All GPS 1010 students are **REQUIRED** to attend Preview Daze, Thursday, August 21 and Friday, August 22 from 9:00 a.m. until 5:00 p.m. This is prior to the start of the regular semester, but counts as class time. After the semester starts, students will meet weekly with their GPS 1010 class for 12 weeks, ending in mid-November. Due to the unique nature of the class, GPS 1010 classes cannot be changed once you have attended your first day of Preview Daze. Your regular semester room location is different. Please refer to your portal for your regular semester classroom listing.
