

College of Business Bachelor of Innovation™ in Business Administration 2013-2014 ACADEMIC YEAR

The University of Colorado Colorado Springs, along with the College of Business, was established in 1965. The College, which is accredited by AACSB International-the Association to Advance Collegiate Schools of Business, awards the Bachelor of Innovation™ in Business Administration degree.

GENERAL REQUIREMENTS

All students enrolled in the College of Business are subject to academic policies and procedures as outlined in the University of Colorado Colorado Springs Academic Catalog.

Please read the 2013 – 2014 Catalog carefully.

The undergraduate degree requires 120 semester hours with courses taken in general education, general business, innovation and a cross-disciplinary area of interest.

Residency: Candidates for the Bachelor of Innovation™ in Business Administration must complete a minimum of 30 credits of business course work as College of Business students (to include the innovation specific courses, all junior core course, ENTP 1000, BUAD 4000, and ENTP 4500).

Upper-division Hours: A minimum of 45 credits must be upper-division (3000 or 4000-level) course work.

Transfer Restriction: A maximum of 60 semester hours of appropriate academic credit taken at a junior or community college may be applied toward the undergraduate degree in business.

All students in AACSB Accredited programs must complete a minimum of 45 credits in business.

The College reserves the right to disallow any credit that is not appropriate academic degree credit.

THE PROFESSIONAL PROGRAM

The Professional Program begins the junior year with the junior core classes: FNCE 3050, MGMT 3300, MKTG 3000, OPTM 3000, and INFS 3000. The professional program continues on with the senior capstone classes, BUAD 4000 and ENTP 4500, and the upper division innovation courses. These courses must be completed with a C- or better.

In order to graduate with the Bachelor of Innovation™ in Business Administration degree, students must maintain the following criteria:

- 2.0 cumulative GPA
- 2.5 College of Business GPA
- Completion of all skills, junior core and capstone business courses with no grade below C-.

2013-14 MODEL DEGREE PROGRAM

The following four-year plan lists all the specific course requirements for the Bachelor of Innovation in Business Administration degree. The order in which these courses are taken may vary with course availability. However, normal degree progress in the College of Business requires that students complete the degree in a freshman, sophomore, junior, senior sequence.

Students are responsible for completing all course prerequisites; prerequisites are strictly enforced.

All skills, junior core, senior capstone and emphasis courses must be completed with a C- or better.

All classes are presumed to be 3 credits unless otherwise noted.
