Application

Explain how this grant will assist you in developing or enhancing your online course.

Summarize the course development or enhancement and expected impact on student learning. Address one or more of the following criteria and how you plan to integrate it/them into your online course:

1. Incorporating effective student-faculty and student-student communication
2. Integrating reflective or collaborative learning experiences
3. Utilizing problem-based and inquiry-based strategies
4. Measuring learning through challenging and engaging assessments and rubrics
5. Using media/technology in engaging and effective ways

How will you gauge the effectiveness of the course development or enhancement through direct or indirect measures (please describe) and how do you plan to use those evaluations to improve student learning?
