On behalf of the UCCS Office of Financial Aid, Student Employment, and Scholarships, I would like to welcome you to the Fall 2015 edition of the UCCS Financial Aid newsletter, Behind the Money. Each semester, we publish this newsletter to give you the most up to date information about what’s happening in financial aid and helpful tips for navigating the financial aid programs and processes.

Our mission is to assist students in financing their UCCS education. Our goals are to provide quality customer service, financial counseling, and resources to all of our students.

Additionally, I hope you will also utilize our various social media outlets and follow us on Facebook and Twitter to ensure you have the most up-to-date information. Lastly, please visit our website (www.uccs.edu/finaid) to get more detailed information about the financial aid programs we offer as well as Mountain Lion Money Matters—our money management section. This will assist you in everything from general information like debt management and budgeting tips to subjects like Cooking on a Budget to Loan repayment options, so you won’t have to live like a college student after graduation.

I wish you a very successful 2015-2016 academic year and all the best in your future educational and financial endeavors.

Sincerely,

Jevita R. Rogers

CONTACTING THE FA OFFICE

Remember the student is the primary point of contact for the financial aid office. Therefore, it is important to keep in mind that you cannot rely on your parents or others to keep track of important dates or information our office requests to process your financial aid. Fortunately, there are many ways that we can keep in contact with each other!

Your UCCS email account and myUCCS Portal are the primary resources our office uses to communicate with you. The To Do list found in your myUCCS portal will list any requested documentation along with links to corresponding forms. You can also review the financial aid you’ve been awarded as well as accept, reduce, or decline your awards.

Additionally, you can use the myUCCS Portal to view important information from Student Financial Services (Bursar), such as a detailed bill, review and authorize College Opportunity Fund (COF), and set up Direct Deposit of your financial aid refunds.

We have many ways for you to communicate with us. You can stop by and visit us on 2nd floor of Cragmor Hall, reach us via phone (719-255-3460), or send us an email (finaidse@uccs.edu). You can also post on our Facebook page!

Summer 2016 may seem far away, but remember the amount you borrow during the fall and spring semesters will affect what is available to you in the upcoming summer term! If you are offered and you accept the annual maximum limits of loans and receive your maximum Federal Pell Grant eligibility for the fall and spring semesters, your financial aid for the Summer term may be limited to private loans.

If you are planning to attend summer classes, it is important for you to plan ahead and manage your financial aid wisely in order to have aid available to you for summer.

Congratulations December 2015 Graduates!

Federal Direct PLUS loans are credit-based loans that are offered on the myUCCS Portal. Once your PLUS application has been approved by the US Department of Education, The Financial Aid office will update your loan award to accepted status in your portal.

Steps:
1. Go to www.studentloans.gov
2. The PLUS borrower (parent/legal guardian or graduate student) must login using their FSA ID. Please note: An undergraduate student may not apply for a Parent PLUS loan.
3. Select the loan type you are applying for (Graduate PLUS for a graduate student or Parent PLUS for a parent of a dependent undergraduate student).
4. Complete Application. Parent or graduate student information is entered in the 'Borrower' section. You may apply for a specific amount or maximum eligibility for the term for which you are applying. Once you have submitted your application you will receive a credit check decision.

To begin the process of studying away or studying abroad, you must contact your UCCS academic advisor and request a Study Away Course Approval Form. The form lists the specific coursework that you will enroll in at another institution that will also apply toward your UCCS degree. Once that is completed, this form will be electronically uploaded into your student file. It’s your responsibility as the student to then notify the Financial Aid office that this form was completed.

Once the Course Approval form is received and approved, a financial aid counselor will make the Consortium Agreement and Certificate of Enrollment forms available in the to-do list of your myUCCS portal. You must complete your sections of these forms and then forward the Consortium Agreement form to the Office of Financial Aid and the Certificate of Enrollment form to the Office of the Registrar of the other institution you plan to attend. PPCC-enrolled students will submit both of the forms directly to the Office of Financial Aid at PPCC.

The Certificate of Enrollment form may only be completed on or after the first day of class at the other school. Until this form is processed by UCCS, your financial aid awards will not disburse. This will cause a delay in either all or a portion of your financial aid. The degree of delay depends on individual student circumstances.

For more information about Study Away/Study Abroad, please visit: www.uccs.edu/finaid/resources.html and click on “Consortium Agreement Information” or scan the QR code.

SCHOLARSHIP TIME IS COMING SOON!

On DECEMBER 1st, the 2016-2017 UCCS Scholarship Application opens and the scholarship hunt for next year begins! Here are just a few tips to keep in mind while applying for scholarships:

- APPLY FOR ANYTHING AND EVERYTHING
  If you think you are eligible to receive the scholarship, apply for it!

- COMPLETE THE APPLICATION
  If something is not applicable on the application, mark it as N/A or “does not apply.” Do not leave lines blank.

- FOLLOW DIRECTIONS
  Do not supply things that are not requested (i.e. transcripts and resumes)

- NEATNESS COUNTS
  Make photocopies for working drafts. Save everything!

- MAKE SURE TO LEAVE AN IMPRESSION
  Be personal and specific. Be complete and concise, but also creative!

- WATCH ALL DEADLINES
  Do not wait until the last minute!

- GIVE YOUR APPLICATION A “ONCE-OVER” BEFORE SUBMITTING
  Proofread (and have someone else proofread) the entire application carefully!
