Net Price Calculators

The following calculators are intended to help students estimate the cost of attendance at UCCS after taking financial aid into account. Each year of the calculator is based upon a template provided by the U.S. Department of Education in compliance with the Higher Education Opportunity Act.

- 2014-2015
- 2013-2014
- 2012-2013
- 2011-2012
- 2010-2011
- 2009-2010

We encourage you to use the UCCS Tuition Calculator to estimate your tuition with your student characteristics. Plug in your class, residency, classes and hours. Learn more about COF and WUE. See itemized fees, select housing and meal plans, and factor in insurance expenses. It is all in the UCCS Tuition Calculator.

Also visit the Financial Aid website for the nitty-gritty details about types of aid and check out our financial aid summary reports for the past few years.

Net Price Calculator

Please read. This calculator is intended to provide estimated net price information (defined as estimated cost of attendance — including tuition and required fees, books and supplies, room and board (meals), and other related expenses — minus estimated grant and scholarship aid) to current and prospective students and their families based on what similar students paid in a previous year.

By clicking below, I acknowledge that the estimate provided using this calculator does not represent a final determination, or actual award, of financial assistance, or a final net price; it is an estimate based on cost of attendance and financial aid provided to students in a previous year. Cost of attendance and financial aid availability change year to year. The estimates shall not be binding on the Secretary of Education, the institution of higher education, or the State.

Students must complete the Free Application for Federal Student Aid (FAFSA) in order to be eligible for, and receive, an actual financial aid award that includes Federal grant, loan, or work-study assistance. For more information on applying for Federal student aid, go to http://www.fafsa.ed.gov/

Note: Any information that you provide on this site is confidential. The Net Price Calculator does not store your responses or ask for personal identifying information of any kind.

<tbody>
<tr>
<td>Estimated tuition and fees</td>

</tr>
<tr>

Grants and scholarships do not have to be repaid. Some students also qualify for student loans to assist in paying the net price; however, student loans do have to be repaid.

Please Note: The estimates above apply to full-time, first-time degree or certificate-seeking undergraduate students only.

These estimates do not represent a final determination, or actual award, of financial assistance or a final net price; they are only estimates based on cost of attendance and financial aid provided to students in 2014-15. Cost of attendance and financial aid availability change year to year. These estimates are not binding on the Secretary of Education, the institution of higher education, or the State.

Not all students receive financial aid. In 2014-15, 58% of our full-time students enrolling for college for the first time received grant/scholarship aid. Students may also be eligible for student loans and work-study. Students must complete the Free Application for Federal Student Aid (FAFSA) in order to determine their eligibility for Federal financial aid that includes Federal grant, loan, or work-study assistance. For more information on applying for Federal student aid, go to [http://www.fafsa.ed.gov](http://www.fafsa.ed.gov).

The Department of Campus Compliance designed a website page, available online at http://www.uccs.edu/about/consumer.html, to comply with the Student Consumer Information/Student Right to Know Act. The website provides current and prospective students with resources and campus metrics in a variety of areas related to general institutional information, athletics, disability services, student services, student financial aid, campus security, student outcomes, and accreditation relationships.

While the Department of Campus Compliance ensures the Student Consumer Information site is in good working order, each department is responsible for the content, maintenance, and accuracy of the information posted on the department’s webpage.

The following are screenshots of the website to demonstrate what is disclosed to students.
The UCCS Student Consumer Information Website can be located from the homepage by two different links.

1. Using the “About UCCS” tab at the top (see above)
2. Scrolling all the way to the bottom of the page and clicking “Student Consumer Info” (See below)
The site is arranged in accordion style to parallel the Student Right to Know Act. Each section once expanded includes the website in which key information can be found as well as the department name and contact phone number.
