

“Z” Parking Permit Application

Purpose: UCCS Parking Office recognizes there are instances when special parking needs are required to assist with temporary injuries and/or other medical conditions that impair mobility (i.e. a broken leg, major surgery, pregnancy, etc.) and which don't necessarily need full ADA wheelchair accessibility accommodations. This “Z” permit will allow the UCCS student, faculty, or staff to park in specially designated “Z” permit required reserved spaces around the UCCS campus.

Disclaimer

- These “Z” permit reserved spaces do not meet ADA requirements. Therefore, if you are in need of parking which fully complies with ADA regulations, you may not participate in this program. This program is an accommodation provided by UCCS to students, faculty and staff with temporary medical conditions that don’t need full ADA compliant parking spaces.
- For long-term disabilities, you are encouraged to complete a State of Colorado “Parking Privileges Application” (DR 2219) instead of this UCCS form. This form is available at <http://www.dmv.org/co-colorado/disabled-drivers.php> or in the UCCS Parking Office lobby.
