Intro to Public Administration and Public Service
- PAD 5002 Organizational Management and Behavior

Electives (21 - 24 hours depending on need for internship and choice of capstone or thesis)
- Internship (3 hours), if required
- Capstone (3 hours) or Thesis (6 hours)

Capstone Seminar or Thesis: All graduate students are required to complete the Capstone Seminar or write a thesis. In the Capstone Seminar, students work with a client in a public, nonprofit or criminal justice agency to identify a problem; and then, using the knowledge and skills they have gained in the program, carry out a project and write a paper to address the problem. The principle of the course is that it provides students with an opportunity to integrate what they have learned and apply their knowledge and skills to a real-world problem. The Capstone Seminar is taken during the last semester of the student's degree program. All core courses must be completed before taking the Capstone Seminar.

The thesis option is available in lieu of the Capstone Seminar for students who have an interest in pursuing a topic in-depth or who are planning to pursue a career in research or academia. The thesis requires six semester hours of credit that normally spans two semesters. Thesis students typically conduct a comprehensive review of the theoretical and research literature in the subject area of their thesis and collect original data or analyze existing data in new ways. Minimum eligibility requirements apply; check the UCCS Catalog for more information.

Unclassified Student Status
While your application to SPA is being assembled and pending the decision of the Admission Committee, prospective graduate students may take up to 12 semester hours of SPA coursework as an unclassified/non-degree student. Unless prior written approval is obtained from the Dean, coursework in excess of 12 semester hours as an unclassified student will not be applied toward the MPA or MCJ degree.

Standards of Performance
To be in good standing, students must have an overall grade point average of 3.0 or better in all course work. A grade of B- or better is required in all core and Capstone classes. The academic performance of each student will be reviewed at the end of each semester. A student who has a grade point average less than 3.0 will, at the Dean's discretion, be placed on probation or suspension. Nondegree students who do not maintain a 3.0 grade point average may not be allowed to enroll in SPA courses. See the UCCS Catalog for more detailed information.

Transfer of Credit
Up to nine semester hours of appropriate graduate work from an accredited college or university may be credited toward the master’s degree. Only courses taken within six years prior to the semester of graduation may be applied to the degree. All transfer work must be approved in writing by the Dean.

Internship
Students without significant public or nonprofit sector professional work experience (or, for the MCI program, criminal justice experience) must enroll for a 3 credit hour internship as part of the

SHORT COURSE INFORMATION

Short Course Refund Deadlines:
Courses that meet less than 16 weeks during the fall and spring terms or 8 weeks during the summer have special refund deadlines. The deadlines for dropping short courses (or withdrawing for the term when only enrolled in a short course) without financial penalty are based upon the length of the course. See pages 8 and 9 for details regarding drops and withdrawals. If you have questions, please contact the Records Office at 719-255-3361 or email registrar@uccs.edu.

To find specific course deadlines, log into your myUCCS Portal, locate your classes under “academics” and click on the “deadlines” icon to the left of the class. Another window will open with the deadline information. It can also be found when you click on “My Class Schedule” for each course.

Full-time/Part-time Definition

1. A full-time undergraduate degree student is one who is enrolled for at least 12 credit hours. Undergraduate degree students are considered part-time when they are enrolled for fewer than the hours described above. Undergraduates enrolled 6-11 hours are considered half-time. These criteria also apply to all unclassified (non-degree) students.

2. A full-time graduate student is one who is enrolled for 5 semester hours of graduate level course work, or at least 8 semester hours in a combination of undergraduate/graduate course work acceptable for graduate credit, or any number of thesis hours.

3. Unclassified (non-degree) students with a degree seeking student loan deferment must be enrolled for 12 semester hours to be considered full-time or 6-11 hours to be considered half-time.
It is the policy of the University of Colorado Colorado Springs to adhere to the final examination schedule as published in the Schedule of Courses each semester. While it may be appropriate not to give a final in some cases such as laboratory courses, seminars, and colloquia, final examinations should be given in all other undergraduate courses.

Exceptions to this policy should be agreed upon by the faculty member and the chair of the department no later than the beginning of the semester in which an exception is requested. The resulting decision should be announced in writing to students in the class during the first week of classes.

In addition to the principles stated above, the following guidelines should be followed by all faculty members and administrators in order to assure fairness and the best possible education experience for students:

1. The scheduled final examination period should be considered an important part of the course and used as a final examination period or additional instruction.

2. The final examination in a course should be given as scheduled and not at other times even if the faculty member and all students in a course agree to such a change.

3. The week of classes preceding the scheduled final examination period should be used primarily for continued instruction and may include the introduction of new material. No hourly examinations are to be given during the week preceding final examinations.

4. Individual students may be granted a variance from these policies provided the instructor is satisfied that (a) the exception is based on good and sufficient reasons (such as religious observances) and (b) such an exception for an early or late examination will not prejudice the interests of other students in the course.

5. When students have three or more examinations on the same day, they will be entitled to arrange an alternative examination time for the 1st exam or exams scheduled on that day. Such arrangements must be made no later than the end of the 10th week of the semester (i.e. at the end of the drop period). Students will be expected to provide evidence that they have three or more examinations in order to qualify for exceptions.

6. This policy applies to all undergraduate students, including seniors. Graduating seniors should not be exempt from final examinations. Such exemptions are inappropriate on both procedural and academic grounds.

**WEB GRADES - STUDENT PORTAL**

Grade reporting service is available at the end of the term, Monday - Friday, 7:00 a.m. to 11:59 p.m. spring grades will be posted by Aug 6, 2014.

### Course Numbering System

The course number is comprised of a subject abbreviation, a course number, and a section number. The subject is an abbreviation for the department offering the course. The course number consists of 4 digits. The first digit indicates in a general way the class level of the course: “1000” courses are primarily for freshmen; “2000” for sophomores; “3000” courses for juniors; “4000” for seniors; and “5000” and “6000” for graduate students.

#### Level of Courses Numbered 9000-9980:

- 9000-9290, Lower Division, Undergraduate
- 9300-9490, Upper Division, Undergraduate
- 9500-9590, Graduate, Level 1
- 9600-9790, Graduate, Level 2
- 9800-9980, Other

**USE IT. DON’T LOSE IT.**

Have you applied for the College Opportunity Fund?

**What is the College Opportunity Fund?**
In fall 2005, the state of Colorado began providing direct funding to undergraduate resident students through the College Opportunity Fund or “COF.” This program is also known as “vouchers” or “stipends.” COF vouchers will be applied to an eligible student’s university bill, provided that the student has applied for COF and then authorized the use of the voucher each term of registration.

**Where can I get additional information?**
http://www.cu.edu/ums/cof/faq.html

**How can I make sure that the COF process works smoothly for me?**
Apply to College Assist to create your COF account. This needs to be done only once in your lifetime. New students should apply by June 9, 2014, to best help us provide better service during the registration and billing process for summer 2014.

**Where can I Authorize COF?**
Go to your student portal. Click the orange “Access Student Self Services” button. Under the “academics” section, click the blue link that says “COF Authorization/Review.” Authorize for lifetime or by term.

The voucher will appear on your tuition and fee bill, reducing your tuition, IF you have applied for it and authorized its allocation for that term. (The tuition reduction will vary each term depending on the number of COF eligible credits registered for.)
