Cultural Diversity in the United States

Dr. Kimbra Smith
Thursdays 9:25-12:05, CENT 125

Want to explore the complex histories and current realities of the United States? Are you interested in a broad, exploratory, and active learning experience? This course integrates multiple perspectives and approaches, incorporating participatory learning, interactive mind-mapping, and a broad selection of readings and media sources in its exploration of the diversity of experience in the US today.
