- Monthly Housing Allowance (MHA) is generally the same as the military Basic Allowance for Housing (BAH) for an E-5 with dependents. Your MHA is based on the ZIP code for your school. There are some exceptions to MHA (see www.gibill.va.gov for specifics.)

- MHA is paid directly to you for living expenses.

- You are responsible to pay UCCS directly for on-campus housing on or before the published tuition and fee due date of the term or census date.

- If your on-campus housing costs are not paid in full or you have not enrolled in a payment plan by the published due date of the term this balance is subject to late and service charges.

**Late and service charges will not be reversed or adjusted unless sourced from University error.**

Yellow Ribbon Program

- UCCS Participates in the Yellow Ribbon program for qualifying non-resident students, to help cover costs above in-state tuition rates. For more information please contact:

  Office of Veteran and Military Student Affairs
  phone: 719-255-3253  Email: military@uccs.edu
