General Academic Information

Academic Policies

It is the responsibility of each student to know and follow all Academic Policies established by the University and the School of Public Affairs (SPA) that are set forth in the Catalog, in the Schedule of Courses, and online at catalog.uccs.edu.

Course Prerequisites

Students are responsible for knowing and completing all course prerequisites. Course prerequisites are strictly enforced for all classes here at UCCS.

Probation/Suspension

To remain in good academic standing within the School of Public Affairs, students must maintain a cumulative CU GPA of 2.0 or better. Students whose cumulative CU GPA falls below a 2.0 will be placed on probation for the next semester in which they are enrolled. While on probation, students must achieve a minimum semester GPA of a 2.25. If the required semester GPA is not met, the student will be suspended from the School of Public Affairs for a full academic year (Fall and Spring). *While on probation, registration for the subsequent semester will be blocked until final grades post for the current semester. This is to verify the minimum semester GPA for each student has been fulfilled.*

Internships

Students are required to complete an Internship in Criminal Justice. Students who attain junior status and have completed CJ 1001 and CJ 2041 are eligible. Instructor permission is required. For more information about this requirement, visit: http://www.uccs.edu/spa/programs/undergraduate/bacj.html Additionally, the Career Center at UCCS has many internship opportunities available.
