Summit Green Artificial Turf Questions/Answers

Q. What is the construction time frame? Completion date? Expected start date?
A. Construction should start as soon as possible. Ideally the construction would be complete by August 18, 2008. If construction needs to continue beyond August 18, 2008 then construction activity will have to be temporarily halted August 19 and 20 and can restart on August 21, additional cleanup around the site and safety precautions will have to be implemented for August 19 and 20 beyond that ordinarily used during construction.

Q. Will there be students in the area?
A. Starting in mid-August numerous faculty and staff will be in the area and after August 18, 2008 there will be student, faculty and staff traffic in the area.

Q. Are there any restrictions in work hours?
A. Starting on August 21, 2008 work cannot start until after 8:00 a.m.

Q. Are payment and performance bonds required?
A. If the project costs more than $100,000 then bonds are required.

Q. Are there any liquidated damages?
A. No.
