General Academic Information

Academic Policies

It is the responsibility of each student to know and follow all Academic policies established by the University and the College of Education that are set forth in the Catalog (catalog.uccs.edu).

Course Prerequisites

Students are responsible for knowing and completing all course prerequisites. Course prerequisites are strictly enforced for all classes at UCCS.

Advising

To make an appointment with a College of Education faculty advisor, please contact the COE Student Resource Office, 3010 Columbine Hall, 719.255.4996 or education@uccs.edu.

Restrictions and Limitations

Students may apply a maximum of 6 credit hours of independent study from courses listed in the program of study towards the bachelor's degree. Students may not take any course with a pass/fail grading scheme.

Probation/Suspension

To remain in good academic standing within the College of Education, students must maintain a cumulative CU GPA of 2.5, or better. Students whose cumulative CU GPA falls below a 2.5 will be placed on probation for the next semester in which they are enrolled. While on probation students must raise their cumulative GPA to 2.5 within one semester. If the required semester GPA is not met, the student will be suspended from the College of Education for a full academic year (Fall and Spring semesters). PLEASE NOTE: *While on probation, registration for the subsequent semester will be blocked until final grades are posted for the current semester. This is to verify that the minimum semester GPA for each student has been fulfilled.*
