Summer Internship with Colorado Bureau of Investigation Forensic Lab

The Colorado Bureau of Investigation (CBI), Forensic Services - Pueblo laboratory will be hosting intern positions for the summer of 2018. This posting provides specifics on what to expect and how to apply for the positions:

**Internship description**
Interns will spend about 12-20 hours per week in the lab working on a project during the period of the internship. These positions are unpaid and the internship will run from approximately June 2018 through August 2018.

**Eligibility**
Candidates must be pursuing a natural science degree at an accredited university at either a junior or senior class level.

Regardless of program, the intern must be receiving class credit for this internship.

**Application**
The application process will begin with submission of the following:

- Cover letter- In the cover letter, please outline your qualifications as well as an internship project idea proposal. We may choose to allow you to do your project with a scientist or have you work on a project of our choosing.
- Resume or CV
- Copy of unofficial transcripts
- Letter of Recommendation from someone who can speak to your work ethic

The application packet must be received by **January 26, 2018**. Application packets should be sent to the following address:

CBI Forensic Services  
ATTN: Huyen Vu  
79 N. Silicon Drive  
Pueblo West, CO 81007

Note: Applicant must be willing to be fingerprinted, successfully pass a polygraph and extensive background investigation, drug screen and psychological exam. If you have used marijuana in the last twelve months, or any illegal drugs in the past five years, or have been convicted of a felony or have a history of criminal activity, you will be disqualified and will not be hired for this position.

**Timeline**
Application due: 1/5/18  
Notification of selection for interview: During the week of 2/19/18  
Interviews: During the week of 2/26/18  
Final selection notification: During the week of 3/5/18
