UNIVERSITY OF COLORADO COLORADO SPRINGS

# **B.S. Health Care Science - Medical Laboratory Science Option**

### **Contact Information:**

Camille Schlentner, MLS Program Coordinator

UCCS Health Science Department E-Mail: <a href="mailto:cpeppers@uccs.edu">cpeppers@uccs.edu</a>

Phone: 719-255-4488

Academic Advising Hours: Location: Main Hall 208

Hours: Monday-Friday: 9am-4pm Appointments Only (except Wednesday afternoons)

Drop-in Advising every Wednesday from 1pm-4:30pm

Call: (719) 255-3260 **Website:** www.uccs.edu/advising

**General Academic Information** 

Medical Laboratory Science (MLS) Post-BS Professional Certificate

Medical Laboratory Science is a nationally recognized allied health field. Medical laboratory scientists are key members of the health care team who contribute to the practice of diagnostic medicine. The UCCS MLS Program is offered through the Colorado Center for Medical Laboratory Science (CCMLS), a program of Metropolitan State University of Denver. CCMLS is accredited by the National Accrediting Agency for Clinical Laboratory Science (NAACLS). CCMLS provides the didactic, student laboratory and clinical coursework needed to complete the professional certificate requirements. Clinical courses occur in the clinical partner laboratories of CCMLS.

### **Academic Policies**

It is the responsibility of each student to know and follow all Academic policies established by the University and the Beth-El College of Nursing & Health Sciences that are set forth in the Catalog (catalog.uccs.edu) and the Beth-El Student Handbook (http://www.uccs.edu/~bethel/studenthandbooks.htm).

### **Background Checks/ Risk Waivers**

All Health Science students completing a practicum or internship are required to complete a criminal background check. Students enrolled in courses involving an activity component are required to complete the UCCS Risk Waiver prior to participating in any activity.

## **Probation/Suspension**

Students may be placed on academic probation if their CU GPA falls below 2.0 or if they receive a grade below a C- in any required Health Science courses for the first time. They may continue with required courses unless the course/courses in which they received a grade below a C- are prerequisites for upcoming courses. In that case, the course/courses in which they received a grade below a C- must be repeated prior to progressing. Students may remain on academic probation for a maximum of three semesters with a GPA under 2.0. If, by the end of their third semester of probation, their CU GPA has not been raised to 2.0 or better, they will be subject to suspension from the College. Two required Health Science courses with a grade of C- or below will result in dismissal from the College. Students may petition in writing to the Department Chair for re-admission to the College within

30 calendar days. Dismissal from the Health Science Program does not imply dismissal from the University of Colorado.

Colorado Center for Medical Laboratory Science

Office of Admissions and Records

Phone: 720-449-7454

E-mail: medlabed@msudenver.edu

- > A minimum of 120 hours must be completed with a cumulative CU grade point average of 2.7.
- > 30 hours of the degree must be completed while registered in the Beth-El College of Nursing & Health Sciences at UCCS.
- > A maximum of 60 hours of community college course work can count towards the degree.
- > Courses numbered below 1000 do not count towards degree completion.

### **Compass Curriculum**

Compass Curriculum is the campus-wide general education program at UCCS. The Compass Curriculum has multiple components many of which will coincide with the degree requirements listed in this guide. Please visit the Compass Curriculum website at

www.uccs.edu/compasscurriculum, review your degree audit, or check out the Compass Curriculum advising guide for specific course details. The required components are listed below and referenced in the guide.

## REQUIRED COMPASS CURRICULUM COMPONENTS:

Component	Course	
Gateway	GPS 1010	
Explore <sup>1</sup> – Arts, Humanities and Cultures	See List	
Explore <sup>1</sup> – Society, Behavior and Health	PSY 1000	
Explore <sup>1</sup> – Physical and Natural World	BIOL 1350	
Navigate	HSCI 3630	
Summit	HSCI 4621	
Writing Intensive Course (WIC) <sup>2</sup> Two courses with at least one upper-division (3000+ level).	HSCI 3630 See List	
Inclusiveness <sup>2</sup>	HSCI 3630	
Sustainability <sup>2</sup>	See List	

 $<sup>^{1}</sup>$  Explore must be outside major and area requirements.

<sup>&</sup>lt;sup>2</sup> Can count towards other requirements within the Compass Curriculum or within a student's degree program.

## **DEPARTMENT OF HEALTH SCIENCES—Med Laboratory Science Option**

	BIOL 3830	Genetics (pre-req BIOL 1300/1310, BIOL 1350/1360, CHEM 1401/1402, CHEM	3					
		1411/1412)						
	BIOL 3910	Immunology (pre-req BIOL 3020)	3					
	BIOL 4670	Applied Molecular Genetics (pre-req BIOL 4840)	3					
	BIOL 4840	Molecular Biology (pre-req BIOL 3020)	3					
	CHEM 1401/ 1402	General Chemistry I plus lab (pre-regs 1 yr HS CHEM & 2yrs HS Math)	5					
	CHEM 1411/ 1412	General Chemistry II plus lab (pre-req CHEM 1401/1402 w/C or higher)	5					
	CHEM 3001/ 3002	Organic Chemistry and lab (pre-req CHEM 1411/1412 w/C or higher)	4					
	CHEM 4211	Biochemistry Principles (pre-regs BIOL 1350, and CHEM 3001 with grades of	3					
		"C" or higher)						
	CHEM 4222	Biochemistry Laboratory (pre-regs CHEM 4211 with a grade of "C" or higher)	3					
	HSCI 1020	Personal Fitness & Wellness	3					
	HSCI 2070	Nutrition for Health Professionals	3					
	HSCI 2470	Spanish for Health Professionals						
	HSCI 3230	Medical Terminology	3					
	HSCI 4080	Pathophysiology (pre-regs BIOL 3050, 3060, & CHEM 1401/1402, 1411/1412)	3					
		NOTE: This course is only offered in the Fall Semester						
	HSCI 4621	Health Science Internship - MLS	5					
	HSCI Electives	HSCI Electives 3000 level or higher	6					

## Four-Year Degree Plan – Health Care Science – Med Lab Science

The following four-year plan lists all the specific course requirements for the Bachelor of Science in Health Care Science – Medical Lab Science option at UCCS. The order in which these courses are taken may vary with course availability. **Students are responsible for completing all course prerequisites.** Please note that this is a *suggested* degree program; your program may vary.
