

## Bachelor of Science in Nursing: Traditional Option

### Academic Advising Hours:

**Location:** Main Hall 208

**Hours:** Monday–Friday: 9am-4pm Appointments Only (except Wednesday afternoons)

**Drop-in Advising every Wednesday from 1pm-4:30pm** Call: (719) 255-3260

**Website:** [www.uccs.edu/advising](http://www.uccs.edu/advising)

### General Academic Information

**What is Nursing Prep?:** You were admitted to UCCS with a 24 ACT or 1150 SAT composite and a 3.0 High School GPA. As a result, you qualify for the 4-year Degree plan with the option for the 5-year Degree plan

**What is Nursing Intent?:** You did not meet the admission criteria for Nursing Prep. Before taking BIOL 3050 and 3060 Anatomy and Physiology, you must take BIOL 1010 Human Biology and (recommended) CHEM 1201 Introduction to Chemistry. This is a 5-year Degree plan.

**Prerequisite Courses:** All prerequisite courses must be completed successfully by the end of the semester of application. Successful completion requires a C- or better for general education courses and a C or better for all HSCI and NURS courses. *Prerequisites: GPS 1010, ENGL 1310 and 1410 (or ENGL 2090), BIOL 2010 and 2020 (or BIOL 3050 and 3060), CHEM 1201 and 1211 (or CHEM 1221), PSY 1000, and a Global-Social Elective.*

**Minimum GPA:** Your cumulative GPA must be 3.0 or higher at the end of the spring semester during which you are completing the application for the next academic year. The GPA calculation will include all previous college coursework and courses taken at UCCS. Your GPA will be updated at the end of the semester to include that semester's grades for the purpose of reviewing applicants for admission to clinicals. **IMPORTANT:** If your cumulative GPA is less than 3.0 after the final semester update, you will not be

considered for admission to the Nursing major, even if you have taken and passed the entrance exam.

**Current Active Students:** Applicants must be active at UCCS in the spring semester that they apply to clinical.

### Application Process:

See <http://www.uccs.edu/bethel/nursing-programs.html> for forms and detailed instructions. Adhere to all deadlines. Late materials will not be accepted.

- 1) Submit the Clinical Application.
- 2) Complete the background check. Allow 3 -5 days for completion. Do not send the password or results to Beth-El or the nursing advisor.
- 3) Take the entrance exam. Check with advisor for dates and registration information.

**Entrance exam:** A review book for the HESI-A2 is available in the UCCS Bookstore. The exam primarily covers material learned during the first-year courses. Physics is not included in the exam.
