Information Technology Advisory Council (ITAC)

MEETING MINUTES
Meeting held at 9:30 a.m., Thursday, April 10, 2008 in EPC 304C

Members in attendance: David Anderson, Brad Baker, Tabatha Becker, Peggy Beranek, Chris Carruth, Jan Kemper, Kirk Moore, Michael Reyes, Jerry Wilson

OLD BUSINESS
1. IT Updates
   Jerry reported that:
   a. Paw Prints
      There are still issues regarding the database locking up. If they are not resolved shortly, IT may have to rethink the Paw Prints system.
   b. Security campaign
      Scans have been completed, and users with SSNs on their systems have been notified. The first sweep (archiving) will be done in the next few days.
   c. iTunes U
      He hasn’t yet received the acceptance and contract from iTunes U; is looking into what the holdup is. Hopes to have it up by summer if not spummer.
   d. Phone System/VoIP
      Quotes are being solicited, and surveys are planned to assess department needs. Qwest is running a prefix search, which could take a couple more weeks or so. The campus will be alerted by July 1, ’08 to prepare for the changeover in fall of ’09.

2. LMS Search Update
   David reported that:
   a. ANGEL
      ANGEL representatives gave a demonstration of their product on April 4, and gave him access to a sandbox in their latest beta version.
   b. Desire2Learn
      A D2L demonstration is scheduled for April 25, meeting with IT staff in the morning and with faculty from 1:00-3:00 in the afternoon.

NEW BUSINESS
   No new business.

The meeting was adjourned at 10:30 a.m. The next ITAC meeting will be held at 9:30 on Thursday, May 8, 2008 in EPC 304C.

Please report any corrections or omissions to David Anderson at danderso@uccs.edu.
