1. All School of Public Affairs students must complete the University Composition Competency requirement. After completing both ENGL 1A and ENGL 1C at Mt. San Antonio College (ENGL 1310 and ENGL 1410 at UCCS), students must either submit a Writing Portfolio or enroll in an additional upper division writing course. Please consult an academic advisor in the Student Success Center at UCCS for complete details.

2. Area 5 (Natural Science) course selection must include at least one lab course.

3. Students should complete a minimum of 7 semester hours for this requirement.

4. Minimum Academic Preparation Standards (MAPS) are an admission requirement. UCCS requires at least two years of high school or two semesters of college foreign language equivalent. Students who have met the requirement through high school work need not complete this requirement for transfer to UCCS. Students who still need to fulfill this requirement should complete through the second semester language acquisition course.
