

Business Minors for Business Undergraduate Majors
Areas of Emphasis:

BUSINESS MINORS		
Business students may pursue a business minor. All 9 credit hours of business courses for the minor must be taken in residence in the College of Business and must not already be counting toward an area of emphasis. If the 9 hours are not unique courses, then a student cannot earn a minor. Courses taken for the minor will fulfill business course requirements. A minor GPA of 2.5 must be earned, and minor courses must have a C- grade or better
