Pine Creek Golf Club

Pine Creek Golf Club, the Program's home course, is located about ten minutes from the campus. This daily fee course has challenged Colorado's golfers since 1988. Our students enjoy playing and practicing on greens as members at this facility, as well as decorated putting green as附加值s. Over 7000 yards from the tips, PCGC offers both target and links golf experiences. The practice area includes a 360-yard driving range with multiple tees, a putting green, and chipping area.

The University of Colorado at Colorado Springs

Located in a growing metropolitan region with a population of 650,000 at the foot of renowned Pikes Peak, Colorado Springs offers 234 days of sunshine, providing great weather for both daily and casual weekend activities, including mickey world famous crime zone outdoor and tennis facilities.

The University of Colorado at Colorado Springs is a member of the multi-campus University of Colorado System. UCCS is an accredited undergraduate and graduate institution with 8,000 students.

Building Successful Futures

Financial Aid

PGA Golf Management students are eligible to receive financial aid from the university. Information is available at http://www.uccs.edu/~fi

Admission Requirements

Admission to the PGA Golf Management Program is competitive and requires the following:

• College preparatory courses described in the UCCS Viewbook
• Entrance exam scores (ACT or SAT)
• College preparatory courses described in the UCCS Viewbook
• Experience in golf or a related sport.

Admission to the Program is competitive, with each year's slots going to highly qualified students. The admission decision is based on the applicant's:

• College preparatory courses described in the UCCS Viewbook
• Entrance exam scores (ACT or SAT)
• Experience in golf or a related sport.

In addition to PCGC, the Pikes Peak region boasts twenty other golf courses that are accessible to PGA Golf Management students. As a Nike Concept Store, the golf shop operates as a "PGA Model Shop." The clubhouse includes a full-service restaurant.

The PGA Golf Management Student Society

As members of the Student Society, all PGA Golf Management Program students have the opportunity to participate in its tournaments, social activities, professional society, and service projects. In addition, many leadership opportunities are available. The Directors of the Student Society include the President, Treasurer, Secretary, and Tournament Chair, as well as representatives from each school.

Each semester, the PGA Golf Management Program conducts at least ten student tournaments in various formats at Pine Creek and other facilities in the area. The events include a collegiate stroke play (with two teams), an individual match play championship, a Junior Championship, a Lehman Cup match play championship, and a Stableford. In addition, the Society participates in the annual Family and Friends Golf Outing that honors the graduates and the many other accomplishments of the students. Importantly, it helps provide funds for the Society's support of the program and its objectives.

The events include regular stroke play (with two tours), an all-program match play championship, and the Challenge Cup that pits a freshman-only team against the rest. The events also include a collegiate stroke play (with two teams), an individual match play championship, a Junior Championship, a Lehman Cup match play championship, and a Stableford. The Society participates in the annual Family and Friends Golf Outing that honors the graduates and the many other accomplishments of the students. Importantly, it helps provide funds for the Society's support of the program and its objectives.

PGM UCCS students enjoy the annual Family and Friends Golf Outing.

The PGA Golf Management Program's annual tournament series includes the annual Challenge Cup that pits a freshman-only team against the rest. The events also include a collegiate stroke play (with two teams), an individual match play championship, a Junior Championship, a Lehman Cup match play championship, and a Stableford. The Society participates in the annual Family and Friends Golf Outing that honors the graduates and the many other accomplishments of the students. Importantly, it helps provide funds for the Society's support of the program and its objectives.

The PGA Golf Management Program
University of Colorado at Colorado Springs
College of Business and Administration

In partnership with The Professional Golfers’ Association of America, the University of Colorado at Colorado Springs is offering outstanding academic and professional training that prepares graduates to excel in exciting and fulfilling careers in the golf industry.

