General Academic Information

Academic Policies

All students enrolled in the College of Business are subject to academic policies and procedures as outlined in the University of Colorado Colorado Springs Academic Catalog. **Please read the 2017 – 2018 Catalog carefully.**

Business Major Degree Requirements

- The undergraduate degree requires 120 credit hours with courses covering general education, general business, and specific areas of interest (emphases/minors).
- Upper-division Hours:** A minimum of 45 credits must be upper-division (3000 or 4000-level) course work.
- Residency:** Candidates for the BS in Business must complete a minimum of 30 credits of course work (to include the 18 credits in the area of emphasis and BGSO 4000 & STRT 4500) as a College of Business student.
- Transfer Restriction:** A maximum of 60 semester hours of appropriate academic credit taken at a junior or community college may be applied toward the undergraduate degree in business.
- The College reserves the right to disallow any credit that is not appropriate academic degree credit.
- The College does not allow students to pursue a 2nd bachelor's degree in business.

The College of Business divides the curriculum into two components: Skills Courses and the Professional Program.

Skills courses are completed in the freshman and sophomore years and provide students with a foundational knowledge of business skills and competencies. Skills courses must be completed with a C- or better and are the following courses: ACCT 2010, ACCT 2020, ECON 1010, ECON 2020, ENGL 1310, MATH 1040, MATH 1120, MGMT 3000, QUAN 2010, and QUAN 2020. Upon the successful completion of the freshman and sophomore years, business students move on to the Professional Program. The Professional Program gives students the opportunity to gain knowledge of core business concepts but also allows students a focused area of study in their chosen emphasis. The Professional Program consists of the Junior Core classes (FNCE 3050, MGMT 3300, MKTG 3000, INFS 3000 and OPTM 3000), an emphasis (18-24 hours - courses depend on student's choice) and two Senior Capstone courses (BGSO 4000 and STRT 4500). All Professional Program courses must be completed with a C- or better. The GPA requirements for business students to earn an area emphasis are as follows:

- 2.0 cumulative CU GPA

- 2.5 College of Business GPA
- 2.5 Area of Emphasis GPA
- Completion of all skills, junior core, capstone and emphasis courses with no grade below C-.

Students not meeting the above criteria will not graduate with a Professional Program Area of Emphasis, but may qualify for a General Business degree if their cumulative CU and Business GPAs are at least a 2.0.

Probation/Suspension

College of Business rules governing probation and suspension are as follows: Any College of Business student who has attempted 12 or more hours at any CU campus, or has attempted 12 or more hours in the College of Business, shall be immediately placed on probation if their cumulative CU GPA, Business GPA, and/or term GPA falls below 2.0. Additionally, any College of Business student earning all failing grades, or no academic credit, for any semester will be placed on probation. Students may remain on probation for up to four semesters as long as they maintain a minimum GPA of 2.25 each semester and obtain no grade below a C-. Once a student receives a cumulative CU GPA or College of Business GPA of 2.0 or above, they will be removed from probation. Failure to meet probationary provisions will result in **Indefinite Suspension**.
