

Post Masters FNP/ANP-Gero Certificates

Gainful Employment Disclosures:

The faculty and staff at Beth El College of Nursing and Health Sciences are committed to providing high quality degree programs and certificates for advanced practice nurses. We do not suggest or guarantee that students who complete our programs will find employment as a result of completing our educational programs. The following information is designed to help students make informed decisions about their academic choices and is required by the United States Department of Education for each certificate program.

Program Costs:

The total costs of our Graduate Certificate programs are similar to tuition and fees for all of our online graduate students. This will vary depending on the number of credits and types of courses that the student will need to complete the program. Tuition and fees for all programs can be found at the following link [UCCS Tuition and Fees](#) . A [Bill Estimator](#) is also available to the prospective student to determine the approximate cost per semester while attending Beth-El College of Nursing and Health Sciences at UCCS.

A typical student who is planning to obtain a Post Master's Adult/Gero Nurse Practitioner Certificate will need to complete 37 credits or 36 credits for a Post Master's Family Nurse Practitioner Certificate. An estimate of the total costs in tuition and fees for the Post Master's Adult/ Gero Nurse Practitioner Certificate or the Family Nurse Practitioner Certificate is between \$22,000 and \$25,000. Textbooks and other required technology for the certificate programs cost between \$150 -\$200 per course or \$1200 - \$1600 for the program.

Related Occupations:

The primary occupational group that these certificates are training students for is –Health Care Practitioners and Technical Occupations. The related occupation for these certificates is listed below. Click the link to view the occupational profile.

29.1171 [Nurse Practitioners](#)
