This was a special meeting to discuss the criteria for the DOG requirements.

The committee voted unanimously to make the list for cultural diversity be:

Race/ethnicity/color/national origin, sex/gender/sexual orientation, age, disability, socio-economic stratification and/or veteran status.

They also voted unanimously that in order to meet the cultural diversity requirement, the course must fulfill one or more of the above criteria and have content be more than half the course. For global awareness, the content must also be more than half the course.

The committee also is requiring the inclusion of a syllabus.

The Dean’s office will revise the forms and forward the CD & GA forms to Minette and the OC form to Mike. They, in turn, will review them and bring them to the next regular committee meeting for final discussion and vote.
