Welcome!

The Multicultural Office for Student Access, Inclusiveness and Community (M.O.S.A.I.C.) would like to welcome you to the UCCS campus! We are happy that you are here and want to make sure that you have as much information as possible to make your experience at UCCS a great one. We have compiled this resource guide with you specifically in mind.

As a UCCS student, you have access to all of the campus resources available to our domestic students, most of which are listed here. This means you have the ability to participate in student clubs and organizations, student activities and events, the campus recreation center and much more. We have also included information related to places of worship, how to get around both campus and the Colorado Springs area, and where the closest shopping areas are—specifically grocery stores and restaurants.

We know that you may have questions about these and many other things concerning American culture and practices, therefore, we want to encourage you to ask us! We are dedicated to serving international students at UCCS; please come into our office or email us about anything you want to know about the United States, our diverse culture, or campus.

We are located in the University Center, room 110 (right around the corner from the Bookstore) and we are here for YOU!

Sincerely,
M.O.S.A.I.C. Staff

I often see “Fall, Spring, and Summer Semesters.” What does that mean?
- Fall Semester consists of the class session between mid-August and December.

Campus Transportation

The shuttle also makes trips from University Hall, Sunset Village, Alpine Village, and The Lodges to Centennial Hall. To view more information about the shuttle schedules for the semester, click here for the schedule.

Parking
Students wishing to park on campus need to purchase a parking pass from UCCS Parking and Transportation Services. You can choose from a variety of different parking passes. Click here for a list of parking passes and a campus map.

Students may also choose to park for free at the Four Diamonds Sports Complex, located on north Nevada Avenue, between the hours of 7:00 am and 11:00 pm, Monday -Friday when classes are in session.

Bicycles
Various dedicated bike routes exist around the city of Colorado Springs. A printed version of the UCCS Commuter Cycling Map is available at the University Center and at the Department of Public Safety located in on the 2nd floor of the UCCS Parking Garage. You can find a copy of the bicycle route map here.

Additionally, the university has several bike racks located outside of campus buildings for securing your bike. All campus shuttles and the Colorado Springs’ Mountain Metro Transit buses are equipped with bicycle racks. Do note that bikes are not permitted inside any university buildings, nor are bicycles to be locked to features (such as fences, light posts, signs, etc.) other than designated bicycle racks.

Note: Students, faculty, and staff who ride to campus must register their bikes with the UCCS Department of Public Safety. This is a free service that aids in the recovery of your bicycle in the event that it is lost or stolen. A registration decal is to be affixed to your center post and is valid for the duration of your tenure at UCCS.

Pedal Perks
Pedal Perks is a yearlong UCCS bicycle commuter incentive program that promotes active, environmentally friendly self-transportation. Pedal Perks encourages cyclists by rewarding them with points and prizes for each mile they bike. Each month, riders track the miles they bike on a daily basis and are entered for a chance to win special prizes. Those who participate in this program will also receive points for attending Pedal Perks educational workshops, clinics, and events.

UCCS Bike Share and Bike Shop
Don’t have a bike? Does your bike need a tune-up? Located in the Student Outdoor Leadership Experience (S.O.L.E) Office in the campus Recreation Center, the UCCS Bike Share Program offers free bikes to rent for UCCS students, faculty and staff. Bikes are available for on
or off campus use. In addition to the bike rental service, you may also receive assistance with bike maintenance and tune-ups at the Bike Shop. For more information, visit the SOLE website.

Additionally, here are some helpful hints:

1. Lock your bicycle: Bicycle thieves will take bicycles that are unlocked. Various types of locks may be purchased in stores.

2. Follow the bicycle traffic laws: According to Colorado Law, all bicycles must follow Colorado Department of Motor Vehicle rules and regulations. Go to http://www.dmv.org/co-colorado/safety-laws.php. Remember, you can still get cited by the City of Colorado Springs for traffic violations; not knowing the law is not an acceptable reason for getting out of a ticket.
