All Perkins loan borrowers must complete Federal Perkins Entrance Counseling for the loan to pay toward their bill. Here’s how it’s done:

1. **GO TO** www.mappingyourfuture.org.

2. **CLICK** on “student loan borrowers” at the top of the page.

3. **SELECT** “Complete Online Counseling (entrance or exit interview) on the following page.

4. **CLICK** the “Perkins Entrance” option, located near the top of the page under “Entrance Counseling.”

5. **COMPLETE** the counseling. It usually takes between 20-30 minutes to complete the counseling.

The financial aid office will receive notification once you have successfully completed this requirement within 2-3 business days. The requirement will then be removed from your To Do List in the myUCCS Portal.
