The GolfTEC Student Award was established to recognize a student with a passion for learning the GolfTEC comprehensive approach to game improvement, technology and teaching. Created in 2014, by GolfTEC, this award will go to an eligible Level 2 Cohort student that has accomplished significant game improvement, has passed the PGA Playing Ability Test and is “in good standing” in the University of Colorado Colorado Springs PGA Golf Management Program.

GolfTEC representatives will review the applications and select the recipient for this annual award. The application packet is due before APRIL 6th, 2015 and will be announced at the Family & Friends Golf Tournament.
