The University of Colorado Colorado Springs is required by The University of Colorado System Administrative Policy Statement on Sexual Harassment Policy and Procedures (the "Policy"), Section F, to maintain a campus appendix to the Policy. This appendix for the University of Colorado Colorado Springs (UCCS) contains information regarding the Sexual Harassment Officer, as defined under the Policy, the mandatory reporting requirement and its exceptions.

**UCCS Sexual Harassment Officer**

Reports of sexual assault should first be reported to UCCS Public Safety, 719-255-3111. Reports of sexual harassment/assault, as well as any questions regarding sexual harassment or the Policy should be directed to the Office of Discrimination and Harassment, AOB 528 and 530, 719-255-4324, odh@uccs.edu.

**Exceptions to the Obligation to Report**

The Policy "requires any supervisor who experiences, witnesses or receives a written or oral report or complaint of Sexual Harassment, Sexual Assault or related retaliation that occurs in a University program or activity, to promptly report it to a campus sexual harassment officer." The Policy "does not obligate a supervisor who is required by the supervisor's profession and University responsibilities to keep certain communications confidential (e.g., a professional counselor or ombudsperson) to report confidential communications received while performing those University responsibilities." A request for confidentiality does not relieve a supervisor of his or her duty to report.

The Policy requires that campus-specific exceptions to this reporting requirement be identified within this appendix. The exceptions to the mandatory supervisor reporting requirement on the UCCS campus are the following:

1. **Student Health Center**
   Location: DPS 109, 719-255-4444

2. **University Counseling Center**
   Location: Main Hall 324, 719-255-3265

Within the offices listed above, the exception to the reporting requirement is limited to individuals who have statutory professional confidentiality in the positions for which they were hired at UCCS, and to information received in the course of practicing those professional duties.
