

LETTER OF COOPERATION

The University of Colorado at Colorado Springs ("UCCS" or "University") and ELS Language Centers agree to combine resources in the area of international student recruitment. The nature and scope of this cooperation is outlined below. This is a non-binding agreement, which UCCS may terminate at any time by notifying ELS Language Centers in writing.

Following are the services ELS Language Centers will provide the University:

1. ELS Language Centers will include UCCS in the ELS Language Centers Directory. The address is www.collegedirectory.els.edu and it is used by overseas educational counselors for researching schools. The University will be allowed to approve the profile.
2. All ELS Language Centers will be available to the University admissions representative(s) for scheduled recruiting visits.
3. ELS Language Centers will provide upon request, the following services to the University overseas recruiting official(s):
 - A. Key contact lists for individual countries
 - B. Letters of introduction
4. The ELS Language Centers University Placement Service will recommend UCCS to academically qualified students for admission.

Following are ways in which UCCS will cooperate with ELS Language Centers:

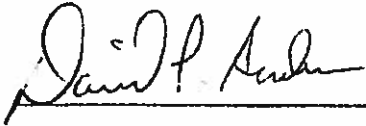

1. The University will recommend ELS Language Centers to academically qualified applicants lacking the necessary English proficiency for admission.
2. The University will accept completion of a specified ELS Language Center level as meeting the English proficiency requirement for admission to the following degree programs:

Bachelor's
Master's
Doctorate

3. UCCS will accept ELS' recommended proficiency levels of at least a borderline pass of ELS Level 112, which is considered equivalent to a TOEFL-CBT of 214-221 for either undergraduate or graduate admission.

4. Students from ELS whom the university considers admissible except for English ability will be issued a Conditional Letter of Acceptance, which indicates that upon successful completion of the agreed upon ELS Language Centers level of completion, or the school's minimum required TOEFL score of 213 CB or 550 PB, will be eligible for full admission. In the case of graduate-level admissions, standardized test scores such as GRE or GMAT may also be required.

5. ELS requests that the university state, if possible, in catalogs or other appropriate literature directed to international students, that completion of the above-designated level(s) at an ELS Language Centers program will satisfy your English language requirement for admission.
