University of Colorado Colorado Springs  
50th Anniversary Symposium, School of Public Affairs  
May 5, 2015

Mexico and the United States:  
Cooperative Approaches to Shared Human Security

This symposium will:
• Discuss current shared US and Mexican policy concerns such as drug trafficking, border security, public safety and migration in the context of underlying trends and events
• Propose an agenda by which Colorado, the US and Mexico can work cooperatively with these human security issues in the context of NAFTA and U.S. Northern Command