The program includes:
- 100% of PGA Golf Management students are placed following graduation.
- All three checkpoint exams of the PGA Golf Management professional training program. Both include specialized courses, such as Tournament Operations, Food and Beverage Service Management, Golf Club Design and Repair, Anatomy and Exercise Science Applied to Golf, Retail Merchandise Management, and Sports Marketing.
- Bachelor of Science in Business with a major of the student’s choosing.
- 16-18 months of supervised internships at top quality sites.
- Development of playing ability, commitment to their success.
- Tournament Operations.
- Professional training program. Both include specialized courses, such as Tournament Operations, Food and Beverage Service Management, Golf Club Design and Repair, Anatomy and Exercise Science Applied to Golf, Retail Merchandise Management, and Sports Marketing.

The College of Business is accredited by the Association to Advance Collegiate Schools of Business International (AACSB), an honor bestowed on fewer than 30% of university-level business schools in the United States. The College of Business is accredited by the Association to Advance Collegiate Schools of Business International (AACSB), an honor bestowed on fewer than 30% of university-level business schools in the United States. The Internships are completed under the direction and mentoring of outstanding golf professionals at more than 40 supervised internship sites throughout the United States and in several other countries.

The Internships are completed under the direction and mentoring of outstanding golf professionals at more than 40 supervised internship sites throughout the United States and in several other countries.

We have an abundance of extracurricular activities to suit the College of Business, including Service Management, Marketing, Human Resource Management and Business Administration, among others.

Students participate in the internship experience during:
- Summer and fall after their sophomore year
- Summer after their freshman year
- Summer and fall after their sophomore year
- Summer after their freshman year

Our students have interned at the following sites:
- Greyhawk (Arizona), Four Seasons (Oregon), Medinah (Illinois), Pebble Beach (California), The Broadmoor Golf Club (Colorado), Bandon Dunes (Oregon), Heinbecker (Florida), Indian Wells (California), Greyhawk (Arizona), Four Seasons (Oregon), Oliva Nordico (Florida), ThunderGC (Michigan), Oakwood Hills (Michigan) and many other top quality sites.

The College of Business and Administration

The College of Business offers the skills and abilities your employers desire. Well-suited to all areas of business, the facility provides laboratory and entrepreneurial experiences on the campus. Professors interact with students in a medium that has been described as “real world learning.”

The College of Business is accredited by the Association to Advance Collegiate Schools of Business International (AACSB), to be surveyed on over 30 of currently active business schools in the United States.

UGA students at The PGA Merchandise Show in Orlando, where they learn more about the industry and fulfill their internships.

The PGA Golf Management Curriculum

Graduates of the UCCS PGA Golf Management Program complete a 120-credit hour curriculum of academic courses leading to a marketing degree and successful completion of the PGA Golf Management professional training program. Both include specialized courses, such as Tournament Operations, Food and Beverage Service Management, Golf Club Design and Repair, Anatomy and Exercise Science Applied to Golf, Retail Merchandise Management, and Sports Marketing.

The PGA Golf Management Program Facilities

The PGA Golf Management Program is located at the newly constructed Career Plaza at The Broadmoor Golf Club. The Career Plaza provides an environment for a wide range of services and opportunities for students and employers. Equipment includes a state-of-the-art Swing and Club Repair Labs.

The PGA Golf Management Program is one of only three programs in the United States and in several other countries.

Students participate in the internship experience during:
- Summer and fall after their sophomore year
- Summer after their freshman year
- Summer and fall after their sophomore year
- Summer after their freshman year

Our students have interned at the following sites:
- Greyhawk (Arizona), Four Seasons (Oregon), Medinah (Illinois), Pebble Beach (California), The Broadmoor Golf Club (Colorado), Bandon Dunes (Oregon), Heinbecker (Florida), Indian Wells (California), Greyhawk (Arizona), Four Seasons (Oregon), Oliva Nordico (Florida), ThunderGC (Michigan), Oakwood Hills (Michigan) and many other top quality sites.

The PGA Golf Management Program Management Team

The PGA Golf Management Program is led and managed by the Program Director, Academic Advisor, Internship Coordinator, Finance Assistant, and Student Assistant. This group includes key PGA members, internal faculty members, and key administrative staff. The style is to treat all students as important individuals, seeking to understand their needs and goals, and then guide them so they can pursue their future careers. Their commitment to quality is evident in the fact that the PGA granted full accreditation in the program after only four years of operation.
